4.8	Introduction of Innovation, Entrepreneurship studies and Vedic Mathematics courses to the B.Tech programmes. The revised scheme structure after introduction of Innovation, Entrepreneurship studies and Vedic Mathematics is attached. The senate is requested to approve the revised scheme structure. <u>Approval of the Senate</u> Senate approved the revised scheme structure and recommended to design the syllabus of Vedic Mathematics with a list of reference books.
4.9	To consider and approve the proposal of conducting backlog minor and major examinations in online mode. The following examination methods are proposed for the B.Tech students: 1. In case a student could not appear in the Internal assessments (T1 and / T2) of 2nd, 4th and 6th semester during 2019-20, then such pending tests shall be conducted in online-off campus mode. 2. Students having backlogs in earlier semesters can appear for special examinations to be conducted in online mode during Spring semester 2020-21. <u>Approval of the Senate</u> Senate approved the proposal of conducting backlog minor and major examinations.
4.10	To consider and approve the proposal of Online Post Graduate Diploma. Senate is requested to consider and approve the proposal of Post Graduate Diploma programme in AI & ML, Internet of Things, Data Science and Management. <u>Approval of the Senate</u> Senate approved the proposal for Online postgraduate diploma programs.
4.11	To consider and approve the proposal of Honorarium for Teaching Assistantship. Senate is requested to consider and approve the proposal of providing Honorarium for teaching assistantship. <u>Approval of the Senate</u> Senate approved the proposal of Honorarium for teaching assistantship. A fixed amount of Rs. 500 (Rupees five hundred only) shall be provided per hour as the honorarium amount for a

	maximum 48 teaching hours in a semester.
4.12	To approve the honorarium for visiting faculty on the basis of actual hours of conduction of lectures. The Senate is requested to approve the proposal to provide the honorarium to the visiting faculties on the basis of actual number of lectures conducted. International visiting faculties may be provided an honorarium of Rs. 3000-5000 per hour at the discretion of Director. This honorarium amount to International visiting faculty is applicable for the courses being taught from 2019-20 session onwards. <u>Approval of the Senate</u> Senate considered and approved the proposal as under: 1. The honorarium shall be provided to the visiting faculties on the basis of actual number of lectures conducted. 2. International visiting faculties may be provided an honorarium of Rs. 3000-5000 per hour at the discretion of Director. This honorarium to International visiting faculty is applicable for the courses being taught from 2019-20 session onwards.
4.13	To provide honorarium to the Teaching Assistants of Prof. Y. N. Singh from the actual amount sanctioned to him. Prof. Y. N. Singh, Visiting faculty of IIIT Pune taught the course 'Computer Network'. Three teaching assistants supported him in assessing laboratory and project assignments. Professor Y. N. Singh requested to provide 60% of his sanctioned amount to the teaching assistants. Senate is requested to approve this proposal. <u>Approval of the Senate</u> Senate approved the proposal.
4.14	To consider and approve the development of new laboratories. The proposal for development of new laboratories. Senate is requested to approve the proposal. <u>Approval of the Senate</u> Senate approved the proposal.
4.15	To sanction the posts for Senior Technical officer and Technical officer. The proposal for the positions of Senior Technical officer and Technical officer at IIIT Pune is attached. The Senate is requested to consider and approve these posts and recruitment rules of IITs/NITs/IIITs for the appointment of non-faculty attached as Annexure-XI. In case a position is common in all type of Institutions, then recruitment rule of IIITs shall be adopted. <u>Approval of the Senate</u> Senate considered and approved the proposal and recruitment rules and recommended to sanction these posts.
4.16	Initial fund for Innovation and Incubation Cell. Innovation and Incubation Cell is established at the institute. An initial fund is required to setup the cell and start its activities. The Senate is requested to approve a grant of 1% (approximate amount of 10 lakh rupees) of Annual Budget of the institute. <u>Approval of the Senate</u> Senate approved the maximum grant of Rs. 20 lakh as seed amount.
4.17	To start Master of Science by Research and Executive M.Tech programmes. The Senate is requested to approve to start Master of Science by Research and Executive M.Tech programmes. <u>Approval of the Senate</u> Senate recommended designing the scheme structure for Master of Science by Research and online Executive M.Tech programmes.
4.18	To provide financial assistantship to full time Ph.D. and MS by Research scholars of the institute.

	The following financial assistantship rules are proposed: 1. The annual expenses to be incurred by the Institute for the students who will receive financial assistantship. 2. The total of number of scholars who will receive financial assistantship are 10 (ten) for Ph.D. programme and 15 (fifteen) for MS by Research programme. 3. These students are required to assist 8 (eight) hours of work per week assigned by the institute. <u>Approval of the Senate</u> Senate approved the proposal to provide financial assistantship to full time Ph.D. and Master of Science by Research students.
4.19	To remove the project credits from the first year curriculum (2020 upcoming batch onwards) It has been observed from experience that the first year students should focus on learning the fundamentals, concepts, and get familiar with the various aspects and domains of CSE and ECE. Then, from 2nd year onwards, they should begin with the project after understanding the broad perspective of the discipline. <u>Approval of the Senate</u> Senate deliberated over the issue and approved to remove the project credits from the first year curriculum. The scheme shall be followed from 2020 admitted B. Tech batch onwards.
4.20	To add members to the Senate of IIIT Pune New members are proposed to be added to the constituted Senate. Senate is requested to approve the changes. <u>Approval of the Senate</u> The Senate approved the list of new Senate members.
4.21	To adopt online teaching mode for the first year B.Tech student. IIIT Pune will adopt 'online teaching mode' for the first year B.Tech students and the classes will tentatively start in the last week of November 2020, and the semester will end by March 2020. The second-semester classes will commence in April 2020. In view of the safety of the newly admitted students, IIIT Pune will run the semester in online mode until pandemic ends/ official notification by the Government is issued. <u>Approval of the Senate</u> Senate approved the proposal of online teaching for the B.Tech/ M.Tech/ Ph.D. (course work) students admitted in the session 2021 and earlier till the pandemic situation is under control or as per the discretion of the Director.
4.22	To recommend panel of experts for Department of Humanities, Social Science and Management and Computational Mathematics. Senate is requested to approve the rectification in the discipline of 'Humanities and Social Sciences (HSS) and Applied Science', which shall be re-designated as 'Humanities, Social Science and Management'. The Senate is requested to recommend the panel of experts in the disciplines of Humanities, Social Science and Management and in the discipline of Computational Mathematics, for including as Senate nominated members in the selection committee for recruitment at IIIT Pune. <u>Approval of the Senate</u> Senate approved the rectification of re-designating 'Humanities and Social Sciences (HSS) and Applied Science' as 'Humanities, Social Science and Management'. Senate recommended the panel of experts in the disciplines of Humanities, Social Science and Management for including as Senate nominated members in the selection committee for recruitment at IIIT Pune. Senate suggested to re-designate 'Computational Mathematics' as 'Applied Mathematics and Data Science' and recommended the panel of expert of this discipline, for including as Senate nominated members in the selection committee for recruitment at IIIT Pune.

	Any other points with permission of the Chair.
4.23	To sanction posts for teaching assistants for PG programme. The total strength of UG and PG students increased up to 700 and second batch of post graduates students are admitted. Teaching assistants are required to assist in various project assignments and laboratories. Monthly salary of Rs. 40000-50000 may be provided. Senate is requested to consider and approve the proposal. <u>Approval of the Senate</u> Senate sanctioned the posts of Teaching Assistants or Teaching fellow for UG/ PG students and recommended to recruit applicants with Industry backgrounds as well. The monthly salary up to Rs. 70000 consolidated based on the qualification, research publication and experience of the applicant on the recommendation of the committee formed by the Director.
4.24	To approve the list of undergraduate students for awarding the degree in the convocation. Senate is requested to approve the list of undergraduate students graduated from the institute in 2020 for including in the convocation. <u>Approval of the Senate</u> The senate recommended the students as per the list for awarding the degree in the next convocation.

The meeting ended with a vote of thanks to the Chair.
