Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Indian Institute of Information Technology, Pune for the year ended 31 March 2023.

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Pune (‘the Institute’) as at 31 March 2023, the Income & Expenditure Account and Receipt & Payment Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General’s (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28(3) of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017. These financial statements are the responsibility of the Institute’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG’s Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:
- i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.
 - ii. The Balance Sheet, the Income & Expenditure Account and the Receipt & Payment Account dealt with by this report have been drawn up in the new format prescribed by the Ministry of Human Resource Development, Government of India vide Order No.29-4/2012-IFD dated 17 April 2015.
 - iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Section 28 of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 in so far as it appears from our examination of such books.
 - iv. We further report that:

A. Income & Expenditure

A.1 Expenditure

A.1.1 Schedule 17- Administrative & General Expenses ₹ 5.50 crore

The above included an amount of ₹ 1.16 crore towards hostel rent paid for the period from January 2023 to June 2023, which was inclusive of hostel rent for the months April to June 2023 (3 months) of ₹58.06 lakh (₹116.11/2).

This payment of ₹58.06 lakh has resulted in overstatement of Schedule 17- Administrative & General Expenses/Expenditure for the year by ₹58.06 lakh and resultant understatement of Corpus/Capital fund (Sch. 1) and Loan, Advance & Deposits (Schedule 8) by same extent.

A.1.2 Schedule 16: Academic Expenses- ₹87.91 lakh

The above expenditure included ₹5.85 lakh towards Student Medical Insurance for the period from 07.01.2023 to 06.01.2024, which was inclusive of Medical Insurance payment of ₹4.38 lakh (5.85*9/12) pertaining to the FY 2023-24.

This has resulted in overstatement of Schedule 16 Academic Expenses/Expenditure for the year by ₹4.38 lakh and resultant understatement of Corpus/ capital Fund (Sch. 1) and Loan advances and deposits (Schedule-8) by same extent.

A.2 Income

A.2.1 Schedule-9 Academic Receipt ₹ 18.04 crore

As per ledger, the Institute had refunded ₹23.76 lakh during FY 2022-23 as hostel fees collected in Advance from the students for the year 2020-21. This refund has been netted off with current year hostel fees in Schedule-9. This has resulted in understatement of income by ₹23.76 lakh in Schedule-9 Academic Receipt and corresponding understatement of Academic Expenses in Schedule -16 to that extent.

B. General Comment

B.1 The Institute had exhibited an amount of ₹2.33 crore in Schedule 11 - Income from Investment – Others. However, as per bank certificate, interest realized on investment during the year was shown at ₹2.90 crore. The difference of ₹0.57 crore (₹2.90 crore - ₹2.33 crore) needs to be reconciled.

B.2 As per Receipts and Payments Account for the Financial Year 2022-23, the Institute had shown receipts of ₹1.04 crore on account of sponsored fellowships and scholarships. However, receipts of only ₹1.02 crore were shown against it in the same head in Schedule- 3B during the year. The difference of ₹1.26 lakhs (₹104.05 lakh - ₹102.79 lakh) needs to be reconciled.

B.3 According to Accounting Standard (AS-15), the provisions for retirement benefits should be made on Actuarial basis and provided upto the year end. Actuarial valuation as on 31 March is to be obtained every year. As per Schedule -3- current liabilities and provisions of Balance Sheet for the Financial Year 2022-23, no provision for retirement benefit had been made on actuarial certification basis.

B.4 Schedule-7-Current Assets (Annexure C- Student Debtors) of ₹94.48 lakh included an amount of ₹13.59 lakh on account of fees to be collected from B. Tech students pertaining to the period 2016-22. This long pending list of debtors needs to be reviewed and necessary action for recovery of outstanding fees needs to be initiated.

B.5 As per significant accounting policies in Schedule-23, (2.2.1), the Institute disclosed that academic fees, hostel fees, examination fees, other fees and other academic receipts from students were accounted on mercantile basis. It was, however, observed that fees collected from students (except Tuition fees), sale of admission forms, royalty and interest realized on savings bank accounts were accounted on cash basis instead of mercantile/accrual basis.

B.6 As per significant accounting policy, court cases/arbitration cases filed against the Institution, by former/present employees, tenants, contractors, etc which were pending for decisions, should be disclosed under Schedule 24 - Notes to Accounts.

Statutory liabilities of ₹15.38 lakh under Schedule-3(5)(b) Current Liabilities and Provisions included an amount of ₹11.52 lakh towards payment of future liability on account of pending arbitration case. However, no disclosure in this regard was made in Schedule 24 – Notes to Accounts as required.

C. Grant-in-aid

The Institute received grants-in-aid of ₹21.04 crore during the year (capital grant of ₹16.50 crore, revenue grant of ₹2.12 crore and interest realised on grants of ₹2.42 crore), and unspent balance carried forward from previous year of ₹27.82 crore totalling to ₹48.86 crore. Of this, the Institute utilized an amount of ₹2.63 crore (₹0.51 crore on Capital head and ₹2.12 crore on Revenue head) leaving an unutilized balance of ₹46.23 crore.

The Institute received a grant of ₹9.27 crore from the Government of Maharashtra (capital grant of ₹6.52 crore, interest realised of ₹0.26 crore and unspent balance from previous year of ₹2.49 crore).
