The agenda of the day was take up below:

Item No	Agenda Items & Resolutions		
3.1	To consider and approve the minutes of the 2nd meeting of GB of IIIT Pune held on 2nd May 2017.		
	Minutes of the 2 nd meeting of Governing Body of IIIT Pune, held on 2 nd May, 2017, are appended. The Board is requested to consider the minutes and approve the same. Resolution: Confirmed		
3.2	To consider and approve the action taken report (ATR) on the resolutions of 2nd meeting of GB, held on 2nd May 2017.		
	A detailed action taken report is mentioned below. The Board is requested to consider and approve the same.		
	Sr. No.	Item on the Agenda	Action Taken
	3.2.1	Construction of boundary wall	IIIT Pune has signed an MOU for the construction of boundary with CPWD on 9th July 2018. CPWD has taken necessary steps for the construction of boundary wall. CPWD has made all the procedure to award the construction work to a Contractor. The Bhoomi Poojan of the same has been carried out on 17th October 2018. The construction work has been started. However, local villagers are creating troubles/obstructions for the construction work. IIIT Pune has written application to the Collector of Pune and Superintendent of Police, Rural area, Pune Divisional Commissioner Pune. In 2nd BOG meeting held on 2nd May 2017, an amount Rs 300 lakhs is sanctioned for the construction of boundary wall. However, CPWD has submitted a revised estimate of Rs 474.76 lakh with suitable modifications. The difference amount Rs 174.76 lakhs may be approved (Annexure III) Approval of the Governing Body The Board is of the view that the design of boundary wall of IIIT Pune as in the detailed project report (DPR) submitted by CPWD is uneconomical and should be reconsidered to make it economical with transparent design. The height of the design should be such that it looks beautiful and the visibility of the buildings from outside. Model of Gandhinagar can be considered for study. A renewed design with reduced cost should be prepared and submitted through circulation for approval.
3.2.2	Appointment of an Architect	The campus development and construction of IIIT Pune building remained on agenda since its inception.	

		(Enclosure Minutes of Meeting)	regard, College of Engineering Pune has made sufficient efforts to appoint the architect. 1. Expression of Interest (EOI) the document was published on 26-04-2017. 2. Pre-Bid meeting was held on 16-5-2017 at College of Engineering Pune. 3. The qualified architects were invited for the presentations at Mantralay Mumbai on 24th August 2017. Hon. Mr. Sitaram Kunte, Additional Chief Secretary, Higher and Technical Education Govt of Maharashtra chaired the meeting. Total ten architects have presented their approach for the campus development. In this meeting, five architects were shortlisted for final competition. 4. Further, the five short-listed architects were called for Presentation of Master plan and detailed conceptual drawing for IIIT Pune on 27th April 2018. Hon. Shri Sitaram J. Kunte, Additional Chief Secretary, Higher and Technical Education Department, Government of Maharashtra chaired the meeting. Two experts namely Mr. Rajiv Mishra and Mr. A. R. Patharkar were also present for the meeting. Three vendors namely M/S AKA Consultants Pvt Ltd., M/S CCBA Private Limited, and M/S ARCH-EN-Design found eligible for participation in the commercial bid. 5. In the commercial bid the prices quoted by the vendors are as follows: i. M/S AKA Consultants Pvt Ltd.: Rs. 154 lakh ii. M/S CCBA Private Limited: Rs. 272.2 lakh iii. M/S ARCH-EN-Design: Rs. 41.5 lakh Accordingly, the M/S ARCH-EN-DESIGN was given PO and subsequently the agreement was signed between the two parties i.e. Mentor Director, IIIT Pune and M/S ARCH-EN-Design. Thereafter, no BOG meeting is held to approve the same. This is submitted to seek your opinion. <u>Approval of the Governing Body</u> The Board after deliberate discussions disagreed with the architect appointment and suggested to follow Engineering, Procurement & Construction (EPC) model with CPWD for both architect design and building construction. It was suggested to develop 15-20 acres of land in first phase and not the entire plot, so as not to build unconnected roads and facilities.

It is proposed to approve the sitting fee of Rs. 8000/- for external members to attend BoG, Senate, Finance committee, and Building and Works Committee and any other committee meetings. Resolution: After discussions, the Board APPROVED the sitting fee of Rs. 5000/- for external members to attend BoG, Senate, Finance committee, and Building and Works Committee and any other committee meetings.
3.6	To consider and approve the proposal to increase the intake of B. Tech. program in the department of Computer Science & Engineering (CSE), from 60 to 120 from academic session 2019-2020 onwards. Resolution: The Board noted and APPROVED the increase in intake of B. Tech. program in the department of Computer Science & Engineering (CSE), from 60 to 120 from academic session 2019-2020 onwards. However, the Board advised the Institute to explore the possibility of providing for good placement facilities and soft skill training to the 3rd and 4th year students under TEQIP programme.
3.7	To consider and approve the proposal for starting M. Tech. programs in the departments of ECE and CSE, with admission though GATE and GATE fellowship from academic session 2019-2020 with intake of 18 seats in each. We propose to start M. Tech. in following Departments: a) Electronics and Communication Engineering: It is one of the most sought after courses for M. Tech. amongst the students and job oriented. The faculty and graduate students conduct research in all areas of VLSI, Nano-electronics, IoT, Wireless Communication. The faculties of the department are trying to work in various national and international collaborative projects and are engaged in both fundamental and applied research. b) Computer Science and Engineering: This Master program will provide students an opportunity to learn both foundational and experimental components of Computer Science & Engineering including Artificial

	Intelligence (AI) and Machine Learning (ML). A student completing this program will be able to undertake industry careers involving innovation and problem solving using AI and ML technologies and research careers in general Computer Science areas. Resolution: The board members discussed the matter of starting the M.Tech. programs in (a) Electronics and Communication Engineering (ECE) (b) Computer Science and Engineering (CSE) The Board suggested that institute should identify mechanism for providing fellowship for students. The board in-principle approved the starting of the M. Tech. programs in the departments of ECE and CSE from academic session 2019-2020 with intake of 18 seats in each.
3.8	To consider and approve the proposal for starting Ph.D. programs in ECE and CSE with MHRD teaching assistantship and institute fellowship from AY 2019-20. As per the minutes of 2nd GB, IIIT Pune released the notification for admission to Ph.D. programs in external sponsorship mode including Self-financed, R&D Institute sponsored and Teaching Institute & Industry sponsored on October 5, 2018. Even after extension of date, only 49 applications received out of which 10 were invalid. Therefore, it is proposed to start Ph.D. programs in ECE and CSE with MHRD teaching assistantship and institute fellowship from AY 2019-20. Resolution: The matter was discussed in detail and the board was informed that the admission process for Ph.D. program through sponsored category was initiated for the year 2018-19 and it was requested to start the Ph.D. programs with MHRD teaching assistantship. The board clarified that MHRD has not allowed any teaching assistantship for Ph.D. in IIITs in PPP mode. The Board APPROVED to start Ph.D. program in self-financed and sponsorship mode. The Board also desired that the cash flow for next five years to be planned and to be submitted in next BoG meeting.
3.9	To consider and approve to adopt the B.Tech. and M. Tech and Ph.D. rules and regulations of IIT Bombay as standard reference to be implemented in IIIT Pune, till the time the rules, regulations, statues and ordinances of IIIT Pune are developed. Resolution: The board has suggested to adopt the rules and regulation of IIITs for the initial phase and then develop own rules and regulations for higher standards. The Board ratified and APPROVED the same.

3.10	To consider and approve the appointment of contractual faculty for the academic year 2018-19. With an approved number of 10 contractual faculty posts for academic year 2016-17 and another 5 for academic year 2017-18, 5 more faculties were recruited for academic year 2018-19. The Board is requested to consider and approve the same. Resolution: The board was informed about the recruitment procedure of the contractual faculty through open advertisement for a period of 11 months. The Board noted and APPROVED the same.
3.11	To consider and approve the proposal for regular faculty positions at various levels including Assistant Professor Grade - I, Assistant Professor Grade - II, Associate Professor and Professor along with Adjunct faculty, Distinguished Professor and non-teaching staff. A detailed proposal for recruitment of various teaching and non-teaching staff is attached. The Board is requested to consider and approve the same. Resolution: Approved
3.12	To consider and approve proposal of implementation of 7th CPC for teaching and non-teaching staff members including Director, along with flexible four tier structure for faculty members, prevailing in CFTIs. The Board is requested to consider and adopt the proposal of implementation of 7th CPC for teaching and non-teaching staff members including Director, along with flexible four tier structure for faculty members. Resolution: Approved
3.13	To consider and approve the implementation of Cumulative Professional Development Allowance (CPDA) for all faculty members and Director. The Board is requested to consider and approve the proposal to implement the provision of CPDA for the regular faculty of the institute as per the provision in other IITs/NITs/IITs. Resolution: The board noted and APPROVED the implementation of CPDA for regular faculties as per norms prevailing in other IITs/NITs/IITs.

3.14	To seek approval for payment of 25% additional basic salary for faculty to attract best talent available from IITs, NITs, IIITs and Foreign Universities of repute. IIIT Pune is dedicated to provide quality education and carry out result oriented research. Since, IIIT Pune is a new institute and currently operating with all contractual faculties, regular faculties are required for overall development of the institute. In order to achieve this, faculties from the best institutes of India and abroad are to be recruited. Hence, the Board is requested to approve the proposal to provide of 25% additional basic salary to attract best talent from IITs, NITs, IIITs and reputed Foreign Universities. Resolution: The board did not agree with the same.
3.15	To consider and approve the proposal for initial research grant of Rs. 5 lakhs for faculties to start research activities in the institutes. Resolution: The board discussed the agenda in detail regarding to support the research work and stressed to keep financial status in mind. The Board APPROVED an initial grant of Rs. 4 lakhs for regular faculties for conducting research.
3.16	To consider and approve the constitution of Senate, Finance committee, and Building and Works Committee. The Board is requested to kindly nominate the experts for Senate, Finance Committee, and Building & Works Committee and approve the same. Resolution: Approved
3.17	To seek approval for appointment of Chartered Accountant and Project Management Consultant. The Board is requested to approve the appointment of Chartered Accountant and Project Management Consultant. Resolution: The board was informed that presently the accounts of IIIT Pune are audited by Chartered Accountant of CoE Pune. The board allowed his services till march 31st , 2019. A fresh process to identify Chartered Accountant for IIIT Pune to be initiated & subsequently appointment to be made.
3.18	To consider and approve shifting the road (including its expenses) which is passing through middle of the land allocated to IIIT Pune. The Govt. of Maharashtra has allotted 100 acres of land for IIIT Pune at Nanoli, Talegaon-Chakan Road, Taluka- Maval, Distt. -Pune. Having its Gat. No-5(Area 25 Hector 52 R) and Gat No-6(Area 14 Hector 48 R) Total 40 Hectors. However, at present there is a road passing through the land and is used by the villagers for day to day transportation. Therefore, the road is required to be shifted alongside of the boundary of IIIT Pune land but outside the campus. This road 12m in width which actually be the part of IIIT Pune land. This needs construction of a new road alongside of the campus to facilitate the villagers for their daily use.

	As per the minutes of 2nd BoG, a request was to be made to Chief Secretary of Govt. of Maharashtra, for shifting the road alongside the boundary wall. It is proposed to request the Govt. of Maharashtra for allocation and sanction of additional funds to shift the road alongside boundary wall to ensure speedy construction of boundary wall. The Executive Engineer, Maharashtra Rural Road Development Association (MRRDS) had submitted the estimate for new road construction alongside of the IIIT campus with an amount of Rs. 248.37 Lakhs for the construction of road of 7.5 m width leaving 18 m wide land. The details of the cross section of the road are also submitted by the office. The actual cross section the road is having a width of 7.5 meter and leaving 1.25 meter on either side of the road one can construct a road of having width of 10m. It is to inform that a GAIL gas pipeline is passing across the proposed boundary of the institute on south side. Director, IIIT Pune had a meeting with CPWD and GAIL personnel on December 27, 2018 to identify and mark the actual overlapping of boundary wall with gas pipeline. After the demarcation was done, another meeting was held with DGM GAIL, Pune and CPWD on January 05, 2019. In this meeting, the minimum requirement of leaving 15m wide stretch from gas pipeline was informed by GAIL. Therefore, it was proposed to leave 18m wide stretch from the gas pipeline, outside the boundary wall of IIIT Pune, thereby fulfilling both the requirements of GAIL and PMSRY. A letter in this regard from CPWD has been received. IIIT Pune seeks budgetary approval for Rs. 248.37 Lakhs for shifting of the road as per the detailed project proposal and estimation. Further IIIT Pune seeks the approval for the award of the road shifting work to Pradhan Mantri Gram Sadak Yojana, Pune Division, Pune. Resolution: The Board was informed that at present there is a road passing through the land and is used by the villagers for day to day transportation and is required to be shifted alongside of the boundary of IIIT Pune land. Also it was informed that a GAIL gas pipeline is passing across the proposed boundary of the institute on south side. The Board is of the view that issue to be taken up with GAIL and local administration of Pune and Govt. of Maharashtra, and a minimal land should be left for road considering the all options available under the PMGSY scheme. Also Board noted that since State is also a partner for IIIT in PPP mode therefore, the construction of road should be taken up to State level. Therefore, Board APPROVED the shifting of road alongside the boundary wall on south side, however, did not agree with the proposal of Rs. 248.37 Lakhs for the construction of road, keeping in view the limited funds for construction.
3.19	To consider and approve the funds received from various sources and to ratify the expenses incurred against budget approved for the financial year 2017-18. The funds received from various sources during last three years is mentioned below .

	The balance sheet containing the funds received and expenses incurred against budget approved for the academic year 2016-17 and 2017-18 are attached. The Board is requested to approve and ratify the same. Resolution: Approved												
3.20	To consider and approve the budget estimate for the financial year 2018-19 & 2019-20. Resolution: Approved												
3.21	To discuss and seek approval to initiate the procedure to identify the infrastructure space in buildings of Central Govt./ State Govt./ PSU/ Private institute to operate IIIT Pune from June 2019. IIIT Pune has started functioning from the academic year 2016-17 from a rented campus at Siddhant College of Engineering Pune. The rent of the temporary building is Rs. 4,92,537/- per month (excluding energy bill and local property taxes) and the rent for hostel building is Rs. 20,000 /- per student. Presently, the total expenses for institute and hostel rented buildings are approximately one crore per year. The agreement of rented building with ‘Chaudhari Attarsingh Yadav Memorial Education Trust’ will be ending in June 2019. The matter is placed for discussion in BoG. (B) Approval is required to search for a new rented campus. The present rented campus is located at a remote and 40 km. from Pune. There is no convenient transportation facility. It is difficult to get uninterrupted electricity supply as it is located in a rural area. No medical facilities nearby the institute. Resolution: The Board was informed that the rent and lease agreement for operation of IIIT Pune with Chaudhari Attarsingh Yadav Memorial Trust is ending on June 30, 2019. It was also informed that, the trust has demanded to renew the agreement with a renewed rent of approximately three times of current rent. In this regard, it was requested to the board to allow for search of building space to operate IIIT Pune from the July 01, 2019, in Pune area considering the financial implication, institute branding, better connectivity and other facilities. The board authorized the												

	Director to search for a new rented campus and to submit the proposal for approval to BoG through circulation.
3.22	To consider and approve the proposal for availing guesthouses on rent and the accommodation for Director in Pune / Pimpri - Chinchwad Municipal Corporation (PCMC) area nearby institute. IIIT Pune has started functioning from the academic year 2016-17 from a rented campus at Siddhant College of Engineering Pune. There is no any accommodation facility in rented campus for the faculty and external experts traveling from other places. Arranging accommodation for experts in good hotels is not feasible and economical. Therefore, it is requested to approve hiring of 3-4 guesthouses at suitable locations in Pune/PCMC area or nearby place of institute and Board is also requested to approve hiring of residential accommodation in Pune/ PCMC area for Director, IIIT Pune. Resolution: Approved
3.23	To consider and approve the proposal for the purchase of a car for Director. It is proposed to purchase a car for Director, IIIT Pune and TATA SUMO / ambulance for students. The Board is requested to consider and approve the same. Resolution: The Board in-principle APPROVED the purchase of a car for Director, however, a formal proposal to be sent to MHRD. Till the time, Director is authorized to use facility of hiring a car. The Board APPROVED the proposal of a Van for the purpose of Ambulance.
3.24	To consider and approve the names of experts for constituting selection committee for regular faculty positions. Resolution: Approved
3.25	To consider and approve the proposal for Director IIIT Pune to visit USA and other universities abroad for faculty recruitment and signing MoUs. Resolution: Approved
3.26	To consider and approve the transportation expenditure to Registrar to travel from CoEP to IIIT Pune. For administrative support Prof. Sapali S.N. Professor, COEP had been given additional responsibilities as a Registrar. He is required to travel 40 km from CoEP to IIIT Pune, a transportation expenditure of Rs. 10,000 may be considered and approved. Resolution: Approved

3.27	To consider and approve the proposal for organizing International Conference during summer of 2019 and a grant Rs. 10 lakhs for the same. IIIT Pune is planning to organize one international conference on Artificial Intelligence, Machine Learning, IoT, and Nanotechnology in summers of 2019. Therefore, it is proposed to approve and sanction Rs. 10 lakhs for the conference. Resolution: The Board noted and directed to hold development programmes at Pune and Maharashtra level and APPROVED the organization of a National Conferences. A proposal may be submitted in this regard for Financial approval. The Institute should first develop IIIT Brand locally and at National Level before aspiring for International branding.
3.28	Any other items with permission of the chair.
3.28.1	To consider and approve the proposal for organizing the Faculty Development Program at IIIT Pune in next couple of years. Resolution: The Board was informed that as per the plan for IIIT (PPP) mode, each IIIT was to be given 2.5 Cr for Faculty Developments Programs. A proposal in this regard was prepared by IIIT Pune and circulated among the members. The Board noted and APPROVED the same.
3.28.2	To consider and approve the Ordinances of IIIT Pune. Resolution: Approved
3.28.3	To consider and approve the MoU between MHRD and IIIT Pune. Resolution: Approved
3.28.4	To consider and approve the request for issue of INR 5 lakhs under NRC setup at IIIT Pune Resolution: The Board was informed that IIIT Pune has been selected as a National Resource Centre under PMMMNMTT scheme for Electronics & Communication Branch and Computer Science & Engineering Branch. Under this project an amount of Rs 14.5 lakh has been received and remaining amount of Rs. 5 Lakh (Out of total 19.5 lakh approved for each institute) to be given by respective Bureau Heads. The Board noted that since IIIT (PPP) mode does not have any sanctioned grant apart from building cost, therefore directed that matter to be taken up with Dr. Shakila Shamsu so that the funds could be given from project grant under PMMMNMTT scheme.
