Chairman welcomed all the members and introduced the invited members to the fifth meeting of the Senate. The agenda items were taken for discussion.

Item	Agenda
5.1	To consider and approve the minutes of the 4th meeting of Senate of IIIT Pune held on 05th November 2020. Minutes of the 4th meeting of Senate of IIIT Pune, held on 05th November 2020. Senate is requested to approve the Minutes. <u>Approval of the Senate</u> Minutes were confirmed.
5.2	Inclusion of Computation Biology instead of Biomedical Engineering and Interaction design subject in the course curriculum of CSE and ECE. Two new courses are proposed in undergraduate level that is Computational Biology and Interaction design. In this regard, the Senate is requested to Introduce the course “Computational Biology” in 2nd Semester of B.Techprogramme instead of Biomedical engineering and Interaction Design in 4th/5th semester. <u>Approval of the Senate</u> Senate approved the introduction of these subjects and recommended to re-designate “Computational Biology” as “Fundamentals of Computational Biology”.
5.3	Formation of Centre for academic outreach activities (CAOA). Considering the rapid growth in information technology and demand of new policies and management, the Continuing Education of the working professionals in the country is essential. The formation of the Centre for academic outreach activities (CAOA) can meet the training and knowledge up gradation of working professionals. The Centre shall run various programmes such as executive M.Tech, MBA, Post Graduate Diploma, Diploma, Certificate courses, summer internship etc. by distance education. The proposal is attached as Annexure 5.3. Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate approved to open the Centre for academic outreach activities (CAOA).

5.4	Appending Course work completion rule in Ph.D. Ordinances and Regulations. If a Ph.D. student does not score at least 7.0 CGPA during the course work, then he/she needs to appear for improvement examination in one or more courses registered during the course work. The student can appear in the improvement examination for maximum of 2 attempts subject to fulfilling comprehensive examination requirements described in R.7 of the Ph.D. Ordinances and Regulations. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate approved to amend this rule in the Ph.D. Ordinances and Regulations.																					
5.5	Approval of Honorarium for conducting student/faculty development programs. The coordination committee of the Student Training Program and Faculty Development Program, held a meeting to discuss honorarium/ remuneration for conduction of various student/ faculty development programs. It is recommended by the committee to provide honorarium/ remuneration on the program basis and per hour basis which is as follows: <table><tr><th>S. No.</th><th>Head of Expenditure</th><th>Proposed Amount (in Rs.)</th></tr><tr><td>1</td><td>Program coordinator</td><td>20000 per program</td></tr><tr><td>2</td><td>Faculty coordinator</td><td>15000 per program</td></tr><tr><td>3</td><td>Resource person</td><td>3000 per hour</td></tr><tr><td>4</td><td>Program supervisor</td><td>3000 per program</td></tr><tr><td>5</td><td>Program co-coordinator</td><td>2000 per program</td></tr><tr><td>6</td><td>Technical assistant/Accountant</td><td>1500 per program</td></tr></table> The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate approved the proposed remuneration amounts.	S. No.	Head of Expenditure	Proposed Amount (in Rs.)	1	Program coordinator	20000 per program	2	Faculty coordinator	15000 per program	3	Resource person	3000 per hour	4	Program supervisor	3000 per program	5	Program co-coordinator	2000 per program	6	Technical assistant/Accountant	1500 per program
S. No.	Head of Expenditure	Proposed Amount (in Rs.)																				
1	Program coordinator	20000 per program																				
2	Faculty coordinator	15000 per program																				
3	Resource person	3000 per hour																				
4	Program supervisor	3000 per program																				
5	Program co-coordinator	2000 per program																				
6	Technical assistant/Accountant	1500 per program																				
5.6	To approve the Admission of International Students through DASA. Along with central level admission through JEE, we may make admissions into certain programmes as per set government guidelines. The Senate is requested to permit admission through Direct admission of students abroad (DASA) where applicants from other nations from any system of education as recognized by the Association of Indian Universities can be admitted. The applicants who have secured minimum valid score in the qualifying examination (SAT) can be admitted. The Senate is requested to consider and approve the proposal. <u>Approval of the Senate</u> Senate approved the proposal to admit International students through DASA and recommended to participate in popular events and exhibition to promote institute programmes and achievements. Institute may sponsor upto Rs. 5 lakhs from institute fund for branding and advertisement.																					
5.7	Approval to start 2 year MBA Program. Senate is requested to approve start the 2 (two)-year program on Master of Business Administration (MBA). <u>Approval of the Senate</u> Senate recommended to commence the program and to prepare a detailed proposal for placing in the next Senate meeting.																					
5.8	Approval to commence 5 year Integrated MBA Program. Senate is requested to approve start the 5 (five) year program on Integrated Master of Business Administration (MBA). <u>Approval of the Senate</u> Senate recommended to commence the program and to prepare a detailed proposal for placing in the next Senate meeting.																					
5.9	Proposal for Implementation for Flexible degree program under NEP policy. The proposal for flexible degrees with Multi-Entry, Multi-Exit, with Credit Banking system is attached. The Senate is requested to consider and approve the flexible degree system. <u>Approval of the Senate</u>																					

	Senate recommended to review the newly made programs in reputed Institutions of India and make a dynamic proposal based on government guidelines.
5.10	To approve revised Scheme Structures of B.Techprogramme. The revised scheme structures after introduction of important courses based on the recent trends are enclosed. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate approved the revised scheme structures of B.Techprogramme and recommended to register students for 1 (one) Online course those who have opted for Major Project instead of Internship in the Final year.
5.11	Sanction of post of Assistant Registrar (Career Development and Corporate Relations Centre (CDCRC)). The proposal for the position of Assistant Registrar in Career Development and Corporate Relations Centre (CDCRC) is attached as Annexure-5.11. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate sanctioned the post.
5.12	To re-designate department of “Electronics and Communication Engineering” as “Information and Communication Technology”. To create professionals to support the convergence between computers and communication systems, the department needs to focus on applications of Information and Communication Technologies in variety of fields like business, education, health care, governance, etc. In this regard, the Senate is requested to approve re-designation of “Electronics and Communication Engineering” as “Information and Communication Technology”. <u>Approval of the Senate</u> Senate approved to re-designation the department “Electronics and Communication Engineering” to “Information and Communication Technology”.
5.13	Equivalence of Post-Doctoral Fellowship Experience for the Selection of the post of Assistant Professors. Experience gained during the post-doctoral fellowships offered by reputed Institutions of India and abroad preferably up to QS ranking 500 can be considered as post-doctoral working experience during recruitment of Assistant Professors. Senate is requested to approve this agenda point. <u>Approval of the Senate</u> Senate approved to include the proposal during the selection process.
5.14	Equivalence of PGDM and Executive PGDM as MBA degree for the post of Assistant Registrar. A postgraduate diploma (PGDM) and Executive PGDM degrees can be considered equivalent to Master in Business Administration (MBA) degree during recruitment of Assistant Professors. Senate is requested to approve this agenda point. <u>Approval of the Senate</u> Senate approved the proposal.
5.15	To approve organizing “Frontiers of Data Analytics and Artificial Intelligence 2021” Conference. Institute is planning to organize first version of Frontiers of Data Analytics and Artificial Intelligence 2021 in the month of July 2021 in virtual mode. IIIT Pune has already approached to Springer for its approval for the publication of the accepted paper as a book chapter. The organization of the conference will benefit IIIT Pune in every aspect. The proposal is attached as Annexure-5.15. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate considered and approved the proposal to organize the conference and also approved to hold the International Conference on Computational Intelligence 2021.
5.16	To approve organizing “Frontiers of Research in Speech and Music Symposium”. Institute is planning to organize twenty sixth version of the symposium “Frontiers of Research in Speech and Music” in 2021. The organization of the symposium will benefit IIIT Pune in every aspect. PhD scholars, undergraduate students and faculty members will get an opportunity to learn latest research trends in the field and to interact with the researchers from various parts of the globe. The proposal is attached as Annexure-5.16. The Senate is requested to consider and approve the same.

	<u>Approval of the Senate</u> Senate considered and approved the proposal to organize the Symposium.
5.17	To recommend panel of experts for the posts of Registrar and Assistant Registrar. The Senate is requested to recommend the panel of experts for the Post of Registrar and for the Post of Assistant Registrar, for including as Senate nominated members in the selection committee for recruitment at IIIT Pune. <u>Approval of the Senate</u> Senate recommended the panel of experts for selection of Registrar and Assistant Registrar for including as Senate nominated members in the selection committee for recruitment at IIIT Pune.
5.18	To approve panel of experts of Officers and Other posts. The Senate is requested to recommend the panel of experts for all the Officers and Other posts attached for including as Senate nominated members in the selection committee for recruitment at IIIT Pune. <u>Approval of the Senate</u> Senate recommended the panel of experts.
5.19	To approve panel of experts for selection of Faculty Positions. The Senate is requested to recommend the panel of experts for all the Post of Professor, Associate Professor and Assistant Professor attached for including as Senate nominated members in the selection committee for recruitment at IIIT Pune. <u>Approval of the Senate</u> Senate recommended the panel of experts.
5.20	To approve the Revised M.Tech Scheme Structure. The revised scheme structures after introduction of important courses are enclosed. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate approved the revised scheme structures and recommended to re-designate the M.Tech specialization in Computer Science and Engineering in “Artificial Intelligence” to “Artificial Intelligence and Data Science”.
5.21	To approve the Ordinances of B.Tech, M.Tech and Ph.D. Programmes. The Senate is requested to consider and approve the amendments made to B.Tech, M.Tech and Ph.D. Ordinances attached respectively. <u>Approval of the Senate</u> Senate approved the amendments.
5.22	Honorarium for International Experts in Conference/Workshop To provide honorarium of US \$100 - \$150 at the discretion of Director to International Experts invited during Conference and Workshops. <u>Approval of the Senate</u> Senate recommended to provide honorarium of US \$150 to International Experts invited during conferences, workshops, seminars, and expert talks conducted in online as well as offline mode.
5.23	To acknowledge admission status of B.Tech, M.Tech and Ph.D. Programme. Senate is requested to acknowledge the admission at IIIT Pune in 2020-21 across various programmes as follows: B.Tech (Computer Science and Engineering): 171 B.Tech (Electronics and Communication Engineering): 47 M.Tech (Computer Science and Engineering): 13 M.Tech (Electronics and Communication Engineering): 12 Ph.D. (Computer Science and Engineering): 4 Ph.D. (Electronics and Communication Engineering): 1 <u>Approval of the Senate</u> Senate acknowledged the admissions during 2020-21.
5.24	To establish MoU with KJEI for teaching students. We are preparing to establish MoU with KJEI for teaching students for their skill improvement. Senate is requested to approve the same.

	<u>Approval of the Senate</u> Senate approved to establish the MoU and recommend to prepare the detailed proposal and place it in the next Senate.
5.25	Any Other Item with the permission of the Chair
(a)	To consider and recommend different options to run next semester in Offline and Online mode for students in the new Academic Year starting in the month of July 2021. Institute is running its classes through online mode since 15th March 2020 and still situation is not under control due to covid-19. We are not sure, whether students will come to campus and start attending offline classes from coming semester. Situation has become more complicated with the news of new wave of infection and new covid variants in Pune and adjoining areas. Our biggest challenge is safety of students. If required we can run classes on online mode. Senate may like considering and recommending for holding either online or blended mode (Online and offline) classes simultaneously for session 2021-22 till improvement in the situation. The senate may authorize the Chairman senate to take the decision based on the circumstances. <u>Approval of the Senate</u> Senate approved to proposal
(b)	To consider and recommend increase in the annual fee of students of all programmes on account of a) Hostel charges and b) Medical charges with following details: - At present, hostel fee for the students stands at Rs. 24,000 per annum. It is expected that there will be sharp increase in actual expenditure on electricity, water, housekeeping services, maintenance charges etc. connected to the hostel. Consequently, hostel fee is proposed to be increased marginally from Rs 24,000 to Rs. 27,000 per annum. - Students pay Rs.500 towards Medical insurance but they get any facility during emergencies or under normal conditions as well from insurance companies. To provide proper medical care to the students in the institute and in the nearby hospitals by fixing a Medical charge of Rs. 1700 per year. Rs. 500, medical insurance is proposed to be merged into the medical charges. <u>Recommendation of the Senate</u> Considering above Senate recommends following to the BoG for approval:- - Enhancement of hostel fee by Rs. 3,000 - Enhance of other fee by Rs 1200 on account of introducing Medical Charges (Rs. 1700 – Rs 500 Medical insurance, already charged to the students) - Guidelines for providing Medical facility to the students

The meeting ended with a vote of thanks to the Chair.

Secretary, Senate
