Respected Sir,

Ref - Verification of Accounts for the FY 2021-22
Sub - Observations while verifying the Financial Statements
as per MHRD rules, for the FY 2021-22

With reference to the above captioned subject, we wish to bring to your kind notice the following observations while preparing the Financial Statements as per MHRD rules, for the FY 2021-22.

1. **Corpus Capital Fund (Sch. 1)** in the Balance sheet represents Capital Grants received from stakeholders and utilized till date. However, it has been observed that until previous year same has been represented at funds received and utilized less depreciation charged on fixed asset. To represent fair value of capital grants received and utilized, same has been shown at cost of acquisition of fixed assets from these funds. Accordingly, amount of Rs. 1.75 Crone has been added to Corpus fund and charged as Prior Period expense as during the previous year's same were added to profits as 'Depreciation written back'.
2. **Other Current Liabilities - Interest on Grants (Sch. 3)** Rs. 69.56 Lakh of FY 2021-22 represents interest income earned on fixed deposit created out of unutilized funds received from Central Govt, State Govt and MAHAT. This has been done to comply with some of the observations of the Statutory audit party to follow the GFR provisions (Rule 230(8) of GFR 2017. However, GFR rules of Government of India are yet to be adopted by the Board of Governors of IIT Pune for crediting interest earned on Grant in aid to Consolidated Fund of India. Additionally, if the similar compliance has to be done for previous years also, it may result in additional outflow of funds.
3. **Loan Advances & Deposit (Sch. 8)** included Statutory receipts of Rs. 2.41 Lakh which included Rs. 0.02 Lakh TDS receivable for FY 2016-17. For FY 2016-17 State Bank of India had deducted TDS on interest income and deposited to government but since institution did not have PAN card number at that time, same was not reflected in Form 26AS. Accordingly, since the receipt of the same is not certain, it should have been restricted to disclosure. The amount can be written off from the accounts after getting same approved by Finance Committee and Board of Governor.

4. Academic Receipts (Sch. 4) includes income of Rs. 5.13 Lakh received from students but whose names could not be identified.
5. Prior Period Income (Sch. 14) of Rs. 5.45 Lakh includes Rs. 4.42 Lakh for Writeback of excess depreciation made in previous year's and Rs. 1.03 Lakh for Excess provision of made for Honorarium for Guest faculty as well as Travelling charges during last year.
6. All the amounts in decimal are rounded off to nearest rupees.

We are thankful to the management and accounts staff for extending their co-operation to us during our visit for preparation of final accounts.

Thanking You,

Yours Faithfully,

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Indian Institute of Information Technology, Pune for the year ended 31 March 2022.

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Pune ('the Institute') as at 31 March 2022, the Income & Expenditure Account and Receipt & Payment Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28(3) of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about

whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.
- ii. The Balance Sheet, the Income & Expenditure Account and the Receipt & Payment Account dealt with by this report have been drawn up in the new format prescribed by the Ministry of Human Resource Development, Government of India vide Order No.29-4/2012-IFD dated 17 April 2015.
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Section 28 of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 in so far as it appears from our examination of such books.
- iv. We further report that:

A. Balance Sheet

A.1 Liabilities

A.1.1 Earmarked/Endowment/Designated Fund (Schedule-2): Schedule-9 Academic Receipt: ₹17.50 crore Development Fees: ₹1.54 crore not transferred in the above fund.

As per significant accounting policies, Designated/Earmarked funds are funds set aside by the Educational Institute or provided by external agencies for specific purposes. The competent authority lays down items of income which could be accounted under Earmarked funds and items of expenditure permissible to be met from the funds when the funds are set aside by the Institute.

As per Schedule 9- Academic Receipts, the Institute had shown Development fees of ₹1.54 crore during the year 2021-22. Hence, this fees was to be transferred to Designated /Earmarked / Endowment Funds (Schedule-2) of Balance Sheet but Institute did not follow it. This resulted in understatement of Designated /Earmarked / Endowment Funds (Schedule2) and overstatement of Corpus Fund to the extent of ₹1.54 crore.

B. Income & Expenditure

B.1 Income

B.1.1 Schedule 9: Academic Receipts- ₹17.50 crore

Advance receipts of ₹3.32 crore was not shown as advance. As per Schedule 9 of the Income and Expenditure Account for the current year 2021-22, the Institute had realized tuition fees of ₹13.26 crore for 12 months period from July 2021 to June 2022. (four quarters).

Tuition fees for the months of April 2022 to June 2022 (3 months) amounting to ₹3.32 crore (13.26/4) pertaining to the subsequent year 2022-23 should have been shown under the head Advance fees received in Schedule 3- Current Liabilities and Provisions of Balance sheet. However, the Institute had not shown the same as advances resulting in overstatement of corpus fund and understatement of Current Liabilities to the extent of ₹3.32 crore.

C. General Comments

1. In terms of O.M. no. 1(21)/EV/2018 issued by the Department of Expenditure, Ministry of Finance dated 1/04/2019, in all cases where the NPS contributions were deducted from the salary of the government employee, but the amount is not credited into CRA system or was remitted late, the amount may be credited to NPS account. The interest will be levied for the period from the date on which the NPS contributions were due for remittance till date of actual credit to the NPS account of the employee, as per

the rates applicable to GPF from time to time. However, interest liability against NPS was not depicted in Current liabilities as of 31.03.2022.

2. According to Accounting Standard (AS 15), the provisions for retirement benefits should be made on Actuarial basis and provided upto the year end. Actuarial valuation as on 31 March is to be obtained every year.

As per Schedule -3, current liabilities and provisions of Balance Sheet for the Financial Year 2021-22, no provision for retirement benefit had been made on actuarial certification basis.

3. During current year 2021-22, the Institute received Capital grant of ₹18.02 crore (from the Central Govt.) and funds available along with an opening balance of ₹11.33 crore (including interest on grants for the period 2018-19 to 2020-21 of ₹ 46 lakh and ₹ 56.12 lakh) totalling to ₹29.35 crore. The Institute has utilised an amount of ₹0.51 crore leaving an unspent balance of ₹28.84 crore. The current year's interest received on grant was ₹0.55 crore (shown in current liabilities). Thus, interest pertaining to previous years were not depicted and refunded till date.

The Institute met the revenue expenditure of ₹6.69 crore (excluding depreciation) out of total internal revenue generated of ₹17.63 crore (excluding ₹1 crore revenue grant, interest of Grants ₹1.36 crore).

The interest earned on grant of ₹96.58 lakh as per Utilisation Certificate was short depicted. This ought to have been credited to Consolidated Fund of India after finalization of the Accounts. Non-compliance to GFR provisions (Rule 230(8) of GFR 2017) by not surrendering the interest is a persistent irregularity by the Institute from accounting year 2018-19.

Similarly, out of unspent grant of ₹2.54 crore from Government of Maharashtra from previous year, the Institute utilized ₹5.07 lakh during the year, leaving a balance of ₹ 2.49 crore as unutilized at the end of the year 2021-22. The interest received on grant of ₹12.34 lakh was not surrendered to the grantor and shown under current liability.

Despite being pointed out in the previous SAR, no remedial action has been taken by the Management.

4. Under the provisions of Rules 211 (GFR 2017), (i) the Officer-in-charge of stores shall maintain suitable item-wise lists and accounts and prepare accurate returns in respect of the goods and materials in his charge making it possible at any point of time to check the actual balances with the book balances. The form of the stock accounts mentioned above shall be determined with reference to the nature of the goods and materials, the frequency of the transactions and the special requirements of the concerned Ministries/Departments.

(ii) Separate accounts shall be kept for (a) Fixed Assets such as plant, machinery, equipment, furniture, fixtures etc. in the Form

GFR-22. (b) Consumables such as office stationery, chemicals, maintenance spare parts etc. in the Form GFR-23. (c) Library books in the Form GFR 18.

It is seen that IIT, Pune has not prepared Fixed Asset register as per provision *ibid*.

Also, on scrutiny of the Fixed Asset Register maintained by the Institute and addition made in the Fixed Assets (Schedule 4) of the accounts for the year 2021-22, there was a difference in the addition of fixed assets. The additions shown in Schedule 4 amounting to ₹5.07 lakh did not include the additions shown in Fixed Asset register amounting to ₹7.08 lakh and vice versa. The difference in figures as above needs rectification.

5. As per Significant Accounting Policies of Schedule No.23, as approved by the MHRD, the balance in the Corpus Fund which is carried forward is represented by the balance in a separate Bank account /Investment /Interest Accrued but not due. As per Schedule-1, Corpus Fund shows the credit balance of ₹37.19 crore (₹40.60 crore of capital fund minus ₹3.41 crore of Net block of Fixed Assets –Schedule 4) at the end of March 2022. However, the same balance has not been separately shown under the Current Assets as per significant accounting policies by way of bank balances, investment and interest accrued but not due on investments.

The total grants in-aid available was ₹ 30.35 crore (capital grant received ₹18.02 crore, revenue grant of ₹1.00 crore) which included opening balance of ₹10.30 crore, along with interest on grants for the period 2018-19 to 2020-21 of ₹ 46.00 lakh and ₹56.12 lakh respectively. The Institute utilized an amount of ₹1.51 crore (₹50.57 lakh on Capital head and ₹1.00 crore on Revenue head) leaving an unutilized balance of ₹28.84 crore. However the unutilized balance is ₹27.82 crore as per Schedule 3C. The difference is on account of interest on grants.

Expenditure of ₹ 6.88 crore was met out of total internal revenue generated of ₹17.63 crore

Similarly, out of unspent grant of ₹2.54 crore from Government of Maharashtra from previous year, the Institute utilized ₹0.05 crore during the year, leaving a balance of ₹2.49 crore as unutilized at the end of the year 2021-22.

E. Management Letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Institute through a management letter issued separately for remedial/corrective action.

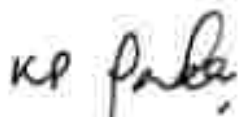

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, the Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the books of accounts.

vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in the Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

(a) In so far as it relates to the Balance Sheet, of the state of affairs of the Indian Institute of Information Technology Pune as at 31 March 2022, and

(b) In so far as it relates to the Income & Expenditure Account, of the surplus for the year ended on that date.

For and on behalf of the
Comptroller & Auditor General of India

Director General of Audit (Central).
