EXPRESSION OF INTEREST (EOI) / MARKET SURVEY

विषय / **Subject:** Identification of Specialized Agencies and Assessment of Prevailing Market Rates for Development of Temporary Sports Grounds at IIIT Pune Campus.

EOI Reference No.: IIITP/Works/EOI/2026/2841
Date of Publication: 19.10.2026
Last Date for Submission: 27.10.2026

1. पृष्ठभूमि एवं उद्देश्य / Background and Purpose

The Indian Institute of Information Technology Pune (IIIT Pune), located at Gat No. 5 & 6, Village Nanoli Tarf Chakan, Post Talegaon, Taluka Maval, District Pune, Maharashtra – 410507, invites Expressions of Interest (EOIs) from experienced and specialized agencies, firms and contractors engaged in the development, preparation, levelling, filling, compaction and allied works associated with temporary sports grounds and open grounds.

The information received through this EOI will be used to suitably draft the technical specifications, Bill of Quantities (BOQ) and cost estimate for initiating a formal tendering process.

2. कार्य का संभावित दायरा / Indicative Scope of Work

The proposed work is envisaged to include, but may not be limited to, the following activities:

1. Inspection of the proposed sites and assessment of existing ground conditions.
2. Supply, transportation and stacking of suitable earth/red soil or other technically appropriate filling material.
3. Spreading, levelling and dressing of filling material to the required thickness and levels.
4. Earthwork, filling, watering, compaction and preparation of the ground using suitable machinery and equipment.
5. Deployment of vibratory rollers and other equipment, as required.
6. Development of temporary sports grounds at the following locations:
    - Behind the Academic Building.
    - Near the Shopping Complex.
7. Other associated activities considered technically necessary for the satisfactory development and usability of the grounds.

The above scope is indicative only. Agencies may suggest suitable materials, construction methodologies, equipment, quality-control measures and alternative technical solutions based on the existing site conditions and intended use.

The final scope, quantities, technical specifications and BOQ shall be determined after assessing the market survey findings.

3. अपेक्षित जानकारी / Information Sought from Interested Agencies

Interested agencies are requested to submit the following information:

1. Brief profile of the agency, including its legal status, year of establishment and principal areas of operation.
2. Details of relevant experience in the development of sports grounds, open grounds, earth filling, levelling, compaction or similar civil engineering works.
3. Details of similar works executed during the last five years, preferably for Government departments, educational institutions, Public Sector Undertakings or autonomous institutions, supported by work orders and completion certificates, wherever available.
4. Suggested technical specifications, materials, execution methodology and quality-control measures suitable for the proposed work.
5. Indicative item-wise rates and/or an estimated lump-sum cost for the proposed scope, clearly specifying applicable taxes, transportation, machinery, labour and other incidental charges.
6. Estimated execution period and details of machinery, equipment and technical manpower available.
7. Suggestions for optimizing the BOQ, improving cost-effectiveness, and addressing drainage, durability and maintenance requirements, wherever applicable.
8. Contact details of the authorized representative of the agency.

4. प्रस्तुत किए जाने वाले दस्तावेज / Documents to Be Submitted

The EOI submission may include the following documents:

1. Registration certificate or constitution documents of the firm/company.
2. PAN and GST registration certificates, as applicable.
3. Organizational profile and details of relevant technical expertise.
4. List of similar works executed, along with supporting work orders and completion certificates, wherever available.
5. Details of machinery, equipment and technical personnel available for the proposed work.
6. Technical recommendations, proposed execution methodology and indicative cost estimate/rate schedule.
7. Contact details and authorization of the representative submitting the EOI.

5. स्थल निरीक्षण / Site Visit

Interested agencies are encouraged to visit the proposed sites at their own cost to assess the existing conditions and submit realistic technical recommendations and indicative rates.

Email Subject: EOI – Market Survey for Development of Temporary Sports Grounds at IIIT Pune

For any clarification, interested agencies may contact the Institute through the above email address.

7. सामान्य नियम एवं शर्तें / General Terms and Conditions

1. This EOI is being issued solely for market assessment, identification of specialized agencies, exploration of technical alternatives and assessment of prevailing market rates.
2. This EOI does not constitute a Notice Inviting Tender (NIT), a request for quotation for award of work, or a commitment to procure any goods or services.
3. Submission of an EOI shall not confer any right on an agency to participate in, qualify for or receive an award under any subsequent procurement process.

4. No work order or financial commitment shall arise from this EOI. Any subsequent procurement shall be initiated separately, subject to approval of the Competent Authority and applicable rules and procedures.
5. The Institute reserves the right to seek additional information or clarification from participating agencies for the purpose of market assessment.
6. The information and indicative rates submitted shall be used for internal assessment, revision of technical specifications, BOQ and cost estimates, and related procurement planning.
7. Agencies shall ensure that all information furnished is accurate and that indicative rates clearly specify assumptions, inclusions, exclusions and applicable taxes.
8. The Institute reserves the right to modify, extend, suspend or withdraw this EOI at any stage without assigning any reason.

The Institute invites participation from experienced agencies to facilitate the preparation of appropriate technical specifications, a realistic BOQ and a reasonable cost estimate for the proposed work.
