1. Introduction

1.1. Vision

To be a leading global Information Technology Institute that imparts an innovative education to produce proficient and ethical professionals and leaders, disseminating novel knowledge in Information Technology and allied disciplines to serve as a valuable resource for the society and world.

1.2. Mission

1. To provide academic excellence in Engineering and Technology by imparting quality as well as value-based education and foster a collaborative environment open to the free exchange of ideas, where research capabilities could be leveraged to address the challenges of the present scenario.
2. To develop competent and proficient youth imbued with the spirit of innovation and entrepreneurship with the social and environmental orientation further meeting the knowledge requisites and providing universal leadership in Information Technology and allied fields.
3. To promote the significance of ethics and integrity in technical education further fostering the learning with respect for individual human rights and an unyielding commitment to the principles of equal opportunity, equity, and justice.
4. To endorse application and research in Indian languages for technical education, further edifying Indian traditional knowledge in technical education.

2. Establishment of the Institute

Established in 2016-17 by an Act of Parliament, the Indian Institute of Information Technology (IIIT) Pune is an Institute of National Importance created by the MHRD, Government of India, in the Public Private Partnership (PPP) model. The initial outlay of the project was Rs.128 Crores, of which the three Stakeholders will bear 50%, 35%, and 15% of the share, viz., the Central Government, State Government (Maharashtra), and Industry Partners, respectively. The Institute was established in 2016.

3. Permanent Campus

The permanent campus of IIIT Pune will be established on approximately 100 acres of land identified in Naloni, Talegaon, Pune. EE CPWD Pune issued the work order on September 14, 2022, after which the work began from September 18, 2022 onwards. The campus consists of an academic block, 2 boys' hostel, 1 girls' hostel, staff housing, Director's residence and other service blocks. The academic area covers 12108 sqm and includes 10 classrooms that can accommodate 60 students, 8 classrooms that can accommodate 120 students, and 12 labs that can accommodate 60 students. It also includes a 300-seat auditorium, library, and conference hall. The construction of the academic area, two boys' hostels, each with a capacity of 345 students, is now 95% completed. Furthermore, the 179-seater girls' hostel is also 95% completed. The entire building is accessible and barrier-free for individuals with disabilities. The Director's Bungalow and Staff residential blocks are 70% completed.

Fig. 6: Construction of director's residence

4. Transit Campus

Sharing resources with Sai Sinhgad Business School, Ambegaon BK, Pune, Maharashtra- 411041, the rented campus of IIIT Pune operates within the Sinhgad Technical Education Society, Ambegaon campus. The resources, including the hostel, mess, and canteen, as well as the classrooms and laboratories, are shared with IIT Pune.

5. Board of Governors

The composition of the Board of Governors is as follows:

S.No.	Name	Designation
1.	Shri Vishad Mafatlal Padmanabh Mafatlal Group, Mumbai	Chairperson
2.	Mrs. Saumya Gupta Joint Secretary (Technical Education), Ministry of Education, Government of India, New Delhi	Member
3.	Dr. Vinod Mohitkar Director (Technical Education), Directorate of Technical Education, Maharashtra	Member
4.	Er. (Mrs.) B. Padma S. Rao Chief Scientist and Chair EIAARA division, CSIR NEERI, Nagpur	Member
5.	Shri. Pradeep Udhas KPMG India Chairman and CEO	Member
6.	Dr. Madhu Dikshit Former Director, CDRI, Lucknow	Member
7.	Prof. Sanjay G. Dhande Former Director, IIT Kanpur	Member
8.	Prof. Manoj Kumar Tiwari Director, NITIE, Mumbai	Member
9.	Shri. Ajay Gadiya Chief Operating Officer, MahalT, Mumbai	Member
10.	Prof. Prem Lal Patel Director, VNIT, Nagpur	Member
11.	Dr. Nagendra Kushwaha Assistant Professor, IIIT Pune	Member
12.	Dr. Sanjeev Sharma Assistant Professor, IIIT Pune	Member
13.	Prof. Rajesh Kumar Pateriya Professor, MANIT, Bhopal	Member
14.	Prof. Shireesh B. Kedare Director In-Charge, IIIT Pune	Member
15.	Dr. Mukesh Nandanwar Registrar In-Charge, IIIT Pune	Secretary

6. Senate

Subject to provisions of the Act, the Statutes, and the Ordinances, the Senate is the Principle Academic Body of the Institute. The Senate is responsible for the maintenance of standards of teaching, evaluation, research, and consultancy in the Institute. It has the responsibility to lay down policy guidelines and directions to further the academic growth and development of the Institute. The Director of IIIT Pune is the Ex-officio Chairman of the Senate, while the Registrar is the Member Secretary.

The composition of the Senate is as follows:

S.No.	Name	Designation
1.	Prof. Shireesh B. Kedare Director In-Charge, IIIT Pune	Chairperson
2.	Dr. Sanjeev Sharma Associate Dean, IIIT Pune	Member
3.	Dr. Bhupendra Singh HoD (CSE), IIIT Pune	Member
4.	Dr. Sushant Kumar HoD (ECE), IIIT Pune	Member
5.	Dr. Jatin Majithia HoD (AS&H), IIIT Pune	Member
6.	Prof. Somanath Tripathy Professor, IIT Patna	Member
7.	Prof. Umesh Ghanekar Professor, NIT Kurukshetra	Member
8.	Prof. Pushpa Trivedi Ex-Professor, IIT Mumbai	Member
9.	Prof. Ravi Prakash Tewari Professor, MNNIT Allahabad	Member
10.	Prof. Avinash G. Keskar Professor, VNIT Nagpur	Member
11.	Prof. Aparajita Ojha Professor, PDPM-IIITDM Jabalpur	Member
12.	Dr. Mukesh Nandanwar Registrar In-Charge, IIIT Pune	Secretary

7. Building and Works Committee

The composition of the Building and Works Committee is as follows:

S.No.	Name	Designation
1.	Prof. Shireesh B. Kedare Director In-Charge, IIIT Pune	Chairperson
2.	Prof. Deepankar Choudhary Professor, IIT Bombay	Member
3.	Dr. Dattatray V. Jadhav Joint Director, Technical Education, Regional office Pune	Member
4.	Shri. Ajay Gadiya Chief Operating Officer, MahaIT, Mumbai	Member
5.	Dr. Sanjeev Sharma Associate Dean, IIIT Pune	Member
6.	Prof. Sanjeev Singh Professor, SPA Bhopal	Member
7.	Prof. Krishna Kant Pathak Professor, IIT BHU	Member
8.	Dr. Mukesh Nandanwar Registrar In-Charge, IIIT Pune	Secretary

8. Governance

Prof. Shireesh B. Kedare is the Director In-Charge of IIIT Pune. Dr. Mukesh Nandanwar is the Registrar In-Charge of IIIT Pune. Since the inception of the Institute, the Government of India has been providing a Plan Grant for the development of the Institute. Plan Grant is mainly released for construction of campus, hostel buildings, and construction of other buildings, purchase of new equipment, as for purchase of furniture for the Institute as well as hostels.

9. Finance

a) Analysis of Plan and Non-Plan Grants

Sr. No.	Particulars		Amount (In Lakhs)
(A)	Plan Grant		152.000
	Central Govt.	152.000	
	State Govt. of Maharashtra	-	
	Industry Partners	-	
(B)	Non Plan Grant		-
	Central Govt.	-	
	State Govt. of Maharashtra	-	
Total (A+B)			152.000

b) Source of Funds

Sr. No.	Particulars	Amount (In Lakhs)
(A)	Central Govt.	152.000
(B)	State Govt. of Maharashtra	-
(C)	Contribution from Industry Partners	-
(D)	Interest Income	439.713
(E)	Academic Receipts	3,874.812
(F)	Other income	5.106
Total		4,471.631

c) Expenditure for last three years

Sr. No.	Year	Recurring Exp.	Non-Recurring Exp.	Total (in Lakh)
(A)	2022-23	1,148.520	666.590	1,815.110
(B)	2023-24	1,455.930	1,707.800	3,163.730
(C)	2024-25	1,403.997	228.303	1,632.300

10. Programmes Offered

IIIT Pune is committed to providing the best-in-class technical education in the country. The Institute facilitates knowledge transfer while keeping up with the latest pedagogical developments. The Institute offers four-year undergraduate Bachelor of Technology (B.Tech.), two-year postgraduate Master of Technology (M.Tech.), and Doctor of Philosophy (Ph.D.) programmes.

IIIT Pune offers B.Tech. and M.Tech. in the following departments:

- a) Electronics and Communication Engineering (ECE)
- b) Computer Science and Engineering (CSE)

The Institute has also started the ‘Honors’ degree from 2020, with attending batches in both the branches viz. Computer Science and Engineering and Electronics and Communication Engineering [B.Tech (Hons) in CSE/ECE]. The purpose is to provide the students with deeper training in core subjects, which will help them in higher studies, internships, and placements.

The admissions for B.Tech in the Institute are carried out by the Central Seat Allocation Board (CSAB) by the Joint Seat Allocation Authority (JoSAA). Apart from JoSAA, the Institute has the provision of enrolling B.Tech students through the Direct Admission of Students Abroad (DASA). Its current intake capacity through DASA is 34. The admissions for M.Tech in the Institute are carried out by Centralized Counselling for M.Tech. The number of students admitted into B. Tech and M.Tech in 2023-24 are listed below:

S No.	Programme and Specialization	Intake	Boys	Girls	Total
1.	B.Tech (CSE)	257	196	43	239
2.	B.Tech (ECE)	88	61	11	72
3.	M.Tech (CSE)	36	15	6	21
4.	M.Tech (ECE)	22	2	1	3

The Ph.D. programme is aimed at assisting students in acquiring proficiency in their chosen area of research. The academic programme leading to the Ph.D. degree was started in the 2018-19 session. The Institute also encourages research in interdisciplinary areas through a system of joint supervision and inter-departmental group activities.

Research activities in IIIT Pune are carried out under the ambit of academic departments:

1. Department of Electronics and Communication Engineering (ECE)
2. Department of Computer and Science Engineering (CSE)
3. Department of Applied Mathematics and Data Sciences (AMDS)*
4. Department of Humanities and Social Sciences (HSS)*
5. Department of Management*

*** In September 2024, the Department of Applied Mathematics and Data Science, the Department of Humanities and Social Sciences, and the Department of Management were clubbed together as a single department named the Department of Applied Science and Humanities.**

To develop new knowledge in all aspects of teaching and research, IIIT Pune invites applications from eligible Indian nationals for admission to the Ph.D. program of the Institute. IIIT Pune plans to develop world-class research facilities in the areas of Software Engineering, Mobile Computing, Information Security, IoT, Robotics, Machine Learning, Speech and Image Processing, Medical Informatics, cyber-physical systems, Wireless Networks, VLSI Design, and Nanotechnology.

Students are admitted to the Ph.D. program at IIIT Pune in July and December since 2022 through an open advertisement and selection process (written test followed by interview). The number of students enrolled in Ph.D. during 2024-25 is:

S. No.	Department	July 2024 Session	December 2024 Session	Total
1.	CSE	9	6	15
2.	ECE	2	3	5
3.	HSS	0	0	0
4.	AMDS	0	0	0
5.	Management	0	0	0

11. Curriculum

IIIT Pune is actively working on revamping its Undergraduate (UG) and Post-Graduate (PG) curriculum to meet future IT requirements. Apart from academics, the Institute provides a comprehensive environment that promotes art, culture, sports, societal contributions, and self-governance. The students participate in ongoing research and technology development, and as a result, a vibrant programme exists to fulfill the needs of society.

The B.Tech. and M.Tech. the curriculum has the following components:

1. Programme Core Courses
2. Programme Elective courses
3. Open Elective courses
4. Self-Study / Online Courses
5. Internship
6. Project Work

Relative grading is used to assess the performance of the students.

12. Conduction of Classes

The Classes are conducted in its transit campus inside Sai Sinhgad Business School, Ambegaon BK, Pune, Maharashtra-411041, sharing the resources such as hostels, classrooms, laboratories, playgrounds, among others.

The list of faculty members for the 2024-25 session is as follows:

S. No	Department	Name of the Employee	Designation
1	CSE	Dr.Ritu Tiwari (On Lien)	Professor
2	CSE	Dr. Sanjeev Kumar Sharma	Assistant Professor, Grade-I
3	CSE	Dr. Bhupendra Singh	Assistant Professor, Grade-I
4	ECE	Dr. Nagendra Kushwaha	Assistant Professor, Grade-I
5	ECE	Dr. Sushant Kumar	Assistant Professor, Grade-I
6	AS&H	Dr. Jatin Majithia	Assistant Professor, Grade-I
7	ECE	Dr.Shubham Shukla	Assistant Professor, Grade-I
8	AS&H	Dr. Chandrakant Narayan Guled	Assistant Professor, Grade-II
9	AS&H	Dr. Anagha Khiste	Assistant Professor, Grade-II
10	CSE	Dr. Amruta Lipare (Resigned)	Assistant Professor, Grade-II
11	CSE	Dr. Shrikant Salve	Assistant Professor, Grade-II
12	CSE	Dr. Mahendra P Yadav	Assistant Professor, Grade-II
13	CSE	Dr. Sonam Maurya	Assistant Professor, Grade-II

14	CSE	Dr. Meenakshi Choudhary	Assistant Professor, Grade-II
15	CSE	Dr. Priyank Jain	Assistant Professor, Grade-II
16	AS&H	Dr. Vagisha Mishra	Assistant Professor, Grade-II
17	CSE	Dr.Kaptan Singh	Assistant Professor, Grade-II
18	CSE	Dr.Sumit Gupta	Assistant Professor, Grade-II
19	ECE	Dr. Divya Chaturvedi	Assistant Professor, Grade-II
20	CSE	Dr.Mahesh Joshi	Assistant Professor, Grade-II
21	ECE	Dr.Dheeraj Dubey	Assistant Professor, Grade-II
22	ECE	Dr. Dipen Bepari	Assistant Professor, Grade-II
23	CSE	Dr. Shivangi Shukla	Assistant Professor, Grade-II
24	CSE	Dr.Habila Basumatary	Assistant Professor, Grade-II
25	CSE	Dr. Sanga Chaki	Assistant Professor, Grade-II
26	CSE	Ms. Anupama Arun	Adjunct Assistant Professor
27	ECE	Dr. Pradeepkumar Bhale (Resigned)	Adjunct Assistant Professor
28	ECE	Dr. Pugal Priya (Contract Over)	Adjunct Assistant Professor
29	ECE	Dr. Prateek (Resigned)	Adjunct Assistant Professor
30	AS&H	Dr. Anshikha Adhikari (Contract Over)	Adjunct Assistant Professor
31	CSE	Ms. Anupriya	Adjunct Assistant Professor
32	AS&H	Dr. Sakshi Semwal	Adjunct Assistant Professor
33	ECE	Dr. Akhlaqur Rehman	Adjunct Assistant Professor
34	CSE	Dr. Priyanka Joshi	Adjunct Assistant Professor
35	CSE	Dr. Mayank Lovanshi	Adjunct Assistant Professor
36	CSE	Ms. Shamal Kashid	Adjunct Assistant Professor

13. Research and Development

IIIT Pune has established research centers in the following identified areas:

1. Centre for Robotics and Security in IoT Space
2. Centre for VLSI and Nanotechnology
3. Centre for Indian Languages and Computational Intelligence

The faculty members of IIIT Pune are associated with various research centers for multidisciplinary research. Different activities have been started by the research centers, including conducting Faculty Development Programmes (FDPs) and Short-Term Training Programmes (STP), as well as collaborative research, among others.

13.1 Peer-Reviewed Journal Publications

1. Om G, Saketh Ram Billa, Vishal Malik, Eslavath Bharath, and **Sanjeev Sharma**, “Grapevine fruits disease detection using different deep learning models”, Multimedia Tools and Application, Springer 2024.
2. **Dr.Pugal Priya**, Dr.Sivarani T S, and Dr. Gnana Saravanan, 2024, “An improved Tasmanian Devil optimization algorithm based efficientNet in convolutional Neural Network for diabetic retinopathy classification”, Iran Journal of Computer Science, Springer, 2024.
3. **Shivangi Shukla**, and Sankita J. Patel, “A design of provably secure multi-factor ECC-based authentication protocol in multi-server cloud architecture”, Cluster Computing, Springer, 2024.
4. **Sanjeev Sharma**, and **Mahendra P. Yadav**, “A Collective Approach to Reach Known and Unknown Targets in Multi Agent Environment using Nature Inspired Algorithms”, Cluster Computing, Springer, 2024.
5. Padmini, Jagadish V. Tawade, **Chandrakant Guled**, and Jayashri Sanamani, “Homotopy Analysis Method (HAM) for an analysis of unsteady MHD Thin Film Nanofluid Flow over a Moving Flat Surface”, IJISAE, 2024.
6. **Sanga Chaki**, Sourangshu Bhattacharya, Junmoni Borgohain, Priyadarshi Patnaik, Raju Mullick, and Gouri Karambelkar, “A Comparative Data-driven Study of Intensity-based Categorical Emotion Representations for MER”, IEEE Transactions on Affective Computing, IEEE, 2024
7. T. S. Reddy, R. Arya and **Prateek**, “Compensation of coordinated attacks in underwater internet of sensor networks”, IEEE Transactions on Consumer Electronics, IEEE, 2024
8. **Dheeraj Dubey**, Yogendra Kumar Prajapati, and Rajeev Tripathi, “Optimization of LDPC-coded power series MIMO/FSO link with hybrid-SIM based on machine learning in satellite downlink for 5G and beyond applications”, Telecommunication System, Springer, 2024.
9. Padma P. Nimbhore, **Ritu Tiwari**, Tanmoy Hazra, and **Mahendra Yadav**, “Classification of Cotton Crop Disease using Hybrid Model and MDPC feature extraction method”, Journal of Phytopathology, Wiley, 2024.

13. Anjali Malviya, Rahul Dixit, Anupam Shukla and **Nagendra Kushwaha**, “A Novel Approach to Detection of COVID-19 and Other Respiratory Diseases Using Autoencoder and LSTM”, Springer, 2024.
14. Buela Pramodini, Laxmi Darasi, Goutam Rana, and **Divya Chaturvedi** and Arvind Kumar, “Optimized Compact MIMO Antenna Design: HMSIW-Based and Cavity-Backed for Enhanced Bandwidth”, IEEE Access, 2024.
15. MVL Bhavani, **Divya Chaturvedi**, Tiruganesh Lanka, and Arvind Kumar, “Development of a QMSIW Antenna Sensor for Tumor Detection Utilizing a Hemispherical Multi-layered Dielectric Breast-Shaped Phantom”, IEEE Sensor

- Journal, 2024.
16. Prakash Jadhav, Ayman A. Althuwayb, and **Divya Chaturvedi**, “A Compact 2-Port QMSIW Cavity-Backed MIMO Antenna with Varied Frequencies using CSRR-Slot Angles for WBAN Application”, IEEE Access, 2024.
 17. Khushboo A Patel, **Shivangi Shukla**, and Sankita J. Patel, “A novel and provably secure mutual authentication protocol for cloud environment using elliptic curve cryptography and fuzzy verifier”, Concurrency and Computation Practice and Experience, Wiley, 2025.
 18. **Habila Basumatary**, Manas Khatua, and Shabari Nath, “False Data Injection Attack Detection in EV Charging Network using NARX Neural Network”, IEEE Transactions on Transportation Electrification, IEEE, 2025.
 19. Soumen Mondal, Santosh Kumar Choudhary, Ujjwal Biswas, Aradhana Misra and **Dipen Bepari**, “Outage analysis of a content-based user pairing in NOMA”, International Journal of Electronics Letters, Taylor & Francis, 2025

13.2 Conference Publications

1. Perna Rawat, Tanmoy Hazra, and **Bhupendra Singh**, “Automated Road Extraction from High-Resolution Satellite Images to Enhance Transportation System Using Deep Learning Method”, International Conference on Innovative Discoveries and Emerging Advancements in Applied Sciences (iDEAAS-2024), 2024.
2. Mahak Saxena, **Kaptan Singh**, and Amit Saxena, “Modified Parametric Optimization Color Image Security Algorithm Using Latin Square Encryption Approach”, IEEE International Students' Conference on Electrical, Electronics and Computer Science (SCEECS), 2024.
3. Rupesh Kumar, Amit Saxena, and **Kaptan Singh**, “Stock Market Closing Cost Prediction using Neural Network via Moving Average Features”, 2nd International Conference on Advancement in Computation & Computer Technologies (InCACCT), 2024.
4. Kartik Choudhary, **Kaptan Singh**, and Amit Saxena, “A Cascaded Dynamic Attention-Based Deep Learning Model Segments Brain Tumors”, International Conference on Current Trends in Advanced Computing (ICCTAC), 2024.
5. Archita Bhattacharyya, **Habila Basumatary**, and Mrinal Kanti Deb Barma, “A Review on Next-Generation Wireless Health Monitoring System: Privacy and Protection”, 3rd International Conference on Machine Learning and Data Engineering, 2024.
6. **Divya Chaturvedi**, Tiru Ganesh, Arvind Kumar, and MVL Bhavani, “Design of Meta Surface Based Monopole Antenna Sensor for Breast Cancer Detection”, IEEE Microwaves, Antennas, and Propagation Conference (MAPCON), 2024.
7. **Divya Chaturvedi**, Arvind Kumar, and MVL Bhavani, “A QMSIW-Based Antenna Sensor for Breast Tumor Detection”, IEEE Microwaves, Antennas, and Propagation Conference (MAPCON), 2024.
8. **Shivangi Shukla**, and Sankita J. Patel, “A Novel Pairing-Free ECC-Based Ciphertext-Policy Attribute-Based Proxy Re-Encryption for Secure Cloud Storage”, 11th International Conference on Information Systems Security and Privacy, 2025.

13.3 Research Projects

1. Ministry of Electronics & Information Technology, Govt. of India funded project titled
“Power and Space Optimization in Internet of Things (IoT) System-on-Chip (SoC)”
 - Principal Investigator: Dr. Nagendra Kushwaha
 - Grant amount: 81.5 Lakhs
 - Duration: 5 years

13.4 Patents Granted

1. Priyank Jain et al., “ System and Method of Detecting and Regulating Parameters in a Greenhouse Environment”, Indian Innovation Patent, 2025.

14. Placements

IIIT Pune's Career Development & Corporate Relations Centre (CDCRC) plays a vital role in guiding students toward successful careers. The CDCRC provides the knowledge, skills, and aptitude necessary to meet industry demands. The institute has achieved remarkable success in this area, with numerous companies visiting for campus placements in the current academic year.

The highest package offered to students this year is 48 lakh per annum, while the average package is 17.12 lakh per annum. IIIT Pune consistently improves its placement records, securing placements for its students in top brands each year. Notable companies that have offered high salaries include Wayfair (48 lakh), Nvidia (45 lakh), Autodesk (33.5 lakh), Commvault (32 lakh), Fischer Jordan (23.25 lakh), Walmart (22.6 lakh), Yugabyte (21 lakh), CRED (20 lakh), Onsurity Tech (16.35 lakh) and Nomura Holdings (KakushIn8.0) (13.66 lakh) among others. Among the eligible final-year B.Tech students, 37.16% CSE students and 35.48% ECE students have secured placement in the current academic session, whereas among the eligible final-year M.Tech students, 63.64% CSE students have secured placement in the current academic session. In addition, 89 B.Tech students and 8 M.Tech students have received 6-12 months internship offers through campus placement. The highest internship offered was 1 Lakh per month.

IIIT Pune has experienced overall growth in terms of both placements and internships. Companies from various sectors, including Networking & Telecommunication, product-based, IT Services & Consultancies, E-Commerce, and Financial Services, visited the campus. Prominent companies such as Wayfair, Nvidia, Autodesk, Commvault, and Fischer Jordan have already visited and offered jobs to students.

Details of placement

	Actual no. of students currently studying in final year	Total No. of Students registered for placement	No. of students with min. 6 CGPA after VI sem result (as of 7 Aug 2024)	No. of internships (6/12 months) provided through campus	Highest stipend	Lowest stipend	No. of final placements provided through campus	Average Package	Highest Package	% of Placed Students only on campus (with registration)
BTech (CSE) - 2025 batch	167	162	148	76	100000	20000	55	17.12 LPA	45 LPA	37.16
BTech (ECE) - 2025 batch	36	35	31	13	100000	15000	11	15.18	28.99 LPA	35.48
MTech (CSE) - 2025 batch	13	11	11	8	55000	25000	7	18.5	22 LPA	63.64
MTech (ECE) - 2025 batch	NA	NA	NA	NA	NA	NA	NA	NA	NA	NA
Total	216	208	190	97			77			

A consistent growth can be seen in terms of placements regarding the highest package as well as in the average package offered to the students of IIT Pune in the last three years. All the figures displayed in the graphs are in **Lakh Per Annum** and are subject to change due to the ongoing placement.

15. Webinars, Invited Talks, and Conferences

1. Dr. Bhupendra Singh delivered an expert lecture on “File System Analysis: Forensics & Anti-Forensics Approaches” in 15-days Workshop on Ethical Hacking & Digital Forensics Organized by Department of Computer Science Engineering, NIT Raipur on February 10, 2025.
2. Dr. Dheeraj Dubey delivered a guest lecture on “Free Space optics: Opportunities and Challenges” in a National Tech Webinar on February 27, 2025 organized by KL University (KLH: Deemed To Be University).
3. Dr. Bhupendra Singh served as the Technical Speaker for “Digital Forensics Module” in Cyber Commando Course organized by Defence Institute of Advanced Technology (DIAT), Pune on January 24-25, 2025.

Figure 7: Glimpses from Dr. Bhupendra Singh's talk at DIAT Pune

4. Dr. Bhupendra Singh delivered an invited talk on “Digital Forensics and Anti-Forensics” in Five-days Bootcamp on Ethical Hacking & Digital Forensics Organized by Department of Computer Science Engineering, NIT Raipur on June 13, 2024.
5. Dr. Bhupendra Singh gave an expert talk entitled “Use of AI in Cyber Security” in FDP on Security Trends in Artificial Intelligence organized by St. Peter's Engineering College, Hyderabad on July 5, 2024.
6. Dr. Jatin Majithia delivered a talk on “Application of Mathematics in Real life” in a webinar organized by Walchand college of Engineering Sangli on April 12, 2024.

16. Workshops, FDPs, STPs and MTPs

1. During the Hindi Pakhwada Celebration, Dr. Damodar Khadse was invited to deliver a lecture on September 17, 2024. Dr. Khadse has been the former Assistant General Manager and Head of Hindi Department. Dr. Damodar Khadse has been honoured with the Sahitya Akademi Award by the Government of India in 1983 for 'Bhatkte Columbus'.
2. Under the Nasha Mukta Bharat Abhiyan, an awareness lecture was delivered by Sh. Maneesh Kumar, IRS, Deputy Director General (South Western Region), Narcotics Control Bureau, Mumbai, on November 14, 2024. The session focused on raising awareness about substance abuse and reinforcing efforts towards achieving a drug-free India.

Figure 8: Glimpses from Sh. Maneesh Kumar's Expert Lecture

17. Co-Scholastic Activities

1. Under the **Nasha Mukti Bharat Abhiyan**, the Rang Club organized a Poster Making Competition on March 26, 2025. Participants created posters reflecting the theme of Nasha Mukti, promoting awareness about the harmful effects of substance abuse. Likewise, the Eclectic Club conducted a Slogan Writing Competition on March 27, 2025. In addition, the Abhinay Club organized a Mono Act Competition on March 28, 2025. Participants performed solo acts portraying the consequences of drug addiction and the significance of awareness in preventing substance abuse. Students crafted impactful slogans to highlight the importance of a drug-free society. The event was coordinated by Dr. Dheeraj Dubey from the Department of Electronics and Communication Engineering.

Figure 9: Glimpses from Nasha Mukti Abhiyan 25'

2. IIIT Pune gave a remarkable performance at the **Inter-IIIT Sports Meet 2025** held at IIITM Gwalior from March 20-23, 2025, where IIIT Pune secured a total of 11 medals (5 Gold, 3 Silver and 3 Bronze). IIIT Pune's 93-member contingent competed fiercely across multiple disciplines, ultimately securing a commendable 7th place finish overall, marking a historic milestone for the Institution. The football team led a spirited campaign, battling through a series of tough matches to secure a well-deserved second-place finish. Lawn tennis saw strong performances from both the boys' and girls' teams, with each clinching third place. In track and field events, IIIT Pune's athletes showcased sheer strength and precision, with Parth winning golds in shot put and javelin throw. The contingent also dominated the tug-of-war event, where the boys' team secured a gold medal after an intense final showdown. Powerlifting proved to be another major success for the institute, with Khush Meena claiming the gold medal, while Rahul Bhure secured bronze and Aman narrowly missed the podium, finishing fourth. In athletics, the 800m event saw a silver medal finish by Reyhan, and the Institute continued its winning streak in aquatics, with Atharv Patil securing gold and silver in the 50m event. The girls' kabaddi and basketball teams fought valiantly, both finishing in fourth place, while the Cricket team also secured an impressive fourth position after a series of hard-fought matches. The boys' basketball team delivered a strong performance as well, clinching fourth place. Badminton saw strong participation from both the boys' and girls' teams, with the girls finishing fourth and the boys reaching the quarterfinals. The shot put event for the girls saw commendable efforts, with finishes in both fourth and fifth place.

9. **The E-Summit 2024**, hosted by E-Cell, IIIT Pune, was successfully conducted from October 11-13, 2024. This event served as a dynamic platform for aspiring entrepreneurs, innovators, and business leaders to exchange ideas, gain industry insights, and explore new opportunities. The summit featured a diverse lineup of guest speakers, competitive events, startup showcases, and interactive networking sessions. A significant highlight was the "Startup Saga", where leading entrepreneurs pitched their companies and offered opportunities to students. The overwhelming participation from students, faculty, and industry professionals made this summit a landmark event in our college's journey toward fostering a strong startup ecosystem.
10. IIIT Pune organized a two-week **Hindi Pakhwada** event during Hindi Diwas to promote the Hindi language in the workplace. Under the Hindi Pakhwada Celebration, many events like Quiz Competition, Painting Competition, Extempore, Translation Competition, Poetry Competition, Essay Writing Competition, Antakshari, and Hindi Slogan Writing Competition, were organized during the Hindi Diwas Week, i.e., between September 17-30, 2024. The objective was to highlight Hindi's importance as a communication language and encourage its integration into the technological aspects of work.

11. The institute organized a two-week **Swachhata Pakhwada** event between September 1-15, 2024, to promote the commitment to maintaining cleanliness. Recognizing the power of digital platforms, a Social Media Campaign was initiated as part of the Swachhata Pakhwada. The key highlight of the Swachhata Pakhwada was the Skit performed by students. The skit, centred around the theme of cleanliness, addressed pressing issues such as the impact of littering, the significance of waste segregation, and the role of individuals in ensuring a cleaner society. The culmination of the Swachhata Pakhwada was marked by a Swachhata Pledge ceremony.

16. **“Equation”** was organized by QuantNum, the Math Club of IIIT Pune, on August 24, 2024. The first edition of Equation celebrated mathematical brilliance with engaging activities and intense competition. The event brought together students from various colleges, fostering a collaborative and intellectually stimulating environment. The event was meticulously planned and executed to ensure a seamless and impactful experience. Registrations began weeks prior, attracting over 600 registrations for the Quiz Clash. The competition was structured into two stages: online preliminaries and offline rounds, both aimed at identifying and rewarding the best mathematical minds.
17. India's maiden **National Space Day** was celebrated with great enthusiasm and a series

of events at IIIT Pune on August 22, 2024. The event aimed at igniting interest and knowledge in the realm of space science among students. The week-long celebration, which included Space Quiz Competition, Poster Competition, and Space Talk by the expert speaker, Dr. Moupiya Maji, was a grand success, with various activities involving an exciting number of participants, leading to an enriching and memorable experience for all.

18. IIIT Pune celebrated the **78th Independence Day** on August 15, 2024, wherein the Registrar In-Charge, Dr. Mukesh Nandanwar, hoisted the national flag in the institute premises. The event witnessed patriotic song and dance performances by the students.

18. Acknowledgement

IIIT Pune acknowledges the Ministry of Education for its unwavering support and guidance in setting up the Institute. We also extend our heartfelt gratitude to the Board of Governors, Senate, and Buildings and Work Committee. The entire range of scholastic and co-scholastic activities takes place with the enthusiastic support and participation of all stakeholders, faculty, staff and students. We are deeply indebted to our funding agencies, professionals, and experts, who assist us in various activities and events. We are thankful to our alumni, who have extended their contribution in enriching the vibrancy of our campus life.
