Minutes of the 3rd Senate Meeting of IIIT Pune, held on July 26, 2020 at 4.00 p.m. by Circulation

The following were present in the meeting.

Dr. Anupam Shukla, Director, IIIT Pune	Chairman
Dr. Mahesh Chandra Govil, Director, NIT Sikkim	Member
Dr. Laxmidhar Behera, Professor, IIT Kanpur	Member
Dr. Shekhar Bhansali, Professor, Florida Int. Univ.	Member
Dr. Girijesh Prasad, Professor, Ulster University	Member
Dr. Debasish Ghose, IISc, Bangalore	Member
Mr. Anuj Mehra, Lead Data Scientist, Magicbricks	Member
Dr. Ritu Tiwari, Professor, IIIT Pune	Member
Dr. Tanmoy Hazra, Asst. Professor, HOD, CSE, IIIT Pune	Member
Dr. Nagendra Kushwaha, Asst. Professor, HOD, ECE, IIIT Pune	Member
Dr. Sanjeev Sharma, Asst. Professor, IIIT Pune	Invited Member
Dr. Sandeep Mishra, Asst. Professor, IIIT Pune	Invited Member
Dr. S. N. Sapali, Registrar, IIIT Pune	Secretary

Chairman welcomed all the members to the third meeting of the Senate. The agenda items were taken for discussion. Senate was briefed about items 3.1, 3.2, and 3.3 those were already discussed and approved by the Senate members.

Item	Agenda
3.1	To consider and approve the methods of grading for examinations of Intermediate B.Tech students. The Senate is requested to consider and approve the following methods for the grading of Intermediate B.Tech students: 1. Grading of the students for the end semester examinations of all intermediate semesters to be composite of 50% marks on the basis of internal assessment marks and the remaining 50% marks on the basis of performance in previous semester (i.e. SGPA) only. In the situation where SGPA of previous semester is not available (i.e. like for students of 1st semester and Ph.D. students) 100% evaluation shall be done on the basis of internal assessments only. 2. In case a student could not appear in the Internal assessment, then such pending tests shall be conducted in an online-off campus mode. The online platform to be used for conduction of tests will be decided by the respective course instructor. If any student faces difficulty in giving the online test due to poor internet connectivity or otherwise, the course instructor will assess the performance through assignments and audio based oral test (by speaking on mobile phone directly with the student). 3. In case a student has to re-appear on the previous semester courses (student who failed in the corresponding courses), his/ her result shall be finalized only after the compilation of the results of the previous semester. 4. If a student wishes to improve the grades, he/ she may appear in Special exams for such subjects during next semester. The scheme of 'Carry forward' (for the subjects in which student has failed), shall be applied that promotes every student of Intermediate semester to the next semester.

	<u>Approval of the Senate</u> Senate after careful observation and detail discussion on the guidelines circulated by UGC / MHRD, approved the proposed methods for the grading of courses of Intermediate B.Tech students.
3.2	To consider and approve the methods for examinations of Final year B.Tech and M.Tech students through online mode. The senate is requested to approve the following methods for online-off campus examination to be conducted for Final year B.Tech and M.Tech students: 1. Replacing 'Paper-Pen' based end semester examination for theory courses, respective course instructor shall conduct an online examination. 2. The student appears for examination from home. The question paper is received through online mode. The answers are submitted either online or through scanned pages of handwritten answer sheets as appropriate. 3. Each course instructor will announce the mode of evaluation to the students of the course, and will also provide the details to the Head of the Department. HoDs will send a consolidated list to the Dean (Academics). <u>Approval of the Senate</u> Senate considered the proposal and approved for the implementation.
3.3	To consider approval of B.Tech and M.Tech project evaluation through online mode. Senate is requested the online mode of evaluation for B.Tech and M.Tech projects with the following recommendation: 1. The B. Tech and M. Tech. project evaluations are to be conducted through online mode which is to be presented by the student with the presence of all evaluation committee members. 2. In case the student's connectivity is lost due to any reason then the student will be asked to join through his/ her telephone and the presentation given verbally/ orally. Students should upload a presentation beforehand. <u>Approval of the Senate</u> Senate approved the mode of proposed mode of project evaluation.
3.4	To consider and approve the proposal of M.Tech and Ph.D. Ordinances and Regulations of IIIT Pune. The Board of Governors (BOG) in its meeting held on 20.12.2019 vide its Minutes 4.4 approved the recommendation to develop the own Ordinances and Regulations for M.Tech and Ph.D. programme of IIIT Pune. The Senate is requested to consider and approve the proposal of M.Tech and Ph.D. Ordinances and Regulations attached as respectively which is to be implemented from the academic year 2020. <u>Approval of the Senate</u> Senate considered the proposals and approved to implement the M.Tech Ordinances attached. Ordinances and Regulations attached as Appendix-III from the Academic Session 2020-21. Senate recommended that Scholarship should be provided to the full-time Ph.D. students. Due to COVID-19, Senate recommended admission through written and or Interviews to fill seats at institute level for 2020-21 admissions.

3.5	To approve the number of attempts of backlog examinations. The following methods are proposed to appear in backlog examinations: 1. A student can appear in the backlog examination for maximum of 3 attempts. The backlog examinations are proposed to be scheduled as below: a) Backlog examinations in Odd semester subjects shall be scheduled i) During the Summer term backlog examination; ii) During the end semester examination of next year Odd semester; iii) During the Summer term backlog examination of next year b) Backlog examinations in Even semester subjects shall be scheduled i) During the Summer term backlog examination; ii) During the end semester examination of next year Even semester; iii) During the Summer term backlog examination of next year Under special circumstances such as serious medical issues while appearing the last attempt (3rd) for backlog examination, after proper verification of the case, the HoD/ Dean may recommend to the Chairman, Senate to allow the student for another attempt to appear in the Backlog examination. In such case, a special examination shall be conducted and scheduled by the examination section. <u>Approval of the Senate</u> Senate approved the proposed methods for appearance in backlog examinations and recommended that the remedial classes shall be conducted for the students who have low attendance as per Institute norms. The scheme of registration in regard to secure pass grades in all first and second year courses provided in the B.Tech Ordinance of IIIT Pune shall not be applicable to all the B.Tech batches admitted before 2020.
3.6	To consider and approve the fee payment for backlog examinations. The Senate is requested to approve for imposing a charge of Rs. 500 per backlog course per student. <u>Approval of the Senate</u> The Senate approved to impose a charge of Rs. 500 per subject for appearing in the backlog-examinations however Chairman, Senate, may waive off the fee based on his discretion.
3.7	To consider and approve the M.Tech seat matrix for admission. The BOG in its meeting held on 26.02.2019 vide its Minutes 3.7 has approved 22 seats for each department (CSE and ECE). The Senate is requested to approve the following distribution of seats for admission: 1. Admission through CCMT with valid GATE score: 12 seats 2. Admission through Institute advertisement: 10 seats <u>Approval of the Senate</u> Senate approved admission of 12 seats through CCMT with valid GATE score and/ or 10 seats and the vacant seats from CCMT counselling through the Institute advertisement for GATE/ Non-GATE candidates. For session 2020-2021 due to COVID-19, senate recommend admission through written test and or Interviews to fill seats at institute level.

3.8	To consider and approve continuous assessment based evaluation of all semesters in the academic session 2020-2021. The following methods are proposed to assess students of all semesters in the academic session 2020-2021: 1. 60-70% of evaluation for all theory courses shall be made as continuous assessment. 2. The following evaluation methods can be followed by Course Instructors: a. Assignments: Subjective/ case-study based questions can be provided and students shall submit the assignments in the given time frame. b. Multiple choice question (MCQ): Single/Multiple set of MCQs can be prepared and students shall be evaluated on a time-dependent basis. c. Viva-voce: Student/ group of students may be evaluated through oral evaluation. d. Short-subjective type questions: Short questions shall be given with a tight time frame for submitting the answers. e. Presentation: Students shall present on the given topic(s) after carefully going through the problem assigned to them. f. Project: A project work shall be given to a student/ group of students and they will come with the working model and present to their instructor. Each course instructor shall decide the methods to follow for the assessment. Instructor can adopt 3-5 methods from the above to distribute 60-70% of total marks as continuous assessment. 3. The practical courses shall be evaluated using continuous assessment methods. <u>Approval of the Senate</u> Senate recommended conducting theory and practical courses completely through continuous evaluation methods as proposed.
3.9	To consider and approve the academic plan for 2020-21 admitting batch of B.Tech. The Senate is requested to consider and approve the following academic plan: 1. The first two semesters for the 2020-21 newly admitting batch of B. Tech may be scheduled with academic duration of three and half months each with a short semester break. The number of academic days in a week can be increased to accommodate the required number of classes. 2. In an event of further reduction of academic days due to a delayed start, the courses from first two semesters given in the Scheme structure may be reduced/ transferred to the subsequent years. The courses, which are not pre-requisite for subsequent year courses, can be chosen in this regard. <u>Approval of the Senate</u> Senate approved the academic plan for 2020-21 admitting batches of both B.Tech and M.Tech and recommended that in an event of further reduction of academic days due to a delayed start of new session, few courses of first two semesters given in the scheme structure may be removed/ revised/ transferred to the subsequent semesters. The courses, which are not pre-requisite for subsequent semester courses, can be chosen in this regard.
3.10	To approve the time limit for preservation of academic records. The Senate is requested to approve a limit of two (2) years to preserve the academic records. <u>Approval of the Senate</u> The Senate recommended a limit of one (1) year to preserve the checked answer sheets and other academic records for two (2) years which is implemented from session 2016.

3.11	To approve the methods for conduction of M.Tech and Ph.D. Written Test and Interview through Institute advertisement. It is proposed that the written test shall be conducted in Online mode for M.Tech and Ph.D. applicants admitting through the Institute advertisement. The qualified students in the written test will be allowed to appear for online Interviews. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate recommended conducting written test and or Interviews in Online mode for admission into M.Tech and Ph.D. programme through the Institute advertisement.
3.12 3.12.1	To discuss any other item with the permission of the chair. To approve the student exchange program with other institutions. <u>Approval of the Senate</u> Senate proposed to start the student exchange program with other IIITs (PPP)/ IIITs/ IITs/ NITs to provide opportunities to students for expanding their knowledge base, getting exposure to alternative ways of learning and personal development. The Senate recommended reviewing the scheme structures of both Institutions and allowing transfer of credits from host Institution to the parent Institution for the duration of the exchange program.
3.12.2	To consider and approve joint undergraduate degree programs with Indian/ foreign universities. <u>Approval of the Senate</u> Senate after deliberate discussions recommended that a proposal shall be prepared for MoU with foreign universities/ institutions for awarding “Joint degree”. The proposal shall include the following recommendations: 1. The student joining under the Joint degree scheme shall study all the required core courses at IIIT Pune during the first three (3) years of the programme at IIIT Pune those are pre-requisite to register final year courses in the host University/ Institution. 2. The models followed by the Indian/ foreign Universities/ Institutes may be studied and scheme structure may be modified accordingly to keep electives in the final year of the programme.
3.12.3	To approve the proposal of awarding Undergraduate degrees in Major with Honors in various disciplines. <u>Approval of the Senate</u> The Senate recommended that, in order to qualify to receive the award of the degree in Major with Honors a student shall earn at least 12 (twelve) more credits over and above the regular B.Tech program. To opt for Honors, a student must possess a CGPA of ‘8’ or more and have no backlog by end of 4th semester and continue to possess ‘8’ CGPA or more with no backlog at the end of each subsequent semester. The award of degree in Major with Honors can be awarded in the following disciplines: a) Artificial Intelligence b) Data Science c) Machine Learning d) Cyber Security e) Internet of Things f) Robotics

	g) VLSI Design
3.12.4	To approve the proposal for continuing online education for academic year 2020-2021. <u>Approval of the Senate</u> The Senate approved the proposal of conduction of classes and assessment in online mode for the academic year 2020-2021 and recommended that mechanism to resume the classes at campus shall be explored if the pandemic is reaching to an end both medically and socially.
3.12.5	To recommend the panel of experts in the discipline of Humanities and Social Sciences (HSS) and Applied Science. <u>Approval of the Senate</u> The Senate recommended the panel of experts in the disciplines of Humanities and Social Sciences (HSS) and Applied Science attached as Appendix-IV, for including as a Senate nominated member in the selection committee for recruitment at IIIT Pune.

The meeting ended with a vote of thanks to the chair.

Secretary
