Pune/2020-21/2022-23/ 620

Date: October 14, 2022

Dear Sir,

I have audited the annual accounts of the Indian Institute of Information Technology, Pune, for the year 2020-21 and have issued the Audit Report on 14.10.2022. During the course of audit, the following deficiency which has not been included in the Audit Report is brought to your notice for corrective and remedial action:

1. Current-Liabilities & Provision- Schedule 3 - ₹14.67crore

- (i) This did not include employers' contribution of ₹17.49 lakh towards New Pension Scheme (NPS). This has resulted in understatement of current liabilities & provisions by ₹17.49 lakh and understatement of expenditure (employer contribution) to the same extent.
- (ii) Further, employees contribution towards NPS of ₹12.49 lakh included an amount of ₹3.94 lakh pertaining to the period from July 2019 to March 2020 pending allotment of PRAN by NSDL. The delay in remittance of the same deprives the employees of interest on contributions.

2. Provisions (Schedule 3 B) - ₹35.04 lakh

This head included an amount of ₹15.18 lakh (Annexure C) as provision for salary for the month of March 2021 against the actual payment of ₹16.26 lakhs. The Institute made short provision of ₹1.07 lakh. This has resulted in understatement of provisions by ₹1.07 lakh and understatement of prior period expenses to the same extent.

3. Investment-others-(Schedule 6) - ₹33.66 Crore

Fixed Deposits under the above schedule (No.39976598353, 39976598910, 39976599016) of face value of ₹50 lakhs each were accounted at ₹50.22 lakh each including the interest earned on them. Interest earned/receivable for the current year was shown as Nil. Similarly, FDR No 38257597284 amounting to ₹55.26 lakh (Annexure D to Schedule 6) was ₹52.99 lakh as per confirmation from Bank. The difference is of ₹2.27 lakh, (Interest earned during the year ₹1.85 lakh +Accrued interest of previous year of ₹0.42 lakh realized in 2020-21). This needs reconciliation.

4. Current Assets (Sch.7) ₹3.60 crore

The Closing Balance of Current Accounts as per R&P Account ended 31-03-2021 was ₹2.09 crore, whereas as per Current Accounts balance (Sch.7) it was ₹2.06 lakh.

Contd....2

-: 2 :-

Similarly, the opening balance of Current Account as per R&P Account as on 1-4-2021 (i.e. closing balance of previous year ended 31-3-2020) is ₹58.50 lakh, whereas as per Schedule 7 Current Accounts balance is ₹50.38 lakh. This needs reconciliation.

Yours sincerely,

(K.P.Yadav)

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Indian Institute of Information Technology, Pune for the year ended 31 March 2021.

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Pune ('the Institute') as at 31 March 2021, the Income & Expenditure Account and Receipt & Payment Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28(3) of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of

financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

ii. The Balance Sheet, the Income & Expenditure Account and the Receipt & Payment Account dealt with by this report have been drawn up in the new format prescribed by the Ministry of Human Resource Development, Government of India vide Order No.19-4/2012-IFD dated 17 April 2015.

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Section 28 of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 in so far as it appears from our examination of such books.

iv. We further report that:

A. Income & Expenditure

A.1 Income

A.1.1 Income from Investment (Sch.11) ₹ 1.45 crore

This included the interest income of ₹ 1.45 crore received against investment from Grant (₹ 56.12 lakh), College Fund (₹ 83.87 lakh) & State Govt. Grant (₹ 5.08 lakh) which are not the income of the Institute.

Treating the above interest as income of the institute was irregular and it resulted in overstatement of income by ₹1.45 crore and understatement of Current Liabilities & provision (Schedule 3) to the same extent.

B. General Comments

1. Loan Advances & Deposit (Sch.8) of ₹ 84.56 lakh included ₹1.02 lakh TDS receivable under "Claim Receivable- ₹4.02 lakh" but not reflected in Form 26AS. The Institute for want of modified "Form 26AS" from State Bank of India with inclusion of TDS credit of ₹1.02 lakh for the financial year

2016-17, has not claimed refund but included the same as receivable when the receipt of the same was not certain.

2. The treatment of academic receipts on cash-realisation basis or on accrual basis should be disclosed in the accounts as prescribed under the format. Contrary to its significant accounting policy (Schedule 23-2.1 on revenue recognition on mercantile basis), the Institute included the advance receipts for the period April 2021 to June 2021.

3. Academic Expenses- (Schedule 16) ₹55.65 lakh was received from the Central Counselling Team to be distributed as honorarium for the work done at IIIT Pune from June 2020 to September 2020 to be distributed as honorarium for the admission work done. However, the Institute instead of depicting the same under Receipts and matching expenses under Expenditure netted off the receipts under Academic Expenses Head (Sch.16) and the unpaid amount as on 31.03.2021 as a negative figure.

4. Other expenses (Schedule 21) ₹5.85 lakh The above account head included an amount of ₹5.57 lakh towards unrealized Tuition Fees etc., as "Provision for Bad and Doubtful Debts/Advances". However, the above being a provision was not exhibited under Current Liabilities & Provisions.

5. NPS Annual Accounts have not been prepared separately on the grounds that no employee of the institute has got the PRAN allotted by NSDL. The very purpose of preparation of separate NPS accounts is for accounting the NPS contributions retained by the Institute.

6. It is observed that below mentioned FDRs were renewed during 2020-21, but the renewed dates of FDRs i.e. Date of investment & maturity were not reflected in Annexure-D to Schedule-6C. The dates of the following FDRs were not updated while preparing Annual Account 2020-21.

Sr. No	FD No	Date of Investment	Date of Maturity	Amount

10	38257597284	10/12/2019	08/02/2020	55,25,887
11	37681344806	02/05/2019	02/05/2020	50,00,000

7. As on March 2021 the unutilized grant was amounting to ₹1284.77 lakh and out of this, the institute has made investment of ₹1105.26 lakh, however closing balance of ₹83.55 lakh only was available in the current Account. Thus the total amount of ₹1188.81 lakh has been shown under investment and bank balances against unutilized grant of ₹1284.77 lakh. Thus the institute has shown short amount of ₹95.96 lakh under current assets of Balance Sheet. The difference needs to be reconciled.

8(i) As per the Receipt and Payment Account, Fixed Assets worth ₹12.67 lakh was purchased during the year, the Institute has shown fixed assets value of ₹10.46 lakh only in the Fixed Asset Schedule. The difference needs reconciliation.

8(ii) As per Current Liabilities of Balance Sheet, the Institute has shown unutilized amount of ₹35.49 lakh on account of Sponsored Fellowship and Scholarship (Schedule-B) and as per Receipts and Payments A/c the unutilized amount is ₹51.59 lakh at the end of March 2021. The difference needs reconciliation.

8(iii) As per Receipts and Payments A/c, the Institute has shown closing balance of ₹208.91 lakh in the current account of State Bank of India at the end of March 2021. However, Schedule -7 of Current Assets showed closing balance of ₹206.17 lakh. The difference needs reconciliation.

8(iv) As per Receipts and Payments A/c, the Institute has shown the payment of ₹110.15 lakh on account of Administrative and General expenses. But as per Income and Expenditure A/c the expenditure of ₹178.42 lakh has been shown in the said head. Thus, the excess expenditure of ₹68.27 lakh (₹178.42 lakh-₹110.15 lakh) has been shown against the Receipts and Payments A/c. The difference needs reconciliation.

9. Neither the provisions for retirement benefits have been made by the Institute as required under Accounting Standard (AS-15) and as per prescribed format nor the same was disclosed under Notes to Accounts.

C. Grant-in-aid

The Institute received Capital grant of ₹2.50 crore during the year together with an opening balance of ₹9.21 crore (including interest on the grants carried forward of ₹46 lakhs of previous year) totalling to ₹11.71 crore and utilised an amount of ₹94.48 lakh leaving an unspent balance of ₹11.33 crore including interest on grant ₹56.12 lakh.

The Institute met the revenue expenditure of ₹4.96 crore out of internal revenue generated of ₹14.84 crore excluding interest on grants and College Fund of ₹1.45 crore.

The interest earned on grant of ₹96.58 lakh as per Utilisation Certificate was short depicted (₹46 lakh+₹56.12 lakh). This ought to have been credited to Consolidated Fund of India after finalization of the Accounts. Non-compliance to GFR provisions (Rule 230(8) of GFR 2017) by not surrendering the

interest, is a persistent irregularity by the Institute from accounting year 2018-19.

Similarly, out of unspent grant of ₹2.60 crore from Government of Maharashtra from previous year, the Institute utilized ₹5.94 lakh during the year, leaving a balance of ₹2.54 crore as unutilized at the end of the year 2020-21. The interest received on grant of ₹5.09 lakh was not surrendered to the grantor.
