The following Invited persons were also present		
1	Shri Uday Chogale	Invitee
2	Shri S.K. Prasad	Invitee
3	Shri P.R. Mehta	Architect Invitee

The meeting started at the scheduled time of 2.00 PM with a welcome to all by Dr. Anupam Shukla, Chairman of B&WC.

The agenda of the day was taken as under:

Item no.	The item on the Agenda	Action taken
3.1	Items for Approval	
3.1.1	Confirmation of Minutes of 2 nd meeting of B&WC.	The B&WC considered the minutes of the 2 nd meeting of the B&WC held on 22-08-2020 and resolved to approve the same.
3.1.2	To consider and approve Action taken report on Minutes of 2 nd meeting of B&WC of IIIT Pune held on 22-08-2020.	The B&WC considered the Action taken report on minutes of 2 nd meeting of B&WC held on 22-08-2020 and noted the same.
3.1.3	To receive and ratify the approval accorded by the chairman for the formation of a Committee for the purpose to finalize and recommend the conceptual architectural drawings to be submitted to CPWD.	A Sub-Committee was formed by the Chairman B&WC on 27-08-2020(copy enclosed) to interact with the consultant architect and the drawings found most suitable be finally put up to B&WC for their approval. The Sub-Committee submitted drawings vide this meeting Agenda item no 3.1.6. The B&WC considered the Approval accorded by the chairman of B&WC and ratified the same.
3.1.4	To consider and approve the Master plan of IIIT Pune Campus	The Master plan of the campus (Appendix-IV) was presented by Architect Mr. P. R. Mehta. Members had a detailed discussion on all aspects. While responding satisfactorily to various queries by the members, the Architect assured that the designs and proposals conform to the applicable codes,

		standards, and statutory provisions. He further assured that all aspects related to MEP, Acoustics, universal accessibility, etc. will be detailed and checked thoroughly before the issue to the CPWD for further action. The B&WC then resolved to approve the master plan and the architectural drawings of the campus. It was also noted that the future proposals marked in the master plan are an indicative graphic representation. The use, location, footprint, and form of the buildings may change as per the institute's future demands and applicable standards.
3.1.5	To consider and approve Preliminary Estimate (P.E.) of Phase-I Buildings.	The Preliminary Estimate as submitted by A.D.G. CPWD Mumbai amounting to Rs.12609 Lakh and put up as Appendix-V was considered and discussed. It was informed by Advisor that the amount of Rs.12609 Lakh is excluding the Cost of Third Party Quality Assurance (TPQA). The B&WC suggested that the amount towards TPQA may be added in the estimate to be submitted to Governing Body for their consideration. Thus the total cost of Preliminary Estimate to be put up to the Governing Body will be as under:- i) Cost as per P.E. submitted by A.D.G. CPWD Mumbai=.....Rs.12609.00 Lakh ii) Add for TPQA as quoted by SE PCC CPWD Pune vide his email dated 28-11-2020(Copy attached)=Rs.126.27 Lakh The total cost of P.E. to be put up to the Board of Governors=.....Rs.12735.27 Lakh
3.1.6	To consider and approve Conceptual drawings of Phase-1 Buildings	Concept drawings as put up vide Appendix-VI were presented and explained in detail by Architect Mr. P.R. Mehta. The B&WC members suggested that:- - The central courtyards may be covered with Polycarbonate sheets with provision for sufficient ventilation. This will make the courts usable and also overcome the problems of draining out the rainwater. - The layout and design of the pathways may be fine-tuned while detailing the landscape drawings in a manner that enhances the aesthetics and user's experience and comfort while walking. - Special arrangements in the environment for mobility and independent functioning of Differently abled persons need to be taken care of in these drawings. Architect to ensure such provisions by GOI with latest provisions/guidelines. - The number of rooms for Differently abled persons will be decided by the Institute. - Fire norms for buildings up to 15meter high and more may be ensured and firefighting provisions are made accordingly so that there are no glitches fire safety certificates are obtained. - Architect and CPWD officials assured that

		compliance for all the above observations will be made and the drawings with modified provisions will be submitted within a week. The B&WC while approving the proposals authorized the sub-committee constituted to review the drawings to be re-submitted make recommendations to the Director who may approve the same as Chairperson of the B&WC.
3.1.7	Construction of additional building for Hostel against likely savings after actual tender award by Project Managers (CPWD – Pune).	Since the Preliminary Estimate submitted by the CPWD only suggest a limited number of rooms for the hostel building to be taken up at this stage, the B&WC resolved that construction of an additional building for the hostel may be taken up in case there is a saving from the actual tender cost. The B&WC further authorized the Director and the Chairman B&WC to approve the construction of an additional hostel building in case there is saving after actual tender.
3.1.8	To consider and approve Construction of compound wall along East side of existing Public road passing through campus.:	The location plan of the proposed compound wall has been considered and agreed upon. The B&WC discussed that in the future when public road passing within the campus will be diverted by PMGSY on the Western side of campus, this compound wall may not be needed. As such the design of the wall may be considered keeping in view that it may be reused. SE CPWD and Architect assured that this will be taken care of.
3.1.9	To consider and approve the area of land to be spared for public roads and the school.	The B&WC noted the information presented.
3.1.10	Award of work for Construction of compound wall around campus at Village Nanoli Tal. Maval, Pune.	The B&WC noted that the work commenced 15 months ago but the progress of work is very slow. CPWD Engineers explained that there were hurdles from Villagers and that the Eastern and Southern boundary is available after intervention by SDO in November 2020 as mentioned in ATR item no2. However, CPWD Engineers assured to complete the work at the earliest on or before 31 st March 2021.
3.1.11	The demand for funds of Rs. 1.8 crores by CPWD	The B&WC considered the fund demand of Rs.1.80 crore by CPWD and resolved to approve the same.
3.1.12	To consider and approve the retaining of 3 (three) number rented flats for Girls hostel.	The B&WC considered retaining of 3 (three) number rented flats for Girls hostel and resolved to approve the same.
3.2	Items for information and reporting	
3.2.1	Status of compound wall construction. Up to date Physical and Financial progress of the compound wall	Seen and noted by B&WC
3.2.2	Compound wall- Intimation of appointment of Arbitrator	Seen and noted by B&WC
3.2.3	Approval of Rs. 128 crores	Seen and noted by B&WC

	as a capital fund for the development of the campus	
3.2.4	Follow up action by IIIT Pune for Phase-1 works.	Seen and noted by B&WC
3.2.5	Quantity of water required for Campus.	Seen and noted by B&WC
3.3	Any other issue with the permission of the Chairman.	- It was informed to the Committee that the Development Agreement with the Gas Authority of India has been signed and submitted to them for further action. - The B&WC further pointed out that from now onwards activities related to the building of Infrastructure will be increased. For timely execution and monitoring of works, The Institute must have a minimum of 2 nos Civil Engineers. - CPWD must have a separate set-up exclusively for Works of IIIT Pune. This matter may be taken up with higher authorities of CPWD.
3.4	Date of Next meeting	May be decided later on.

Above minutes are dictated and typed with the consent of all members present in the meeting, the same is taken as approved.

Meeting ended with thanks to all by the chair.
