कार्यालय ज्ञापन (OFFICE MEMORANDUM)

Subject: Policy for Granting Permission to Apply and Issuing No Objection Certificate (NOC) for Outside Employment

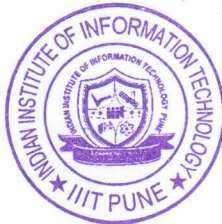

It has been observed that many employees submit applications requesting a No Objection Certificate (NOC) for examinations at the last moment or fail to inform that they have applied for an exam, later requesting an NOC to appear for a subsequent stage. This lack of timely communication, along with insufficient knowledge of DoPT instructions regarding the issuance of NOCs, has been taken seriously by the Competent Authority. Therefore, the need has arisen to formulate a policy for issuing NOCs. Key aspects of the policy are listed below:

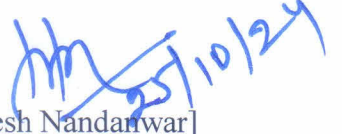

1. Seeking an NOC cannot be claimed as a matter of right. The Competent Authority may deny granting an NOC/permission on the grounds of public interest.
2. Employees must apply for outside employment only with the prior permission of the Competent Authority.
3. Every employee may be permitted to apply for an outside post a maximum of **four times** per calendar year, as per DoPT O.M. No.1669271204071 dated 24.11.2022. This restriction does not apply to applications for posts advertised by UPSC.
4. Newly recruited employees at IIIT Pune must disclose details of all applications/exams they have applied for or appeared in within 7 (seven) days of joining. Failure to do so will result in the rejection of any subsequent NOC requests for those applications.
5. All applications must be forwarded through the proper channel. In cases of time constraints, an advance copy may be sent, but immediate intimation is required. The forwarding of applications from the Institute will follow applicable rules.
6. No applications will be forwarded during the probation period for regular employees or within one year from the joining date for on lien / on deputation / contractual (scale) employees.
7. NOC will typically be issued for higher-grade posts for regular employees and the same/lower-grade posts for contractual employees.
8. NOC requests must be submitted at least 15 (Fifteen) working days in advance, with all necessary documents, such as the complete advertisement, application form, proof of eligibility, and undertaking. Late requests will not be considered.
9. Applications of a government servant for appointment by direct recruitment, deputation, or transfer to another post will not be forwarded if:
 - (i) The employee is under suspension;
 - (ii) Disciplinary proceedings are pending, and a charge sheet has been issued;

Handwritten signature and date: 25/10/24

- (iii) Sanction for prosecution has been accorded;
 - (iv) A charge sheet for criminal prosecution has been filed in court;
 - (v) The employee is undergoing a penalty.
10. In cases where permission is accorded for applying for job outside, NOC shall be issued at the time of test/interview only based on the rules as per this policy at the time of test/interview. Accordingly, grant of permission for applying for job outside will not automatically entitle an employee for NOC. Hence, in cases where approval for applying for job outside has been already issued, fresh application shall be submitted for issue of NOC based on the said approval, and NOC will be issued only on fulfilment of conditions at the time of processing of NOC. The application for NOC must enclose copy of call letter/proof towards requirement and date for production of NOC.
 11. NOC will not be issued if the employee did not obtain prior approval before applying for the job.
 12. Issuance of an NOC does not guarantee the employee's release from the service of the Institute if selected for the outside employment. The release will be subject to the Institute's rules, including the notice period and any bond conditions.
 13. The Institute reserves the right to deny permission or an NOC even if the employee meets the eligibility criteria.
 14. In rare and exceptional cases, the Competent Authority of IIIT Pune may relax the rules and issue an NOC or forward applications for outside employment.
 15. The Institute reserves the right to modify, cancel, or amend the policy without prior notice. In case of any interpretation issues, the decision of the Competent Authority of IIIT Pune will be final.
 16. All future NOC-related correspondence must strictly adhere to the guidelines mentioned in this policy. Failure to comply may result in the cancellation or rejection of the NOC request. Proceeding for an exam without proper NOC will be treated as misconduct and may lead to disciplinary action.
 17. The same policy shall apply to individuals who submitted their NOC applications prior to the issuance of this Office Memorandum.
 18. Any points not covered by this policy shall be governed by the relevant rules/guidelines of the Central Government issued from time to time.

This OM is issued with the approval of the competent authority of IIIT Pune.
