1. Introduction

1.1. Vision

To be a leading global Information Technology Institute that imparts an innovative education to produce proficient and ethical professionals and leaders, disseminating novel knowledge in Information Technology and allied disciplines to serve as a valuable resource for the society and world.

1.2. Mission

1. To provide academic excellence in Engineering and Technology by imparting quality as well as value-based education and foster a collaborative environment open to the free exchange of ideas, where research capabilities could be leveraged to address the challenges of the present scenario.
2. To develop competent and proficient youth imbued with the spirit of innovation and entrepreneurship with the social and environmental orientation further meeting the knowledge requisites and providing universal leadership in Information Technology and allied fields.
3. To promote the significance of ethics and integrity in technical education further fostering the learning with respect for individual human rights and an unyielding commitment to the principles of equal opportunity, equity, and justice.
4. To endorse application and research in Indian languages for technical education, further edifying Indian traditional knowledge in technical education.

2. Establishment of the Institute

Established in the year 2016-17, by an Act of Parliament, the Indian Institute of Information Technology (IIIT) Pune is an Institute of National Importance created by the MHRD, Government of India in the Public Private Partnership (PPP) model. The initial outlay of the project was Rs.128 Crores of which 50%, 35%, and 15% of share will be borne by the three Stakeholders, viz., the Central Government, State Government (Maharashtra), and Industry Partners, respectively. The Institute was established in the year 2016.

3. Permanent Campus

The permanent campus of IIIT Pune will be established approximately in 100 acres of land identified in Naloni, Talegaon, Pune. EE CPWD Pune issued the work order on 14th September 2022 after which the work began from 18th September 2022 onwards. The campus consists of an academic block, 2 boys' Hostel, 1 girls' Hostel, staff housing, director's residence & other service blocks. The academic area covers 12108 sqm and includes 10 classrooms that can accommodate 60 students, 8 classrooms that can accommodate 120 students, and 12 labs that can accommodate 60 students. It also includes a 300-seat auditorium, library, and conference hall. The construction of the academic area is 45% completed. The construction of two boys' hostels, each with a capacity of 345 students, is now 50% completed. Furthermore, the 179-

seater girls' hostel is 60 percent complete. The entire building is accessible and barrier-free for individuals with disabilities.

Fig. 6: Construction of director's residence

4. Transit Campus

Sharing resources with Sai Singhad Business School, Ambegaon BK, Pune, Maharashtra-411041, the rented campus of IIT Pune operates within the Singhad Technical Education Society, Ambegaon campus. The resources, including the hostel, mess, and canteen, as well as the classrooms and laboratories, are shared with IIT Pune.

5. Board of Governors

The composition of the Board of Governors is as follows:

S. No.	Name	Designation
1.	Prof. O.G. Kakde Director, IIIT Pune	Interim Chairperson & Member (Ex officio)
2.	Mrs. Saumya Gupta Joint Secretary (TE), MoE, Government of India	Member
3.	Dr. Vinod Mohitkar Director, TE, Maharashtra	Member
4.	Ms. Roopa Purushothaman Founder, NGO-Avsara Academy Pune	Member
5.	Shri Pradeep Udhas Senior Partner, KPMG	Member
6.	Dr. Madhu Dikshit JC Bose National Fellow and Former Director, CDRL, Lucknow	Member
7.	Prof. S.G. Dhande Former Director, IIT Kanpur	Member
8.	Prof. M.K. Tiwari Director, NITIE Mumbai	Member
9.	Shri Ajay Gadiya Chief Operating Officer, MahaIT Mumbai	Member
10.	Prof. P.M. Padole Director, VNIT Nagpur	Member
11.	Dr. Sanjeev Sharma Assistant Professor, IIIT Pune	Member
12.	Dr. Nagendra Kushwaha Assistant Professor, IIIT Pune	Member
13.	Prof. R.K. Pateriya Professor, MNIT Bhopal	Member
14.	Dr. Mukesh Nandanwar Registrar, IIIT Pune	Secretary (Ex officio)

6. Senate

Subject to provision of the Act, the Statutes and Ordinances, the Senate is the Principle Academic Body of the Institute. The Senate is responsible for the maintenance of standards of teaching, evaluation, research and consultancy in the Institute. It has the responsibility to lay down policy guidelines and the directions to further the academic growth and development of the Institute. Director, IIIT Pune is the Ex-officio Chairman of the Senate, while Registrar is the Member Secretary.

The composition of the Senate is as follows:

S. No.	Name	Designation
1.	Prof. O.G. Kakde Director, IIIT Pune	Chairperson
2.	Prof. Debasish Ghose Professor, IISc Bangalore	Member
3.	Prof. Girijesh Prasad Ulster University, United Kingdom	Member
4.	Prof. Rushikesh K. Joshi Professor, IIT Bombay	Member
5.	Prof. Ravi Prakash Tewari Professor, MNNIT Allahabad	Member
6.	Prof. A.G. Keskar Professor, VNIT Nagpur	Member
7.	Prof. Aparajita Ojha Professor, PDPM-IIITDM Jabalpur	Member
8.	Dr. Sanjeev Sharma HoD (CSE), IIIT Pune	Member
9.	Dr. Sushant Kumar HoD (ECE), IIIT Pune	Member
10.	Dr. Chandrakant Guled HoD (AMDS), IIIT Pune	Member
11.	Dr. Vagisha Mishra HoD (HSS), IIIT Pune	Member
12.	Dr. Mukesh Nandanwar Registrar, IIIT Pune	Secretary (Ex officio)

7. Building and Works Committee

The composition of the BWC is as follows:

S. No.	Name	Designation
1.	Prof. O.G. Kakde Director, IIIT Pune	Chairperson
2.	Prof. Deepankar Choudhary Professor, IIT Bombay	Member
3.	Dr. D.V. Jadhav Jt. Director DTE Pune, Government of Maharashtra	Member
4.	Shri Ajay Gadiya Chief Operating Officer, MahaIT Mumbai	Member
5.	Prof. Sanjeev Singh HoD (Architecture), SPA Bhopal	Member
6.	Prof. K K Pathak Professor, IIT BHU	Member
7.	Dr. Mukesh Nandanwar Registrar, IIIT Pune	Secretary (Ex officio)

8. Governance

Dr. Omprakash G Kakde is the Director of IIIT Pune. Dr. Mukesh Nandanwar is Registrar of IIIT Pune. Since the inception of the Institute, the Government of India has been providing Plan Grant for development of the Institute. Plan Grant is mainly released for construction of campus, hostel buildings and construction of other buildings, purchase of new equipment as well as for purchase of furniture for the Institute as well as hostels.

9. Finance

a) Analysis of Plan and Non-Plan Grants

Sr. No.	Particulars		Amount (In Lakhs)
(A)	Plan Grant		
	Central Govt.	1557.52	3058.52
	State Govt. of Maharashtra	1501.00	
	Industry Partners	Nil	
(B)	Non Plan Grant		
	Central Govt.	Nil	Nil
	State Govt. of Maharashtra	Nil	
Total (A+B)			3058.52

b) Source of Funds

Sr. No.	Particulars	Amount (In Lakhs)
(A)	Central Govt.	1557.52
(B)	State Govt. of Maharashtra	1501.00
(C)	Contribution from Industry Partners	Nil
(D)	Interest Income	405.33
(E)	Academic Receipts	2782.52
(F)	Other income	25.67
Total		6272.04

c) Expenditure for last three years

Sr. No.	Year	Recurring Exp.	Non-Recurring Exp.	Total (in Lakh)
(A)	2021-22	226.30	55.64	281.94
(B)	2022-23	1148.52	666.59	1818.11
(C)	2023-24	1455.93	1707.80	3163.73

10. Programmes Offered

IIIT Pune is committed to providing the best-in-class technical education in the country. The Institute is facilitating knowledge transfer whilst keeping up with the latest development pedagogy. The Institute offers four-year undergraduate [Bachelor of Technology (B.Tech.)], Master of Technology (M.Tech.) and Doctor of Philosophy (Ph.D.) programmes.

IIIT Pune offers B.Tech. and M.Tech. in the following departments:

- a) Electronics and Communication Engineering (ECE)
- b) Computer Science and Engineering (CSE)

The Institute has also started the ‘Honors’ degree from 2020 attending batches in both the branches viz. Computer Science and Engineering and Electronics and Communication Engineering [B.Tech (Hons) in CSE/ECE]. The purpose is to provide the students with deeper training in core subjects which will help them in higher studies, internships, and placements.

The admissions for B.Tech in the Institute are carried out by Central Seat Allocation Board (CSAB) by the Joint Seat Allocation Authority (JoSAA). Apart from JoSAA, the Institute has the provision of enrolling B.Tech students through Direct Admission of Students Abroad (DASA). Its current intake capacity through DASA is 34. The admissions for M.Tech in the Institute are carried out by Centralized Counselling for M.Tech. The number of students admitted into B.Tech and M.Tech in 2023-24 is listed below:

S No.	Programme and Specialization	Intake	Boys	Girls	Total
1.	B.Tech (CSE)	235	177	37	214
2.	B.Tech (ECE)	68	44	12	56
3.	M.Tech (CSE)	36	8	5	13
4.	M.Tech (ECE)	22	0	0	0

The Ph.D. programme is aimed at assisting students in acquiring proficiency in their chosen area of research. The academic programme leading to the Ph.D. degree was started in 2018-19 session. The Institute also encourages research in interdisciplinary areas through a system of joint supervision and inter-departmental group activities.

Research activities in IIIT Pune are carried out under the ambit of academic departments:

1. Department of Electronics and Communication Engineering (ECE)
2. Department of Computer and Science Engineering (CSE)
3. Department of Applied Mathematics and Data Sciences (AMDS)
4. Department of Humanities and Social Sciences (HSS)
5. Department of Management

With an aim to develop new knowledge in all aspects of teaching and research, IIIT Pune invites applications from eligible Indian nationals for the admission to the Ph.D. programme of the Institute. IIIT Pune plans to develop world-class research facilities in areas of Software Engineering, Mobile Computing, Information Security, IoT, Robotics, Machine Learning,

Speech and Image Processing, Medical Informatics, Cyber Physical Systems, Wireless Networks, VLSI Design, and Nanotechnology.

Students are admitted in the Ph.D. programme at IIIT Pune in July and December since 2022 through an open advertisement and selection process (written test followed by interview). The number of students enrolled in Ph.D. during 2023-24 are:

S. No.	Department	July 2023 Session	December 2024 Session	Total
1.	CSE	8	0	8
2.	ECE	3	0	3
3.	HSS	0	0	0
4.	AMDS	1	0	1
5.	Management	1	0	1

11. Curriculum

IIIT Pune is actively working on revamping its Undergraduate (UG) and Post-Graduate (PG) curriculum to meet the future IT requirements. Apart from academics, the Institute provides a comprehensive environment that promotes art, culture, sports, societal contributions, and self-governance. The students participate in ongoing research and technology development, and as a result, a vibrant programme exists to fulfill the needs of society.

The B.Tech. and M.Tech. curriculum has the following components:

1. Programme Core Courses
2. Programme Elective courses
3. Open Elective courses
4. Self-Study / Online Courses
5. Internship
6. Project Work

Relative grading is used to assess the performance of the students.

12. Conduction of Classes

The Classes are conducted in its transit campus inside Sai Sinhgad Business School, Ambegaon BK, Pune, Maharashtra-411041, sharing the resources such as hostel, classrooms, laboratories, playground among others.

The list of faculties for session 2022-23 as follows:

Sl. No.	Name of Faculty Member	Designation	Department
1.	Dr. Ritu Tiwari	Professor	Dept. of Computer Science & Engg
2.	Dr. Sanjeev Kumar Sharma	Assistant Professor	Dept. of Computer Science & Engg
3.	Dr. Bhupendra Singh	Assistant Professor	Dept. of Computer Science & Engg
4.	Dr. Nagendra Kushwaha	Assistant Professor	Dept. of Electronics & Communication Engg.
5.	Dr. Sushant Kumar	Assistant Professor	Dept. of Electronics & Communication Engg.
6.	Dr. Anagha Uday Khiste	Assistant Professor	Dept. of Applied Mathematics & Data Science
7.	Dr. Chandrakant Narayan Guled	Assistant Professor	Dept. of Applied Mathematics & Data Science
8.	Dr. Vagisha Mishra	Assistant Professor	Dept. of Humanities and Social Sciences
9.	Dr. Shrikant Salve	Assistant Professor	Dept. of Computer Science & Engg.
10.	Dr. Amruta Lipare	Assistant Professor	Dept. of Computer Science & Engg.
11.	Dr. Jatin Majithia	Assistant Professor	Dept. of Applied Mathematics & Data Science
12.	Dr. Mahendra P Yadav	Assistant Professor	Dept. of Computer Science & Engg.
13.	Dr. Priyank Jain	Assistant Professor	Dept. of Computer Science & Engg.
14.	Dr. Sonam Maurya	Assistant Professor	Dept. of Computer Science & Engg.
15.	Dr. Meenakshi Choudhary	Assistant Professor	Dept. of Computer Science & Engg.
16.	Dr Shruti Taksali	Adjunct Assistant Professor	Dept. of Computer Science & Engg.
17.	Dr Pintu Kumar	Adjunct Assistant Professor	Dept. of Electronics & Communication Engg.
18.	Dr Bhukya Venkanna Naik	Adjunct Assistant Professor	Dept. of Electronics & Communication Engg.
19.	Dr Prateek	Adjunct Assistant Professor	Dept. of Electronics & Communication Engg.
20.	Dr Pugal Priya Raju	Adjunct Assistant Professor	Dept. of Electronics & Communication Engg.
21.	Dr Anshikha Adhikari	Adjunct Assistant Professor	Dept. of Humanities and Social Sciences
22.	Dr Neha Singh	Adjunct Assistant Professor	Dept. of Electronics & Communication Engg.
23.	Dr Mohammad Akhlaqur Rahaman	Adjunct Assistant Professor	Dept. of Electronics & Communication Engg.
24.	Mr Pradeep Kumar Bhale	Adjunct Assistant Professor	Dept. of Computer Science & Engg.
25.	Ms Sakshi Semwal	Adjunct Assistant Professor	Dept. of Humanities and Social Sciences
26.	Ms. Anu Priya	Adjunct Assistant Professor	Dept. of Computer Science & Engg.
27.	Ms. Anupama	Adjunct Assistant Professor	Dept. of Computer Science & Engg.

13. Research and Development

IIIT Pune has established research centers in the following identified areas:

1. Centre for Robotics and Security in IoT Space
2. Centre for VLSI and Nanotechnology
3. Centre for Indian Languages and Computational Intelligence

The faculty members of IIIT Pune are associated with various research centers for multidisciplinary research. Different activities have been started by the research centers including conducting Faculty Development Programme (FDPs) and Short-Term Training Programmes (STP), collaborative research, among others.

13.1 Peer-Reviewed Journal Publications

1. Sonam Maurya, Nainil Nandu, Tanay Patel, et al. “A Discrete Cosine Transform based Intelligent Image Steganography Scheme using Quantum Substitution Box”, in Quantum Information Processing (Impact factor: 1.965), Springer, 2023. [2nd revised draft submitted].
2. Todmal, Shantanu & Mule, Ashish & Bhagwat, Devang & Hazra, Tanmoy & Singh, Bhupendra. (2022). Human face generation from textual description via style mapping and manipulation. *Multimedia Tools and Applications*. 82. 1-16. 10.1007/s11042-022-13899-5.
3. Vaibhav Tewari, Noamaan Abdul Azeem, Sanjeev Sharma “Automatic Guava Disease detection using different deep learning approaches” *Multimedia Tools and Applications* (2023): 1-24. (SCI-E, IF=3.6).
4. CN Guled, JV Tawade, P Kumam, S Noeiaghdam, I Maharudrappa, SM Chithra, V Govindan.” The heat transfer effects of MHD slip flow with suction and injection and radiation over a shrinking sheet by optimal homotopy analysis method”, *Results in Engineering*.

13.2 Conference Publications

1. Ashish Shetty, Yatharth Kale, Yogeshwar Patil, Rajeshwar Patil and Sanjeev Sharma, “Automatic Cataract detection using Ensemble model”, 4th International Conference on Machine Intelligence and Signal Processing (MISP2022), Springer.
2. Vinat Goyal, Sanjeev Sharma, and Bharat Garg, “Texture Classification using ResNet and EfficientNet”, 4th International Conference on Machine Intelligence and Signal Processing (MISP2022), Springer.
3. Rahul Hermon, Upasna Singh, Bhupendra Singh NTFS: “Introduction and Analysis from Forensics Point of View.” 2023 International Conference for Advancement in Technology (ICONAT)
4. Akash Budhrani; Upasna Singh; Bhupendra Singh “Resolving Attached USBs: Analysis of Windows 11 Artifacts” 2023 International Conference for Advancement in Technology (ICONAT)
5. Rahul Hermon, Upasna Singh, Bhupendra Singh “Anti-forensic technique using alternate data streams for data hiding in ntfs” 2022 International Conference on Futuristic Technologies (INCOFT)
6. Akash Budhrani; Upasna Singh; Bhupendra Singh “Analysis of Windows 11 Link File Artifact for Evidence Gathering” 2022 International Conference on Futuristic Technologies (INCOFT)
7. Shruti Taksali, Amruta Lipare “Scheming of Diamond Ring Harvester or Low-Powered IoT Devices” International Conference on Paradigms of Communication, Computing and Data Analytics

13.3 Research Projects

1. Ministry of Electronics & Information Technology, Govt. of India funded project titled “Power and Space optimization in Internet of Things (IoT) System-on-Chip (SoC)”
 - Principal Investigator: Dr Nagendra Kushwaha
 - Grant amount: 81.5 Lakhs
 - Duration: 5 years
2. NCoE- DSCI, MeitY sponsored project titled ‘Unified Drone Forensics Tool (UDFT) for Fly Path for Drone.’
 - Co PI: Dr. Bhupendra Singh
 - Grant amount: 8 months
 - Duration 8 months

14. Placements

IIIT Pune's Career Development & Corporate Relations Centre (CDCRC) plays a vital role in guiding students towards successful careers. The CDCRC provides knowledge, skills, and aptitude necessary to meet industry demands. The institute has achieved remarkable success in this area, with numerous companies visiting for campus placements in the current academic year.

The highest package offered to students this year is 43 lakh per annum, while the average package is 13.09 lakh per annum. IIIT Pune consistently improves its placement records, securing placements for its students in top brands each year. Notable companies that have offered high salaries include Commvault (33 lakh), Fisher Jordan (21 lakh) and JustPay (21 lakh), CitiBank (18 lakh), GEDigital (17.37 lakh) each, Mitsogo Technologies, Rakuten, Accenture, and Autodesk, among others. All eligible final-year students have been placed in the current academic session, with 67 students receiving internship offers. The highest internship offered was 1 Lakh per month.

IIIT Pune has experienced overall growth in terms of both placements and internships. Companies from various sectors, including Networking & Telecommunication, product-based, IT Services & Consultancies, E-Commerce, and Financial Services, visited the campus. Prominent companies such as TCS, Increff, Texas Instruments, Robert Bosch, Codenation, Deloitte, Nykaa, Infosys, IBM, Cognizant, among others, have already visited and offered jobs to students.

Details of placement

Batch/Branch	Eligible Students	Average Package	Highest Package	Total Selections	Placement Percentage
2024/CSE	175	13.25	43	*43	*24.57
2024/ECE	43	11.84	21	*11	*25.58

* Tentative numbers due to ongoing placement process

Details of B. Tech Internship

Batch/Brach	Eligible Students	Highest Stipend (per month)	Lowest Stipend
2024/CSE	67	1 Lakh	20000
2024/ECE		75000	15000

Details of M. Tech Placement

Batch/Brach	Eligible Students	Average Package	Highest Package	Total Selections	Percentage Placed
2024/CSE	9	15	15	2*	22.22*
2024/ECE	7	15	15	1*	14.28*

* Tentative numbers due to ongoing placement process

Details of M. Tech Internship

Batch/Brach	Eligible Students	Internships	Highest stipend	Lowest stipend
2024/CSE	5	5	35000	30000
2024/ECE	5	4	55000	35000

A consistent growth can be seen in terms of placements regarding the highest package as well as in the average package offered to the students of IIIT Pune in the last three years.

All the figures displayed in the graphs are in **Lakh Per Annum** and are subject to change due to the ongoing placement.

15. Webinars, Invited Talks and Conferences

Figure 5: Glimpses from Dr Jatin Majithis'a expert lecture on "Problems in Linear Algebra"

1. Dr. Mahendra Pratap Yadav delivered a lecture in workshop "Artificial Intelligence and It's Real-Life Applications" on 13-05-2023 at ISBM College of Engineering, Pune.
2. Dr. Mahendra Pratap Yadav delivered an expert talk on "DevOps: Software Development and Operations" at an Atal FDP held at Dr. Babasaheb Ambedkar Technological University on 01-12-2023.
3. Dr. Shrikant Salve attended the National Conference on Multidisciplinary Research & Practice in Engineering at Sinhgad Academy of Engineering Kondhwa, Pune and delivered a Keynote lecture on "Multidisciplinary Research & Practice in Engineering" on 21-04-2023.

4. Dr. Shruti Taksali delivered a lecture on “HSM Based IoNT Architecture for a Smart Township” at a national conference on 13/05/2023 held in Kerala.
5. Dr Jatin Majithia delivered an expert lecture on “Problems in Linear Algebra” at a workshop held at Prof. Ram Krishna More College, Akurdi on 02/03/2024.

16. Workshops, FDPs, STPs and MTPs

Figure 6: Glimpses from the workshop 'Design, Analysis, and Simulation of 5G and 6G Communication using Python'

1. IIIT Pune, in collaboration with SERB, conducted a workshop named 'Design, Analysis, and Simulation of 5G and 6G Communication using Python' from June 19th, 2023, to June 27th, 2023. Dr. Nagendra Kushwaha served as the event coordinator.
2. IIIT Pune, in collaboration with SGGS Nanded, conducted a programme called "Entrepreneurship and Skill Development" from February 22, 2023, to February 23, 2023. Dr. Chandrakant Guled was the organiser of the workshop.
3. IIIT Pune, in collaboration with the Centre for Research on Cyber Intelligence and Digital Forensics (CRCIDF), hosted a Certificate Course in Cyber Security & Digital Forensics from May 15th, 2023, to June 15th, 2023. Dr. Bhupendra Singh served as the coordinator.

17. Co-Scholastic Activities

1. IIIT Pune organized a two-week Hindi Pakhwada event during Hindi Diwas to promote the Hindi language in the workplace. From September 14th to 29th, various competitions were held, including a language questionnaire, painting, extempore speaking, and essay writing, with winners receiving cash prizes. The objective was to highlight Hindi's importance as a communication language and encourage its integration into the technological aspects of work. A renowned Hindi professor, Mr. Prashant Vitthal Sathe from BMCC College Pune, was invited to deliver lectures discussing various aspects of the Hindi language and its relevance in the technological landscape.
2. On the occasion of Bharatiya Bhasha Utsav, IIIT Pune held a Multilingualism quiz on December 27th, conducted by Qriocity, the quizzing society. This quiz, open to all students and faculty, provided a wonderful opportunity to learn more about India's linguistic diversity. IIIT Pune fosters a sense of pride in our culture and nation, making us proud to be part of this incredible country.
3. From November 15th to November 26th, 2023, IIIT Pune hosted “Jan Jatiya Gaurav Diwas”. A variety of events were held during this period, including quiz competitions and drawing

competitions. An awareness session was also part of the initiative, educating students and staff about the significant contributions of tribal freedom fighters. The quiz competition was particularly noteworthy, with enthusiastic participation from 94 students. As part of the awareness program, information was displayed on various notice boards to further inform students and staff about the significant contributions of tribal freedom fighters.

4. The success of this event is attributed to the exemplary coordination of our esteemed convener, Professor Dr. Omprakash Kakade, our respected Dean Dr. Ritu Tiwari, the valuable support of our dedicated faculty, and the active involvement of our revered teachers and cooperative student union. Through initiatives such as awareness programs, tree planting, and seminars, we aim to promote environmental consciousness and contribute to the national green mission. We are also delighted to inform you that as a symbol of our commitment to sustainability, Amrit Kalash has been presented to the Nehru Youth Centre in a formal ceremony.
5. A significant initiative was undertaken in 2023 by our institution, aligning with the objectives of Drug Demand Reduction, De-addiction & Rehabilitation Awareness among students. This awareness campaign continued for almost six months and was in adherence to the directives provided by the Nasha Mukta Bharat program 2023.
6. From October 25th to October 31st, 2023, IIIT Pune celebrated National Unity Week. The institute arranged a variety of activities for students, including poster making, slogan writing, and essay writing, aimed at fostering a profound sense of unity among the student community. Furthermore, on Rashtriya Ekta Diwas, observed on October 31st, 2023, IIIT Pune conducted a pledge-taking ceremony. The students and staff actively took part in this ceremony, renewing their promise to promote and protect the unity, integrity, and security of the nation.
7. On 15th August 2023, IIIT Pune marked the 76th Independence Day with a grand celebration. The event saw active participation from faculty, staff, and students in the flag hoisting ceremony, reflecting their patriotic spirit. A unique aspect of the celebration was the students' pledge, "Maati ki Shapath", where they took a handful of soil and made a vow. This was followed by a parade around the college premises. Adding to the day's significance, the first hard copy of the annual magazine, 'Eminence 23', was unveiled by team Eminence.

Figure 7: Independence Day celebration on 15th August 2023

8. On 13th March 2024, IIIT Pune live streamed the address to the nation and the laying of the foundation stone for three semiconductor facilities by the Hon'ble Prime Minister, Shri

Narendra Modi ji. A total of 480 students and staff attended this significant milestone in the history of our country.

9. The 76th Republic Day was celebrated in the Institute on 26th January 2024.

Figure 8: Republic day celebration in IIIT Pune

10. The Sports Club held a spirited National Sports Day event from August 25-27, featuring games like Dodgeball, Tug of War, 100m race, football, and chess. The event highlighted physical fitness, teamwork, and friendly rivalry. A prize ceremony on August 29 recognized participants' achievements, emphasizing the importance of holistic development. A special performance by the Sports Club and Abhinay, the Dramatics Club, underscored the significance of sports in promoting unity, discipline, and a healthy lifestyle, making the event a memorable experience.

11. The Sports Club proudly hosted Eklavya, IIIT Pune's annual sports meet, from October 14th to 17th, 2023. Eklavya thrives on participants from various academic years competing against each other, ultimately leading to the crowning of an unbeatable champion. Teams from every academic year competed fervently in cricket, volleyball, football, badminton, kabaddi, table tennis, chess, and basketball. During Ekalavya, nearly 500 students enthusiastically joined in, supporting and encouraging their fellow batchmates, creating an electrifying atmosphere and leaving an indelible mark on the event. The grand finale featured an exuberant awards ceremony, where all victorious teams and individuals were honored for their outstanding accomplishments and exemplary sportsmanship, receiving well-deserved medals and recognition.

15. ETHIndia, Asia's premier Ethereum Hackathon, held from 8th-10th Dec '23 in Bengaluru, witnessed remarkable participation from our college. Team ChainTrace, with Chaitanya Deshmukh and Atharv Kurlapkar, developed a decentralized supply chain system, ChainTrace, integrating Push Protocol for real-time updates. Their project won the Quadratic pool prize. Another team, vangaurd.eth, comprising.
16. Ashutosh Jha, Anuj Rajput, and Mahim Gupta, secured third place from 1inch, one of the event's sponsors, winning \$1,000. The event, organized by ETHGlobal, attracted about 2000 attendees from over 30 countries and offered numerous web3 opportunities. The teams' achievements at this prestigious event highlight their exceptional skills and dedication to blockchain technology.
17. The Indian Institute of Information Technology, Pune (IIIT, Pune) marked a significant milestone with its first convocation ceremony on March 23rd, 2024. The event saw 339

students receiving their degrees, symbolizing the institute's commitment to excellence in technical education and research. The ceremony was graced by Prof. Anil Sahasrabudhe, Chairman of the National Educational Technology Forum (NETF), the National Assessment and Accreditation Council (NAAC), and the National Board of Accreditation (NBA). His presence added to the grandeur of the event, and his inspiring.

18. words undoubtedly left a lasting impact on the graduates. The event also recognized the academic achievements of the students. Dudhal Disha Jagannath, Rutuja Madhure, Saksham Sachdeva, and Aditi Dwivedi were awarded the Academic Excellence awards for achieving the highest CGPA in their graduating batches of the B.Tech. programme.

21. Embracing the theme of Halloween, the organizing team, led by Suryansh Kumar, went above and beyond to create an atmosphere filled with mystery and excitement. Amaan Parvez led the social media and creative endeavors, while Atharv Patil and Vinit Agarwal worked tirelessly to secure sponsorships, ensuring the success of the event. Ishan Upadhaya and Janhavi Singh flawlessly managed all aspects of coordination, while Janvi Goyal and Nisha Talware brought the spooky theme to life with their imaginative decorations. Prakhar Singh Chouhan showcased exceptional talent in digital design.
22. The technical events lineup was nothing short of thrilling. Off-Road Bandits, organized by the Rofies club and led by Mahim Singh and Dip Patel, challenged teams to navigate carrier robots through rugged terrain. Nexus, a 36-hour offline hackathon hosted by the Localhost club and led by Vinit Agarwal and Satyam Singh, put participants' coding skills and problem-solving abilities to the test. BitLegion, under the leadership of Ashu Mittal, hosted two gripping events: Infinity, a prestigious coding contest on CodeChef, and Lockout, a 1v1 offline coding tournament.
23. The Ganesh Chaturthi celebration of 2023 was the largest in the institute's history. Additionally, Shri Ram's Pran Pratishtha was celebrated, with several diyas lit on campus. To honor Shivaji Maharaj on his birth anniversary (Shiv Jayanti), Mardani Khel and other traditional activities were organized. All of this was made possible through the efforts of Aarambh, an initiative taken by the students.
24. Roobaru, a 3-day cultural extravaganza, held on 28th February, 29th February, and 5th March, attracted over 250 students. Each day had a unique theme: Traditional Day, Black and White Day, and Bollywood Day. Activities included a jamming session, an open mic, and monoacts. The event's success was due to the dedication of 2nd-year and M.Tech student volunteers.

18. Acknowledgement

IIIT Pune acknowledges the Ministry of Education for its unwavering support and guidance in setting up the Institute. We also extend our heartfelt gratitude to the Board of Governors, Senate, Buildings and Work Committee. The entire range of scholastic and co-scholastic activities take place with the enthusiastic support and participation of all stakeholders, faculty, staff and students. We are deeply indebted to our funding agencies, professionals and experts, who assist us in various activities and events. We are thankful to our alumni, who have extended their contribution in enriching the vibrancy of our campus life.
