Prof. Laxmidhar Behera, Professor, IIT Kanpur	Member
Mr. Anuj Mehra, Lead Data Scientist, Magic Bricks, Bangalore	Member
Ms. Yesoda Bhargava, Sr. Lead Engineer, Samsung Research, Bangalore	Member
Prof. O. G. Kakde, Director, IIIT Nagpur	Invited Member
Prof. Jagannath Aghav, Professor, CoE, Pune	Member
Prof. Shekhar Bhansali, Professor, Florida International University, USA	Member (Via Skype)
Dr. Pankaj Sharma, Asst. Professor, IIIT Pune	Invited Member
Dr. Nagendra Kushwaha, Asst. Professor, HOD(ECE) IIIT Pune	Member
Dr. Tanmoy Hazra, Asst. Professor, IIIT Pune	Invited Member
Dr. Sandeep Mishra, Asst. Professor, IIIT Pune	Invited Member
Mr. Bhupender Singh, Asst. Professor, IIIT Pune	Invited Member
Mr. Amar Nath Tripathi, Admin. Officer, IIIT Pune	Invited Member
Prof. S. N. sapali, Registrar, IIIT Pune	Secretary

At the outset, the Chairman welcomed all the members present and took up the following agenda items.

1. To consider and approve the proposal to adopt B. Tech, M. Tech & Ph.D rules and regulations of IIITM Gwalior, for the initial phase, till the time own rules & regulations of IIIT Pune are developed.

Senate was apprised of the decision of the Board of Governors (BoG) of the Institute on the above matter. Senate was further informed that Board of Governors (BOG) in its meeting held on 26-02-2019 vide its minutes no. **3.28.02** has already accorded its approval to the B Tech Ordinances proposed by the Institute. Senate agreed to the same for implementation from the Academic Session 2019-20.

Senate considered and approved the Ordinances for M Tech and Ph D programs prepared on the basis of IIITM, Gwalior and proposed by the Institute for adoption with effect from Academic Session 2019-20.

2. To consider and approve the proposed detailed curriculum structure and syllabus of B. Tech. program in ECE & CSE to be followed from Batch of 2019, and to approve the revised structure and syllabus of B. Tech for batches of 2016, 2017, 2018.

The senate after deliberate discussions approved the scheme structure for both undergraduate courses to be implemented from 2019, with the following recommendations.

- a) Total credit must lie between 160 to 180.
- b) Addition of the humanity subject 'Consciousness and values' in first and second semester for both the undergraduate courses.

Senate also approved the course structure and syllabus of B Tech programmes for batches of 2016, 2017, and 2018.

3. To consider and approve the fee structure of B. Tech program in ECE & CSE Batch of 2019.

The Senate recommended to follow existing fee structure to be implemented for B. Tech programme in batch of 2019.

4. To discuss and identify the mechanisms and sources to run sponsored MTech. & Ph.D. programs from July 2019.

The senate suggested to approach local IT and other industries and prepare industry industry-friendly curriculum to attract industry people to pursue M. Tech and Ph.D. programmes under self-financing scheme.

5. To consider and approve the detailed curriculum structure and syllabus of M. Tech. program in ECE & CSE to be followed from Batch of 2019.

The Senate considered the proposal and approved the curriculum structure, with the following suggested changes:

- a) The total credits for two-year M. Tech programs should be a maximum of 60 credits.
- b) Only four subjects in 1st and 2nd semester of the M. Tech program with two departmental core subjects and two elective subjects in each semester
- c) Online courses from SWAYAM, NPTEL and Coursera can be considered for awarding credits equivalent to a subject credit, provided the evaluation is done at Institute level by the faculty members of IIIT Pune.

Accordingly, modified course structure and syllabus may be drawn up and placed before the chairman for necessary approval.

6. To consider and approve the detailed curriculum structure and syllabus of IIITM Gwalior, to be implemented for PhD course work for batch to be started in July 2019.

The Senate considered the proposal and resolved to adopt the structure of course work of IIITM Gwalior for PhD programme in ECE and CSE, for batch to be started in July 2019. Additionally following points were recommended:

- a) Candidates having qualifying degree as M. Tech shall complete coursework of at least 12 credits.
- b) Candidates having qualifying degree as B. Tech shall complete coursework of at least 15 credits.

- c) Online courses from SWAYAM, NPTEL and Coursera can be considered for awarding credits equivalent to a subject credit, provided the evaluation is done at Institute level by the faculty members of IIIT Pune.
- d) Industry professional applying for PhD must have at least 2 years of industry experience.

7. To consider and approve the fee structure of MTech & Ph.D. for batch starting in July 2019.

The Senate considered and recommended the proposed fee structure of M. Tech and Ph.D. for batch starting in July 2019, respectively. The Senate also discussed the provision of scholarship for students admitted through Centralized Counselling for M. Tech. (CCMT) based on GATE score and recommended a scholarship equivalent to MHRD Teaching Assistantship (@ INR 12400/-). Senate also advised to review the fee structure for both M. Tech and Ph.D. programmes w.e.f. 2020-21 batch.

8. To consider and approve the introduction of fee for re-examination of backlog courses in B. Tech. program.

The Senate considered the proposal and advised not to charge any fees for re-examination from students. However, summer term exam can be conducted with extra remedial classes for repetitive backlog students and Institute can charge a fee of Rs. 2000 per subject for students enrolled for the backlog re-examination.

9. To consider the proposal for establishing student Exchange Program with other IITs, NITS, IIITs, and international universities of repute.

The Senate in-principle approved the student exchange program with leading institutes and advised to draft necessary rules, policies and financial implications to place the same in the next meeting for consideration.

10. To consider and approve to sign MoUs with leading research institutions and international universities of repute for the purpose of joint award of degrees.

The Senate agreed to proposal in principle and advised to follow the UGC guidelines on the subject before drafting MoUs to be entered into. Senate also suggested to consider the models adopted by IITB and Monash University if feasible.

11. To consider and approve to establish Institute awards for academic and overall excellence for students and faculty members of the Institute.

The Senate recommended the establishment of following awards at institute level to be given on annual basis. The categories of award are:

- a) Director's Gold Medal (for overall best performance in academics with highest CGPA in entire passing out batch i.e. one in entire batch),
- b) Institute Silver Medal (for overall best performance in academics with highest CGPA in each department of passing out batch, except who have obtained the gold medal i.e. one in each department),
- c) Best Faculty Award (for excellence in teaching),
- d) Best research paper award (jointly to the students and supervising faculty).

12. To seek approval to establish externally sponsored awards for meritorious students on means-cum-merit basis.

The Senate agreed in principle and advised that Institute should identify agencies/organizations for providing as many as such awards to the meritorious students.

13. To consider and approve the merging of division of faculties on departmental basis and creation of general pool for promoting interdepartmental and interdisciplinary research.

The Senate is of the view of the department structure of administration is one of the well-established system and advised to keep the proposal in abeyance.

14. To consider and approve the establishment of following research centres

- a) Centre for Robotics & Security in Internet of Things (IoT) Space.
- b) Centre for VLSI & Nanotechnology.
- c) Centre for Indian Languages & Computational Intelligence.
- d) Centre for Biomedical Engineering & Bio-Informatics
- e) Centre for Innovation Incubation and Entrepreneurship

The Senate recommended the establishment of identified research centres to promote interdisciplinary research among faculties and students.

15. To consider and approve the proposal for Commencement of professional courses for corporate professionals

- a) PG Diploma (Data Science/ Software Development/ Machine Learning and Artificial Intelligence).
- b) PG certificate (Block chain Technology/ Data Science/ Certified Cyber Warrior).

The Senate considered and approved to commence the identified programmes with following suggestions.

- a) The fee for PG Diploma should be nearly 2.1 Lakh excluding GST.
- b) Duration of PG Diploma should be one (01) year and that of PG Certificate may vary depending on the specialization.
- c) Fee of PG certificate can be decided by the institute depending on the subject and duration.

16. To consider and approve the proposal for Organizing National Conference/ Workshop on Indian Languages for Technical Education in 2019.

The Senate approved the proposal for Organizing National Conference/ Workshop on Indian Languages for Technical Education in 2019.

17. To consider and approve the proposal for Faculty Induction Programme, Faculty Development Programme and Short-term Course.

The Senate approved the proposal for Faculty Induction Programmes for new regular faculties, along with conduction of Faculty Development Programmes and Short-term Courses from time to time.

18. To consider and approve the proposal for amending the end semester exam time from 3 hours to two hours.

The Senate suggested to follow the existing standard examination duration of 3 Hours.

19. To consider and approve the proposal awarding the undergraduate degree in ECE with majors in Internet of Things (IoT), Robotics, VLSI, 5G Communication and undergraduate degree in CSE with majors in Machine Learning (ML), Data Science (DS), Artificial Intelligence (AI).

The senate considered the agenda of awarding the undergraduate degrees with Majors title based on their fourth-year coursework and internship/training and recommended the implementation to be effective from passing out batch in 2019-20. The Senate approved the Majors titles for undergraduate degrees to be

1. Artificial Intelligence (AI)
2. Data Science (DS)
3. Internet of Things (IOT)
4. Robotics
5. VLSI Design

20. To consider and approve the norms for change of branch for undergraduate (B. Tech) Programme at IIIT Pune.

The Senate considered the agenda and recommended the following rules to be followed for change of branch for undergraduate (B. Tech) programme.

1. Normally a student admitted to a particular branch of the undergraduate programme will continue studying in that branch till completion.
2. However, in special cases the Institute may permit a student admitted through CSAB to change from one branch of studies to another after the first two semesters. Such changes will be permitted, in accordance with the provisions laid down hereinafter.
3. Only those students will be considered eligible for change of branch/programme after the second semester, who have completed and passed all the common credits required in the first two semesters of their studies in their first attempt.
4. Applications for a change of branch/programme must be made by intending eligible students in the prescribed form. The academic section will call for applications at the end of second semester of each academic year and the completed forms must be submitted by the last date specified in the notification.
5. Students may enlist their choices of branch/programme, in order of preference, to which they wish to change over. It will not be permissible to alter the choices after the application has been submitted.
6. Change of branch/programme shall be made strictly in order of merit of the applicants. For this purpose, the CGPA obtained at the end of the second semester shall be considered. In case of a tie, the JEE rank of the applicants will be considered.

7. The applicants may be allowed a change in branch/programme, strictly in order of inter- se merit, subject to the limitation that the strength of a branch should not fall below the existing strength by more than ten percent and should not go above the sanctioned strength by more than ten percent.

8. All changes of branch/programme made in accordance with the above rules will be effective from the third semester of the applicants concerned. No change of branch/programme shall be permitted after this.

9. All changes of branch/programme will be final and binding on the applicants. No student will be permitted, under any circumstances, to refuse the change of branch/programme offered.

21. To recommend the panel of experts in the discipline of ECE and CSE as Senate nominee for regular faculty recruitment at IIIT Pune.

The Senate recommended the panel of experts in the disciplines of ECE and CSE, for including as a Senate-nominated member in the selection committee for regular faculty recruitment at IIIT Pune.

The meeting ended with a vote of thanks to the chair.

Secretary
