1. Director's Report

I am extremely delighted to present the Annual Report of the Indian Institute of Information Technology (PPP), Pune, for the year 2020-21. Since 2016, Institute has been growing steadily in the field of Computer Science, Electronics & Information Technology education along with other applied subjects. IIIT Pune is currently operating from a transit campus inside KJ Institute, Bodakev Ghat, Pisoli village, Yewaliwadi, Pune. Construction is going on our new campus of 100 acres in Nanoli Village, District Pune. The construction of 80% of the boundary wall is done by CPWD and the remaining work is expected to be completed in the coming year. Buildings and Works Committee has already given go ahead to the design and estimate for construction of the academic building, hostels, and other infrastructure in the new campus. Institute is offering two UG, PG, and Ph.D. programs. Institute currently has a student strength of more than 600 students which includes students from B.Tech., M.Tech. program and Ph.D. scholars. The Institute is amongst the top performing IIIT (PPP) institutes in the country.

This year students had to leave their hostels at end of March 2020 to their respective homes due to Covid-19. The institute had to be closed due to lockdown and classes had to be arranged through online mode. Nevertheless, all academic activities were completed with the new arrangement. This was possible because of the unconditional support, cooperation, and commitment of all stakeholders especially faculty members, staff, students.

I express my sincere gratitude to the Ministry of Education (MoE) and the State Government of Maharashtra for their whole hearted support and co-operation. I am specially thankful to our Chairman and all members of BoG, Finance Committee, BWC, Senate, faculty, staff and students for their commitment and contribution towards the growth of the institute. I firmly believe that our efforts in various dimensions; from building infrastructure to collaborating with the industry, framing academic policies, periodic updating of curriculum, pursuing quality research, faculty development, research collaboration, etc. will help in building excellent academic environment.

Prof. Anupam Shukla
Director

2. Vision and Mission

- a) To emerge amongst the foremost institutions in information technology and allied fields of knowledge in the global context
- b) To advance new knowledge and innovation in information technology and allied fields to empower the nation to the forefront in the global context
- c) To develop competent and capable youth imbued with the spirit of innovation and entrepreneurship with the social and environmental orientation to meet the knowledge needs of the country and provide global leadership in information technology and allied fields
- d) To empower environment and value based education in information technology
- e) To encourage Indian languages in technical education and to initiate research in information technology through Indian languages
- f) To motivate students for entrepreneurship and skill development for creating an ecosystem in the nation
- g) To enlighten Indian traditional knowledge in technical education
- h) to extend the frontiers of knowledge, stimulate creativity, and solve real-world problems, prepare students to think broadly, deeply and critically, and to contribute to the world, and deploy IIIT's strengths to benefit our region, country, and world
- i) To create a collaborative environment open to the free exchange of ideas, where research, creativity, innovation, and entrepreneurship can flourish
- j) To foster an academic community in which the learning and scholarship of every member may flourish, with vigilant protection for individual human rights, and a resolute commitment to the principles of equal opportunity, equity and justice
- k) To harness the quality, breadth and depth of our research capabilities to address the difficult challenges of today and the future
- l) To develop the next generation of researchers, scientists and academics
- m) To achieve academic excellence in engineering, technology and science by imparting quality and value based education. To inspire our students to become responsible citizens and competent professionals with high ethical values.

3. Institute

IIIT, Pune was established as a Society in the year 2016-17 under Societies Act of 1860. In August 2017, the institute was re-created by an Act of Parliament (23 of 2017 dated 09th Aug, 2017 viz. Indian Institute of Information Technology (PPP) Act of 2017. The institute is also declared as an Institute of National Importance by the same Act. Besides the Govt. of India the other partners in the institute are the Govt. of Maharashtra and two industry partner(s) (yet to be nominated). The initial outlay of the project was Rs.128 Crores be borne by the three stakeholders, viz., the Central Government, State Government (Maharashtra), and Industry Partners in the ratio of 50%, 35%, and 15% respectively.

Government of Maharashtra has allocated 100 acres of land in the year 2015 in Nanoli, Talegaon, Pune District for establishing IIIT Pune.

IIIT Pune is currently operating from a transit campus, near Bopdev Ghat, Kondhwa Annexe, Yewalewadi, Pune. The IIIT Pune is functioning within the Trinity Academy of Engineering College, Pune Campus. The resources, such as Hostel, Messes, Sports facilities, Canteen, etc., besides the Class rooms, Laboratories are shared with IIIT Pune.

4. Authorities of the Institute

a) Board of Governors

The Board of Governors of the Institute is the principal policy making and executive body of the Institute. Besides, it also has the ultimate responsibility for all the long-term policy formulation, planning and development for overall growth and governance of the institute. The composition of the BoG is as follows:

1.	Shri. Amit Khare Secretary, Department of Higher Education, MHRD, New Delhi,	Chairperson
2.	Dr. Rakesh Ranjan Additional Secretary, Technical Education, MHRD, New Delhi	Member
3.	Shri Anil Kumar Director Finance, MHRD, New Delhi.	Member
4.	Shri. Prashant Agarwal Director (IITs and IIITs), MHRD, New Delhi,	Member
5.	Prof. Pramod M. Padole Director, Visvesvaraya National Institute of Technology (VNIT), Nagpur	Member
6.	Dr. D R Nandanwar Joint Director, Technical Education, Government of Maharashtra, Pune Region, Pune	Member
7.	Prof. Ritu Tiwari Professor, IIIT Pune	Member
8.	Dr. Tanmoy Hazra Assistant Professor, HOD, CSE, IIIT Pune	Secretary
9.	Prof. Anupam Shukla Director, IIIT Pune	Member
10.	Prof. S. N. Sapali Registrar, IIIT Pune	Secretary

b) Senate

Senate is the principal Academic Body of the Institute. The Senate is responsible for maintenance of Standards of teaching, evaluation, research and consultancy in the Institute. It has the responsibility to lay down policy guidelines and the directions to further the academic growth and development of the Institute. The composition of the Senate is as follows:

1.	Prof. Anupam Shukla Director, IIIT Pune	Chairperson
2.	Prof. Laxmidhar Behera Professor, IIT Kanpur	Members

3.	Prof. Girijesh Prasad Professor, Ulster University	Members
4.	Prof. Debasish Ghose Professor, IISc, Bangalore	Members
5.	Mr. Anuj Mehra Lead Data Scientist, Magicbricks	Members
6.	Prof. Ritu Tiwari Professor, IIIT Pune	Members
7.	Dr. Tanmoy Hazra Assistant Professor, HOD, CSE, IIIT Pune	Members
8.	Dr. Nagendra Kushwaha Assistant Professor, HOD, ECE, IIIT Pune	Members
9.	Prof. S. N. Sapali, Registrar, IIIT Pune	Secretary

c) Finance Committee

1.	Shri. Amit Khare Secretary, Department of Higher Education, MHRD, New Delhi	Chairperson
2.	Shri. Anil Kumar Director, Department of Finance, Ministry of Higher Education, MHRD,	Member
3.	Prof. Anupam Shukla Director, IIIT, Pune	Member
4.	Joint Director Technical Education, Government of Maharashtra, Pune Region, Pune	Member
5.	One representative: Industry Partner	Member
6.	Prof. S. N. Sapali Registrar, IIIT, Pune	Secretary

d) Building and Works Committee

1.	Prof. Anupam Shukla Director, IIIT Pune	Chairman
2.	Prof. K. K. Pathak Professor, Department of Civil Engineering, IIT (BHU) Varanasi	Member
3.	Shri Suresh Laxman Ganeshkar Chief Engineer MSEDCL, Vidyut Bhawan, Aurangabad	Member

- | | | |
|-----|--|--------|
| 4. | Prof. Sanjeev Singh
Professor & Head, Department of Architecture, SPA, Bhopal | Member |
| 5. | Prof. B.G.Birajdar,
Professor, Department of Civil Engineering, CoE, Pune, | Member |
| 6. | Shri Chandrakant P Jawale
Superintendent Engineer, PMRDA, Akurdi, Pune, | Member |
| 7. | Shri Anil Kumar Jain
Director General (Retd.), CPWD, Noida, | Member |
| 8. | Shri S.Ramanujam
Member, BWC (IITD / IIT Ropar / IIT Tirupati) | Member |
| 9. | Shri Niranjana Singh
Chief Engineer (Retd.), CPWD, Mohali | Member |
| 10. | Prof. Neeraj Gupta
Professor, Department of Architecture, Central University of
Rajasthan, Ajmer | Member |
| 11. | Prof. Rajesh K. Tripathi
Professor, Department of Civil Engineering, NIT, Raipur | Member |

5. Academic Activities

a) Academic Programmes

IIIT Pune is committed to provide the best technical education in the country. The institute is facilitating knowledge transfer whilst keeping up with the latest development in pedagogy. The institute offers four-year undergraduate [Bachelor of Technology (B.Tech.)], two-year post-graduate [Master of Technology (M.Tech.)] and Doctor of Philosophy (Ph.D.) programmes in following departments:

- Electronics and Communication Engineering (ECE)
- Computer Science and Engineering (CSE)

Admission for B.Tech. is conducted by Central Seat Allocation Board (CSAB) and Joint Seat Allocation Authority (JoSAA). The admission for M.Tech is conducted by Centralized Counselling for M.Tech/M.Arch/M.Plan (CCMT).

Programme and Specialization	Sanctioned Intake of seats
B.Tech. CSE (Computer Science and Engineering)	175
B.Tech. ECE (Electronics and Communication Engineering)	50
M.Tech. CSE (Computer Science and Engineering)	22
M.Tech. ECE (Electronics and Communication Engineering)	22

The Ph.D. programme is aimed at assisting students in acquiring proficiency in their chosen area of research. The academic programme leading to the Ph.D. degree started in 2018-19 session. The Institute also encourages research in interdisciplinary areas through a system of joint supervision and inter-departmental group activities. Research activities in IIIT Pune are carried out under the ambit of academic departments (CSE and ECE) and research centers

- Centre of Robotics and Security in Internet of Things (IoT) Space,
- Centre of Indian Languages and Computational Intelligence,
- Centre of VLSI and Nanotechnology, and
- Centre for Biomedical Science and Engineering

With an aim to develop new knowledge in all aspects of teaching and research, IIIT Pune invites applications from eligible Indian nationals for admission to the Ph.D. programme of the institute. IIIT Pune plans to develop world-class research facilities in areas of Software Engineering, Mobile Computing, Information Security, IoT, Robotics, Machine Learning, Speech and Image Processing, Medical Informatics, Cyber Physical Systems, Wireless Networks, VLSI Design and Nanotechnology.

b) Admissions

Number of students admitted into B.Tech., M.Tech. and PhD programmes in 2020-21 are given in the table below:

Sr. No.	Class	Boys	Girls	Total
1	B.Tech (ECE)	45	2	47
2	B.Tech (CSE)	162	9	171
3	M.Tech (ECE)	8	4	12
4	M.Tech (CSE)	8	5	13
5	Ph.D. (CSE)	1	3	4
6	Ph.D (ECE)	1	-	1

IIIT Pune is actively working on revamping its curriculum to meet the future IT requirements. Apart from academics, the institute provides a comprehensive environment that promotes art, culture, sports, societal contributions and self-governance. Students participate in ongoing research and technology development; as a result, vibrant UG programmes exist to fulfill the needs of the society.

c) Scholarship to Students

Students of the institute received following scholarships from State and Central Government and same by disbursed by institute during the year 2020-21.

- 3 students received Central Sector Scheme Scholarship.
- 1 student received Merit-Cum-Means Scholarship.
- 4 students received Scholarships for Top Class Education for Disable Students.
- 19 students received the Central Sector Scholarship of Top Class Education for SC.
- 10 students received the Central Sector Scholarship of Top Class Education for ST.
- 21 students received the UP Dashmottar Scholarship for UT students.
- 69 students from Maharashtra received the MahaDBT Scholarship.
- 3 students from Rajasthan received scholarship from Social Justice and Empowerment Department, Government of Rajasthan.
- 1 student from Jammu and Kashmir received J&K Scholarship (PMSSS).
- 23 students from Madhya Pradesh received MMVY Scholarship.

d) Teaching Methodologies during COVID-19

All the academic activities of the institute were conducted smoothly in online mode with dedicated virtual classrooms and laboratories during the Pandemic. The IT infrastructure was also improved and expanded. Essential facilities to execute the online teaching methods were followed. Materials such as presentation and class recording of each class, online study material were made available to the student. The placement activities were carried out with excellent results for the graduated and final year batches of the institute.

e) Curriculum

The curriculum has the following components:

- Programme Core Courses
- Programme Elective courses
- Open Elective courses
- Self-Study/ Online Courses
- Internship
- Project Work

f) Lectures delivered by Experts:

S. No.	Name of Expert	Designation and Affiliation	Name of Topic	Batch & Month
1.	Prof. Joydip Dhar	Professor in Applied Sciences (Mathematics) at IIITM Gwalior	Data Mining and Warehousing	3 rd CSE in July, 2020
2.	Prof. Y. N. Singh	Professor in Electrical Engineering department at IIT Kanpur	Computer Networks	3 rd CSE in July, 2020
3.	Prof. A. K. Singh	Professor in Computer Science & Engineering department at NIT Kurukshetra	Computer Organization and Architecture	
4.	Dr. Mubarak Mujawar	Research Associate Professor in Electrical and Computer Engineering at Florida International University	IoT and Data Visualization	3 rd and 4 th in July, 2020
5.	Dr. Raghunath Tewari	Associate Professor in Computer Science & Engineering department at IIT Kanpur	Analysis and Design of Algorithms	2 nd CSE and ECE in July, 2020
6.	Dr. Vipul Arora	Assistant Professor in Electrical Engineering department at IIT Kanpur	Artificial Neural Networks	3 rd CSE in July, 2020

6. R&D Activities

a) R&D Centres

The faculty members of IIIT Pune are associated with various research centers for multidisciplinary research. Different activities have been started by the research centers including conducting Faculty Development Programme (FDPs) and Short-Term Training Programmes (STP), collaborative research, etc. IIIT Pune has established research centers in following identified areas:

- Centre for Robotics and Security in IoT Space
- Centre for VLSI and Nanotechnology
- Centre for Indian Languages and Computational Intelligence
- Centre for Biomedical Science and Engineering

b) Papers published: International Journals / Conferences

- S. Mishra, T. V. Mahendra, S. W. Hussain, and A. Dandapat, “The analogy of matchline sensing techniques for content addressable memory (CAM),” IET Computers & Digital Techniques, vol. 14, no. 3, pp. 87-96, Apr. 2020. (I.F. - 0.857)

7. Seminars and Workshops

a) Faculty Development Programme (FDP) on the Internet of Things (IoT)

A Faculty Development Programme on the Internet of Things (IoT) was conducted from 5th to 9th October, 2020. It was inaugurated along with 41 other FDPs. The chief guest of the programme was Hon. Manoj Ahuja, Chairman CBSE. This programme was also graced by Prof. Anil D. Sahasrabudhe, Chairman AICTE, Prof. Anupam Shukla, Director, IIIT Pune, Prof. M.P. Poonia, Vice-chairman AICTE, and Prof. Rajive Kumar, Member Secretary AICTE, Dr. Ravindra Kumar Soni, Director Atal Academies and other heads of various institutes and universities.

The programme was conducted online. Dr. Nagendra Kushwaha, Assistant Professor, IIIT Pune, India, Dr. Mubarak Mujawar, Associate Professor, FIU MIAMI, USA, Dr. K. P. Ray, Professor, DIAT Pune, INDIA, Dr. Suresh Kumar Peddoju, Post-Doctoral Associate, FIU, USA, Dr. Hardik Gohel, Assistant Professor, UHV, USA, Mr. Srikant Namuduri, Data Scientist, REEF, MIAMI, USA and Dr. Laxmidhar Behera, Professor, IIT Kanpur, India were the speakers of the FDP.

b) ATAL Sponsored FDP on Cyber-Physical Systems

A Five-Days AICTE Training and learning (ATAL) Academy sponsored Faculty Development Programme (FDP) on Cyber-Physical Systems was organized from 7th to 11th November, 2020 in which 127 participants, including faculties, PG students and Research scholars from different AICTE approved institutions, and members from industry had participated. Dr. Ranjith Ravindranathan Nair, Assistant Professor, IIIT, Pune coordinated the programme.

c) FDP on Artificial Intelligence and its Modern Applications

Fifteen days Faculty Development Programme (FDP) on Artificial Intelligence and its Modern Applications was organized by Chhattisgarh Swami Vivekanand Technical University, Bhilai in association with IIIT, Pune under the third phase of Technical Education Quality Improvement Programme (TEQIP-III) during 20th November – 4th December, 2020 through online mode. The primary objective of this fifteen-day faculty Development Programme (FDP) is to enrich faculty members of Computer Science stream with preliminaries of artificial intelligence and its modern applications in machine learning and deep learning. The FDP is divided into several modules falling under the umbrella of Artificial Intelligence including Soft Computing, Machine Learning, Deep Learning, Human Computer Interface, Game theory and Information Retrieval. This FDP focused on hands-on implementation of various algorithms to deliver practical skill to participants. Dr. Rahul Dixit, Assistant Professor, IIIT, Pune coordinated the programme. Dr. Apoorva Mishra, Assistant Professor, IIIT Pune, Mr. Nitish Bhardwaj, Technology Research Associate Principal at Accenture Labs, Dr. Bhupendra Singh, Assistant Professor, IIIT Pune, Dr. Tanmoy Hazra, Assistant Professor, IIIT Pune, Ms. Surbhi Agrawal, Assistant Professor, IIIT

Pune and Dr. Rahul Dixit, Assistant Professor, IIIT Pune, served as resource persons. Around 39 participants, including faculties, PG students and Research scholars from different CSVTU approved institutions had registered for the programme.

d) National Policy on Education 2020: One Day National Workshop on Technical Education and Indian Languages

A one-day National Workshop on National Education Policy 2020: Technical Education and Indian Languages was organized jointly by Shiksha Sanskriti Utthan Nyas, New Delhi and IIIT, Pune on 20th February 2021.

In this workshop, various aspects on the topic “National Education Policy 2020: Technical Education and Indian Languages” were discussed to enrich the current situation, implementation of education policy, challenges faced in it and efforts made to find the solutions. The workshop was graced by presence of the following dignitaries:

Shri Atul Kothari, National Secretary, Shiksha Sanskriti Utthan Nyas, Prof. Rajeev Kumar, Member Secretary, AICTE, Prof. Om Vikas, Former Director, IIITM, Gwalior, Prof. Sat Prakash Bansal, Vice Chancellor, Himachal Pradesh Technical University, Hamirpur, . Prof. Vrashabh Prasad Jain, Convener: Indian Language Forum and Professor, Mahatma Gandhi International Hindi University, Wardha, Prof. Manoj Kumar Tiwari, Director, NITIE, Mumbai, Prof. P.K. Mishra, Vice Chancellor, Jharkhand Technical University, Ranchi, Prof. H. K. Sharma, Director, NIT, Agartala, Prof. Arun Mohan Sherry, Director, IIIT Lucknow, Prof. Sanjay Jain, Industry Associate Professor, Decision Science, George Washington University, Prof. Suresh Kant Verma, Deputy Director, NIT, Patna, Prof. Lakshmidhar Behera, Professor, IIIT, Kanpur

106 participants from different educational institutions participated in the workshop. Prof. Anupam Shukla, Director, IIIT, Pune, was the convener of the Workshop and Prof. Ravi Prakash Tiwari, Convener: Technical Education, ED, MNIT, Allahabad was the workshop coordinator.

e) ATAL Sponsored FDP on Cyber Security

A Five days AICTE sponsored Workshop on Cyber Security was conducted by AICTE in collaboration with IIIT, Pune from 22nd Feb to 26th Feb 2021. 138 participants across India participated online in the programme. Workshop provided plenty of learnings and experiences to the participants. Dr. Bhupendra Singh, Assistant Professor, IIIT Pune was the coordinator of the FDP.

Dr. Gaurav Gupta., Scientist E, Cyber-Laws and E-Security Group, MeitY, India, Dr. Nitesh K Bharadwaj, Asstt. Prof., IIIT, Bhopal, Dr. Karnika Seth, Founder & Head, Corporate & Cyber Laws Practice, Lt. Arjun Choudhary, SPUP Jodhpur, Mr. Gaurav Damri, Member Research Staff, CRL, BEL, Ghaziabad, Dr. Deepak Singh Tomar, Associate Professor, MANIT, Bhopal, Prof. Triveni Singh, Superintendent of Police, Cyber Crime, Govt. of Uttar

Pradesh, Dr. Deepti Vidyarthi, DIAT Pune, Dr. Bhupendra Singh, IIIT Pune, Dr. Upasna Singh, DIAT Pune, Prof. Laxmidhar Behera, IIT Kanpur, Mr. Prasad Patibandla Digital Forensics & Cyber Intelligence Expert, New Delhi, Dr. Pankaj Choudhary, Forensics Expert, BPR&D, New Delhi were the resource persons for the FDP.

f) **Aatmanirbhar Bharat and National Startup policy**

The institute took various initiatives for Atmanirbhar Bharat and National Startup policy. Various talks were conducted with focus on ‘Self-reliant India’ for our Nation. Under this scheme following talks were delivered:

- Dr. R.N.Patel, Associate Professor, NIT, Raipur delivered a talk on “National Innovation and Startup Policy 2019” on 2nd October, 2020.
- Dr. Pradeep Kumar Mishra, Professor, Department of Chemical Engineering, IIT, BHU delivered a talk on “Atmanirbhar Bharat and Technical Education” on 2nd October, 2020.
- Mr. Rishikesh S.R Co-Founder Rapido at Bangalore, delivered a talk on “Make for Bharat” on 10th October, 2020.

g) **I.C.C.I. 2020**

The Conference was intended to bring together the researchers working in the field of computational intelligence and allied areas across the world and to have a dissemination of knowledge on the recent developments in the field of Artificial Intelligence, Nature-Inspired Algorithms, Machine Learning, Deep Learning, Computer Vision and many other areas through the exchange of research evidence, personal scientific views, and innovative ideas.

The conference has received excellent response from the scientific and research community and has witnessed the submission of a large number of research papers with authors from 8 different countries. The proceedings of the ICCI-2020 will be published in the Springer Book Series, ‘Algorithms for Intelligent Systems (AIS)’. There were four technical tracks for paper presentations:

- Artificial Intelligence and Machine Learning
- Image Processing and Computer Vision
- IoT, Wireless sensor network and vehicular technology
- Soft Computing

World-renowned researchers have delivered the keynote address:

- Dr. Marc A. Zissman from MIT, USA
- Prof. B Yegnanarayana from IIIT, Hyderabad, India
- Prof. Sunil K. Agrawal from Columbia University, USA
- Prof. Sanguthevar Rajasekaran from the University of Connecticut, USA
- Prof. Prof L.M. Patnaik from IISc, Bangalore, India

An active participation was witnessed in all the events including the keynote talks, technical paper presentation tracks, and other sessions.

8. Celebration of National Events

- a) **Yoga Day:** International Yoga Day was observed on 21st June 2020 by arranging a motivational session and demonstration of Yoga by Mr Gaurav Jain, Founder trustee of Vinyas Yoga Studio, Gwalior. Faculties, Students and staff attended the online session and practiced various yoga postures.
- b) **Constitution Day:** Constitution day (Samvidhan Divas) was celebrated on 26th November 2020 to honor the adoption of the Constitution of India on 26th November 1949. The Director, Faculty, and Staff took the pledge and read the preamble of the constitution.
- c) **Independence Day:** The institute celebrated the flag hoisting ceremony on Independence Day with Trinity Academy of Engineering College in 2020.
- d) **Republic Day:** The Institute celebrated the flag hoisting on Republic Day at the campus.
- e) **Hindi Pakhwada:** Hindi Pakhwada was organized from 14th to 28th September 2020. The programme started with a painting competition. Various competitions were organized for the students in collaboration with Hindi Samiti, whose names are as follows along with their organizer:

Events	Organizer	Winner
Painting competition	Nipam Mistry	Shivam Patel
Poetry Writing Competition	Navjit Kaur	Saurabh Jaiswal
Poetry Translation Competition	Navjit Kaur	Rohini Maidamwar
Essay Writing Competition	Kunal Kanade	Sonu Gupta
Puzzle Competition	Roshan Kumar	Satyam Garg, Aryan Sharma
Quiz Competition	Ujjwal Dubey	Prasad Dalwee

The organization of these various competitions gives a new direction to the promotion of the state language. Hindi Pakhwada was made very popular due to the enthusiastic participation of the students in all the competitions. In Hindi Pakhwada, more than 50 students participated in various competitions. The faculties in Hindi cell Prof. Ritu Tiwari, Dr. Chandrakant Guled, Dr. Bhupendra Singh, Dr. Rahul Dixit, and Dr. Anagha Khiste supervised the events.

- f) **National Youth Day:** National Youth Day was observed on 12th January, 2021 by organizing a motivational lecture online for faculties and students on the theme entitled: “The Message of Vivekananda to Youth”. Webinar focused on Swami Vivekananda’s great journey; his work towards the Nation and society; and his message to the youth to be a good citizen of India.

Prof. Varadraj Bapat, Professor, Finance and Accounts, IIT Bombay was the speaker for the event. Dr. Chandrakant Guled, Assistant Professor, IIIT Pune was the event coordinator.

- g) **Parakram Diwas:** Parakram Diwas was celebrated on 23rd January, 2021 by organizing a motivational lecture online for faculty and students on the theme entitled: “Dedicated to the Nation: Netaji Subhash Chandra Bose”. Webinar focused on Netaji's historical journey, his work for the Nation and society and learnings from Netaji as a student. Shri. Shrikant Joshi, History Convener, Demos Humanities & Research Foundation, Pune was the speaker for the event. Dr. Chandrakant Guled, Assistant Professor, IIIT Pune was the event coordinator.
- h) **International Mother Tongue Day:** International Mother Tongue Day was observed on 21st February, 2021. The institute organized a motivational lecture online for faculties and students on the theme entitled: “Mother Tongue & Culture”. Dr. Prashant Sathe, Professor, BMCC College, Pune was the speaker for the event. Dr. Chandrakant Guled, Assistant Professor, IIIT Pune was the event coordinator. On February 22nd, 2021, a Poetry Competition was organized to celebrate International Mother Tongue Day. Prof. Om Vikas, Ex-Director ABV-IIITM was the chief guest on the second day of International Mother Tongue Day celebrations. Prof. Om Vikas, talked on the importance of meditation, how students can contribute to nation building. A poetry competition was held. Top 20 poems were selected and among those, top 3 poems were awarded.
- i) **International Women’s Day:** Institute celebrated International Women's Day on 8th March, 2021 by organizing an online motivational lecture on the theme entitled: “Awakened Women's Power”. Women’s empowerment is the most crucial for the overall development of a country. Mrs. Bageshree Manthalkar of Surajya Sawarngin Vikas Prkalp, Pune was the speaker for the event. Dr. Chandrakant Guled, Assistant Professor, IIIT Pune and Ms. Yasoda Bhargava, were the event coordinators.
- j) **Help Extended by Faculty and Staff:** Besides above faculty and staff contributed amongst themselves to bring relief to poor people affected due to COVID-19 lockdown. Jobs were arranged for Migrant and Local labourers were given safe shelters and jobs were arranged for them at construction site in IIIT, Pune’s new site at Nanoli, Pune.

Faculty and staff members actively donated food packets to the poor in the underprivileged areas and needy in the ongoing pandemic. They are also educating the public on how to effectively prevent the spread of the virus.

Staff and faculty members of the institute donated two days' salary. Rs.1,51,051/- was collected and donated to PM Cares fund to fight against COVID-19.

9. Student Activities

a) Placement

IIIT, Pune completed the campus placements of Graduate Programme 2020-21 and the Post Graduate Programme with 100% selections till now.

Despite the economic slowdown in the wake of the COVID-19 crisis, Institute started the placement season for 2020-21 batch on a strong note. Google and Nutanix offered the highest compensation of (Rs. 36 lakh and 32 lakh). Other top salary offering companies were, Service Now (Rs 25 lakh) , Go-Jek (Rs. 22 LPA) , Reliance Jio (Rs. 15 lakh), National Instruments (Rs. 13.5 lakh), ZS Associates (12 LPA), Publicis Sapient (10 LPA) and many more.

More than 50+ recruiters participated including Google, Nutanix, Amazon, Intuit, BuyHatke, ZS Associates, National Instruments, FinIQ, Service Now, o9 Solutions, Capgemini, Persistent Systems, Reliance Jio, LTI, Rakuten, Codenation, Xebia, TCS Digital, UBS, RtCamp, Paypal, upGrad, Virtusa, O9 Solutions, Juspay. The key highlight of the current placement season was the participation of a major international recruiter like Rakuten Mobile with an annual package of 40 LPA.

The Career Development and Corporate Relations Centre (CDCRC) of IIIT Pune hosted a webinar series for the students to help them in their career choices. Summary of Webinars are as follows:

- **Industry oriented approach to learning:** Held on 21st May, 2020 this webinar marked the beginning of the first webinar series by CDCRC, IIIT Pune. Mr. Navin Williams was the invited speaker for this webinar.

Navigating Placements post Covid: The second webinar of this series was held on 22nd May and the invited speaker was Joshua David MD, Manager APAC at Hexaware. He is a skilled HR professional with broad experience in aspects of Talent Acquisition like - Recruitment (Lateral and University hiring), including front line hiring and vendor management.

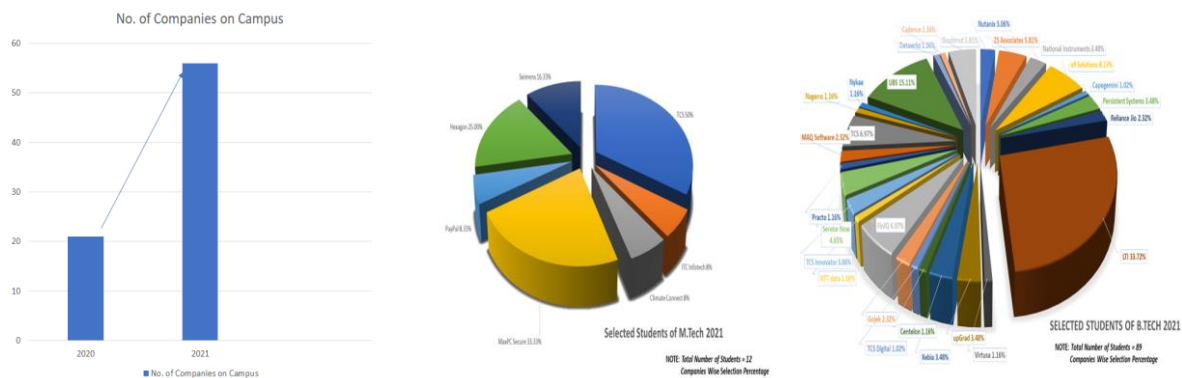

- **Employability skills:** The third webinar of this series was held on 23rd May with one of the experts of her field, Mr. Mandeep Bagchi. He is working with Tata Consultancy Services Ltd as a Campus Lead, Talent Acquisition Group.

Industry in post lockdown: Held on 24th May, this webinar was about how the IT industry is coping up with the challenges posed by lockdown. The invited speaker, Prof. Om Prakash Shukla is the Principal at National Defence Academy.

- **Cyber security:** The fifth webinar of this series, held on 25th May was led by Mr. Aditya Vats. It was about the most trending domain in the IT industry, Cyber security.
- **Recent technology Trends:** The sixth webinar was hosted on the Recent technology trends with the IT experts at Persistent on 26th May.
- **HR practices during pandemic:** The seventh webinar of this series was presented by Archana Chintagunta, the lead HR at Recode solutions on 27th May, informing the attendees of the latest trends and recent changes in the HR Practices during COVID and what factors affect the most crucial stage of an interview.
- **Preparation of Placements during Covid:** Held on 29th May, this webinar was about how the students should focus on the placement preparation and cope up with the challenges posed by lockdown. The invited speaker, Mr. Swarnendu Halder the Lead- Talent Acquisition at Flock.
- **Entrepreneurship avenues for the future:** The ninth and the last webinar of this series was presented by Mr. Umang Shukla on 30th May, informing the attendees of the latest trends in the start-up culture and what factors affect or govern the growth or decline of these start-ups.
- **Cloud Introduction:** Held on 23rd November, 2020 this webinar marked the beginning of the second webinar series by CDCRC, IIIT Pune. Mr. Tarun Kansal was the invited speaker for this webinar.
- **Placement Strategies:** The second webinar of this series was held on 24th November and the invited speaker was Shreya Sahu. She is a graduate from IIIT Gwalior from where she received her dual master's degree in computer science.
- **Higher Education Opportunities in Germany & ECE Flyer:** The third webinar of this series was held on 25th November with one of the experts of her field, Niketa Dedhia. She is the Founder and Principal Consultant at the Exponent Consultancy Services (ECS), USA.
- **Machine Learning and Artificial Intelligence:** Held on 26th November, this webinar was about two of the most trending domains of today's IT industry. The invited speaker, Mr. Pranav Sharma is a senior data scientist with more than fifteen years of experience in IT and is currently working with Warner Media.
- **How to prepare for a job:** The fifth webinar of this series, held on 30th November was led by Mr. Vaibhav Jain. It was about the preparations one is required to do to get ready for a job hunt while still being in college.

- **Digital India & 5G Researches:** The first day of the last month of 2020 hosted a webinar on Digital India and 5G Research with the very reputed Dr. B M Baweja.
- **Start Up Culture:** The seventh and the last webinar of this series was presented by Mr. Rajeev Shukla on 6th December, informing the attendees of the latest trends in the start-up culture and what factors affect or govern the growth or decline of these start-ups.

The bar graph and Pie charts shows the increase in the companies who visited this year in comparison to previous year

b) Student Training Programme(STP)

The Student training programme was organized by Chhattisgarh Swami Vivekanand Technical University (CSVTU) Bhilai in association with IIIT Pune under the third phase of Technical Education Quality Improvement Programme (TEQIP-III) during 14th September – 30th October 2020 and 4th March- 29th March 2021. The following courses were conducted in two STP series:

- **First Series:** Machine Learning, Database Management System, Android Application Development Programming, Python Programing, Java Programing, Theory of Computation, Information Retrieval, VLSI Design, Internet of Things, Advanced Database Management System, Robotics and control, Deep Learning, Foundations of Artificial Intelligence,
- **Second Series:** Big Data Analytics, Swarm Intelligence, Advance Wireless Communication, Digital System Design, IoT Security, Soft Computing with MATLAB (MATrix LABoratory) Environment, Deep Learning, Cloud Architecture and Computing, The faculty members of IIIT, Pune were the resource speakers for the programme. Around 276 participants, including faculties, PG students and Research scholars. The programme was coordinated by Dr. Rahul Dixit, and Dr. Sandeep Mishra, Assistant Professors, IIIT Pune.

c) Activities at Innovation & Incubation Cell (IIC)

Institute organized a 5 hours hands-on session for the students on Applied Machine Learning with Python scheduled on 24th Oct 2020. Prototype submission from students on themes such

IoT based technologies (e.g. Security & Surveillance systems, ICT, cyber-physical systems, Blockchain, Cognitive computing, Cloud computing, AI & ML etc. For the implementation of NISP 2019, following was done: Formation of Innovation and Incubation Cell and registration of the same at MoE Innovation Cell (MIC) portal, Formation of E-Cell and I-Cell, Faculty nomination by IIIT Pune for NISP implementation, Creation of Section-8 company at Institute level.

d) Ideathon 2k21

IDEATHON was the first-ever flagship event hosted by the Entrepreneurship Cell of the institute, from 7th to 21st February 2021. IDEATHON provided a platform for students across the globe to showcase their ideas and get them evaluated by an experienced jury. The submissions of the first round were deeply evaluated by the jury members which consisted of, Mr. Pranveer Sengar, Director, IT FM Logistics, Pune, Dr. Bhupendra Singh, Assistant Professor, IIIT Pune, and Ms. Yesoda Bhargava, Teaching Assistant, IIIT Pune

500 applicants from over 130 colleges (including 30+ IITs, NITs and IIITs) in over 150 cities across 4 countries (viz. India, Malaysia, Nepal and Indonesia) participated. Since the theme was open, the ideas ranged over various domains including a vaccine storage container, automatic cereal dispenser, online platform to educate about several diseases, and others.

e) Startup

Umang Kalra, Final Year CSE student and his team has founded a startup in December 2020, which developed aerial robotics and automation and IoT systems in various disciplines. It has been incubated at Sher-e-Kashmir University of Agricultural Sciences and Technology (SKUAST), Jammu and will be sponsored by the Government of India under Remunerative Approaches for Agriculture and Allied Sectors Rejuvenation (RAFTAAR) scheme.

f) Silk Route Quiz

The Entrepreneurship Cell of the institute hosted the Silk Route Quiz, an entrepreneurship-based quiz, from 19th to 21th March 2021 on Dare2Compete. The event was organized to spread awareness among students about the basics of finance and startups. Dr. Chandrakant Guled, Assistant Professor, IIIT Pune was the Faculty Coordinator. 400 students from more than 170 colleges and organizations across the country participated. Also, the quiz page on Dare2Compete had over 95000 views which was a huge success. Akash Verma (IIM Shillong) won the first prize and a cash reward of ₹ 7000. Aditya Singh and Sharat Chandar won the second and third prize with cash rewards of ₹ 5000 and ₹ 3000 respectively.

g) InfInITy 2k20

It is the institute's flagship coding contest hosted every year on CodeChef. A three-hour coding session with ACM style scoring. InfInITy started in 2017. The recent edition of the event (A Rated Contest) was held on 4th Nov 2020 with 2229 international participants and 12000+ submissions. Students from some of the renowned Universities of the world participated. The event catered challenging algorithmic and logical programming problems for the users to solve in a limited time of 2.5 hrs and battle for the prize pool of INR 15,000.

Number of Participants: 2229, Event Admin: Darshan Lokhande, Problem Setters and testers: Abhishek Jugdar, Yashodhan Agnihotri, Nishit Sharma, Aman Singhal, Prerit Jha, Web Development Team: Rohan Lekhwani, Jayesh Bhole, Rakshit Jain, Mukhrit Gupta

h) 75th Anniversary of Independence

EBSB Club of IIIT Pune in association with EBSB Club of IIIT Trichy organized two online expert lectures on 12th March,, 2021. More than 130 students and teachers from IIIT Pune and IIIT Trichy attended the event online. The speaker invited by IIIT Trichy was Prof. R. Gururaj, Associate Professor, Department of Humanities and Social Sciences, NIT Trichy who delivered a lecture on the theme entitled: “Unity of Purpose”. Mr. Shirish Shridhar Apte, Career Counsellor, Pune was another speaker, who spoke on the theme entitled: “United We Stand & Divided We Fall”. Dr. Chandrakant Guled, Assistant Professor, IIIT Pune and Dr. Bhupendra Singh, Assistant Professors of IIIT Pune were the event coordinators.

i) Ek Bharat Shreshtha Bharat (EBSB):

EBSB Club organized program on “Ek Bharat Shreshtha Bharat (EBSB)” on 27th May 2020 online. Students learnt sentences used in day to day conversations in the Tamil language

(Paired State Language), a Tamil conversational act was presented and later explained in English.

j) **400th Prakash Purab Samaroh**

EBSB Club in association with EBSB Club of IIIT Trichy organized an online essay writing competition on 31th March 2021 on the Biography of Shri Guru Tegh Bahadur Ji. Top three essays won cash reward of ₹ 1,500, ₹ 1,000 and ₹ 700 respectively. More than 53 students and teachers from IIIT Pune and IIIT Trichy attended the event online. Dr. Chandrakant Guled and Dr. Bhupendra Singh, Assistant Professors of IIIT Pune were the event coordinators.

k) **Other Events organized by the Students**

The following events were organized by the students:

- **Code Chronicles 1.0:** IIIT Pune's **BiT Legion**, along with IIIT Bhopal's **Codame**, organized **Code Chronicles 1.0**, event organised by 2 IIIT's in collaboration with each other on 19th June, 2020.
- **Project Sahara** (Virtual COVID Fundraising Event), Amount Raised - Rs 38,100) website - <https://projectsahara2020.github.io/>
- Online Fundraising Campaign organized by the student's body of IIIT Pune, during the Covid-19 pandemic in the Month of April and May 2020. Online events, quizzes and games were organized for the same and the registration amount collected was transferred to the PM Cares Fund. Various webinars were also organized during this period that included talks of doctors and NGO's.

10. Central Facilities

a) Laboratories

S. No.	Name of Laboratory	Software/Hardware/ Equipment
1	Electronics Laboratory	3 MHz multi waveform signal generator with modulation, make-aplab, model- msgm3m, 30 MHz digital readout oscilloscope with component tester, digital multimeters 3 1/2 digit 1999 count lcd 17mm large LCD, make- meco, model-603, power supply-30V,2A dual power supply with automatic overload protection, transistor application trainer(tat).
2	Communication Technology Laboratory	Bench Function Genrator-1022,DSO-RIGOL - S1104, Proqrammable Power supply – RIGOL - DP32, Spectrum Analyaser - RIGOL- DSA815, Sintech digital Multimeter-61, Soldring stand, MCB, Monitor LG, DSB-SC Amplitude modulation and demodulation trainer modal-COM102N, DSB-SCAmplitude Modulation and Demodulation Trainer Modal-COM101N, SSB-SC Amplitude Modulation and Demodulation Trainer Filter Method Modal-COM103NF, SSB-SC Amplitude Modulation and Demodulation Trainer Phase Shift Method Modal-COM103NF, Frequency Modulation and demodulation using reactance modulator Modal-COM104VP2, Phase Modulation and Demod Trainer Modal-COM129, Frequency Division Mux and Demux system Modal-COM128, Time Division Mux and Demux system Modal-COM109, Quadrature Amplitude Modulation (QAM) Trainer Modal-QAM100, Klystron Power Supply Digital MI-MCO1, Klystron Mount with Klystron Tube, Isolator, Variable Attenuator 20dB, Digital Frequency Meter, Detector Mount, Slotted Section with probe Carrier, Gunn Power Supply Digital MI-MC02, Magi Tee, E-plane Tee, H-plane Tee, VSWR Meter Digital MI-MC03 etc., Radiation Pattern Turn Table set up (Turn table gear box 360 degree, Wooden stand with vertical stand, band 2nos) and Pyramidal Horn Antenna.
3	Digital Electronics and Microprocessor laboratory	Basic Electrical and Electronics workbench in this workbench Function Generator-1022, DSO-RIGOL-DS1104, Power supply-RIGOL-DP32, Sintech digital Multimeter-61, Soldering stand, MCB, Monitor LG, Digital Design Trainer Kits, Microprocessor and microcontroller kits, Keil, and Proteus VSM, Logic Gate simulator.
4	VLSI Laboratory:	The Hardware Specification of Available computers are: Intel(R) i7-6700 cpu @3.40GHz, 64-bit operating system x64-Based processor, 1 TB Hard Disk, 8 GB RAM

- Equipment: Xilinx Virtex-Ii Pro Board, Xilinx Development Board With Microcontroller, ZYBO BOARD, Interface such as keypad, lcd etc
Software: Xilinx Ise Design Suite, Vivado System
- 5 Computer Lab-1 The Hardware Specification of Available computers
Intel(R) i7-6700 cpu @3.40GHz, 64-bit operating system ×64-Based processor, 1 TB Hard Disk, 8 GB RAM,
Software Specification: Postgre-SQL, PHP server (XAMP Server), MYSQL
Subject practice: Database Management Systems Lab, Software Project Work Lab
- 6 Computer Lab-2 The Hardware Specification of Available computers:
Intel(R) i7-6700 cpu @3.40GHz, 64-bit operating system ×64-Based processor, 1 TB Hard Disk, 8 GB RAM
Software Specification: Linux OS, MATLAB, Anaconda Navigator, R Studio, Android Studio, ArgoUML, UML Umbrello,
Subject practice: Project Lab, Software Engineering Lab, Object Oriented Techniques Lab
- 7 Computer Lab-3 The Hardware Specification of Available computers: Intel(R) i7-6700 cpu @3.40GHz, 64-bit operating system ×64-Based processor, 1 TB Hard Disk, 8 GB RAM
Software Specification: Anaconda Navigator, R Studio, Android Studio, Anaconda Navigator
Subject Practice: Artificial Intelligence Lab, Computer Network & Information Security Lab, Compiler and Automata Lab, Data Mining Lab
- 8 Computer Lab-4 The Hardware Specification of Available computers: Intel(R) i7-6700 cpu @3.40GHz, 64-bit operating system ×64-Based processor, 1 TB Hard Disk, 8 GB RAM, WiJungle - Unified Network Security Gateway firewall, Total 8 switches (24-ports), 100 Mbps line.
9. Electronics Laboratory Activities performed in the lab:
Design and test rectifiers, clipping circuits, clamping circuits and voltage regulators, Compute the parameters from the characteristics of JFET and MOSFET devices, Design, test and evaluate BJT in various configurations, Design and test JFET / MOSFET amplifiers, Design and test of power amplifier, Design and test of various types of oscillators.
Equipment:
3 MHz multi waveform signal generator with modulation, 30 MHz digital readout oscilloscope with component tester, High precision digital multimeters, Power supply- 30V, 2A dual power supply with automatic overload protection, Transistor application trainer

b) Library

Presently, as per the register, the Library has 3665 books (textbooks, reference books, competitive exams related books and others). With 403 titles in two branches of engineering i.e. Electronics & Communication Engineering, and Computer Science Engineering, at Undergraduate level.

Institute has also partnered with Coursera to provide free courses from top-rated institutes as a part of its COVID initiative. The subscription consists of various specializations & courses, all available free of cost for our students. The library is divided into different sections to facilitate proper utilization of available resources. Library has been automated with I-SLIM software and provides a good number of services like book search, reservation, renewal and account checking details through Web OPAC. All the available books and magazines are classified by DDC – 23rd edition, and enabled bar-coded circulation services. The library is making constant efforts to provide relevant resources to its users by using different technologies. Following is the list of subscriptions for online resources.

S. No.	Name of e-Resource	Access Details	URL Details
1.	World E-Book Library	Three million primary sources in more than 320 different languages. In	http://Community.WorldLibrary.In/?AffiliateKey=NDL-IA1779

- addition
contemporary
to journal
collection it
include
scholarly
journals and
academic
articles from
every
academic
field of study
2. South Asian Achieve Extensive resources across humanities and social science www.southasiaarchive.com
 3. British Council Digital Library 100,000 eBooks from trusted publishers in all academic subject areas along with powerful research tools. <https://library.britishcouncil.org.in/cgi-bin/koha/opac-user.pl>

11. List of Faculties and Administration

a) Administration

Sr. No.	Name	Designation
1.	Prof. Anupam Shukla	Director, IIIT Pune
2.	Prof. S. N. Sapali	Registrar, IIIT Pune
3.	Dr. Sandeep Mishra	Assistant Registrar, IIIT Pune
4.	Dr. Bhupendra Singh & Dr. Tanmoy Hazra	Admission In-charge (B.Tech.)
5.	Dr. Nagendra Kushwaha	Chief Warden

b) Right to Information

Sr. No.	Name	Designation
1.	Prof. Anupam Shukla	First Appellate Authority in terms of Section 19(1) of RTI Act of 2005
2.	Prof. S. N. Sapali	Central Public Information Officer

c) Faculties

1.	Dr. Ritu Tiwari Professor, CSE	Robotics, Artificial Intelligence, Soft Computing and Applications (Biometrics, Biomedical)	
2.	Dr. Tanmoy Hazra Assistant Professor, CSE	Game Theory, Machine Learning, Deep Learning	
3.	Dr. Sanjeev Sharma Assistant Professor, CSE	Deep Learning	
4.	Dr. Ranjith R. Nair Assistant Professor, ECE	Robotics, Cyber Physical System, IoT, Control Systems, Intelligent Control	
5.	Dr. Sandeep Mishra Assistant Professor, ECE	Low-power VLSI design, memory design, and mixed signal circuits.	
6.	Dr. Rahul Dixit Assistant Professor, CSE	Digital Image and Video Forensics, Multimedia Security and Image Processing	

7.	Dr. Bhupendra Singh Assistant Professor, CSE	Digital Forensics, Cyber Security, Natural Language Processing, Data Science	
8.	Dr. Apoorva Mishra Assistant Professor, CSE	Machine Learning, Nature inspired Algorithm	
9.	Dr. R. Bala Krishnan Assistant Professor, CSE	Text Steganography, Information Security, Network Security, Network Protocols, Android Applications, Machine Learning.	
10.	Dr. Nagendra Kushwaha Assistant Professor, ECE	Internet of Things, Wireless Communication, 5G, Antenna	
11.	Dr. Anagha Khiste Assistant Professor, Applied Science	Applied Mathematics, Optimization, Operation research	
12.	Dr. Darshan Medhane Assistant Professor, CSE	Artificial Intelligence, Machine Learning, Internet of Things, Cyber Security / Information Security, Computational Intelligence, Compiler Design and Automata Theory	
13.	Ms. Surbhi Agrawal Assistant Professor, CSE	Cloud Computing, Astrophysics, Storage Astronomy, Planets, Load Balancing Solar System, Exoplanets, Random Forest	
14.	Dr. Pankaj Sharma Assistant Professor, ECE	Nanoelectronics, Novel semiconductor materials based nanostructured device fabrication and characterizations. Electronic Circuit Design, Device Simulation and Modeling, Photovoltaics and Internet of Things	
15.	Dr. Chandrakant Guled Applied Science	Applied Mathematics, Computational dynamics, Optimization, Operation research	

12. Accounts

a) Analysis of Plan and Non-Plan Grants (2020-21)

Sr. No.	Particulars		Amount (In Lakhs)
(A)	Plan Grant		250.00
	Central Govt.	250.00	
	State Govt. of Maharashtra	Nil	
	Industry Partners	Nil	
(B)	Non Plan Grant		Nil
	Central Govt.	Nil	
	State Govt. of Maharashtra	Nil	
Total (A+B)			250.00

b) Source of Funds

Sr. No.	Particulars	Amount (In Lakhs)
(A)	Central Govt.	250.00
(B)	State Govt. of Maharashtra	Nil
(C)	Contribution from Industry Partners	Nil
(D)	Interest Income	145.07
(E)	Academic Receipts	1356.61
(F)	Other income	82.84
	Total	1534.52

c) Expenditure for last three years

Sr. No.	Year	Recurring Exp.	Non-Recurring Exp.	Total (in Lakh)
(A)	2018-19	234.39	221.01	455.4
(B)	2019-20	376.96	243.23	620.19
(C)	2020-21	495.98	100.42	596.40
