1.	B. Tech. CSE	111615036	Yogesh Karan										
2.	B. Tech. ECE	111616004	Anuj Kumar Bhaskar										
6.6	To start certification courses in collaboration with Education Technology organizations. Education Technology organizations provide certification courses of various duration for both students and professionals. They have the most variety of subject pools which will be helpful when starting professional programmes at our Institute Collaborating with them for conducting courses of the certification and other programs will be helpful in generating revenue institute. The following points will be considered - Existing resources may be utilized during conduction of courses. - Publicity of the institute among general public and professionals. The Senate is requested to approve to start collaboration of IIIT Pune with different Education Technology organizations. <u>Approval of the Senate</u> Senate agreed with proposal in principle. However, the detailed agenda is required to place in the next meeting along with financial and academic details.												
6.7	To consider the proposal to start Inter-IIIT Elective courses. IIIT's have a set of elective courses embedded in their B.Tech. programs It is primarily seen that the technical professional electives are offered starting from 5th semester onwards. A proposal is made to provide opportunity to students to opt for inter-institute elective courses. The detailed proposal is attached. The senate is requested to approve the proposal <u>Approval of the Senate</u> Senate approved the proposed to start Inter-IIIT Elective courses.												
6.8	To consider and approve the proposal to increase the intake of M. Tech program from session 2021-22 IIIT Pune offers M. Tech in two departments with intake of twenty-two (22) seats in each. Out of the twenty-two (22) seats, twelve (12) are registered for admission through CCMI Remaining ten (10) seats and the vacant seats from CCMI are advertised through institute advertisement. keeping the following points in consideration, it is proposed to enhance the intake of Computer Science and Engineering to thirty-six (36) seats: - The students admitted through CCMT having valid GATE score are provided with institute scholarship of 12400/- per month - Most seats in reserved categories during the admission through institute advertisement are remained vacant - To have a healthy competitiveness among students in their academic activities and placement												

	d) To improve the revenue generation for expenditure towards faculty and staff salary, laboratory development and maintenance and other expenditure towards M. Tech students. Since the COMT admission is already over, Senate is requested to approve additional intake of fourteen (14) in the Department of Computer Science and Engineering through Institute advertisement for session 2021-22 The eligible candidates are required to appear for Written test and/or Interview the Chairman Senate is authorized to take decisions in this regard <u>Approval of the Senate</u> Senate approved the proposal to increase additional intake of fourteen for M. Tech program in Computer Science and Engineering from session 2021-22
6.9	Proposal for Visiting Professor from premier Institutes/ R&D/ Industry in India and Abroad. The institute is willing to invite Visiting Professor from India and Abroad. This proposal intends to provide students and faculty members of the institute with an opportunity to interact/work with eminent Professors / Scientists from premier institutes / R&D / Industry IITs. dominantly the PPP mode face multiple challenges: Attracting quality faculty members considering funding patterns for salary and service benefits, institute reputation, low student strength This initiative will certainly boost the quality of education and research in the institute. Both students and faculty members will get exposure to work with/learn from/ interact with world-class Academicians / Scientists. The Senate is requested to consider and approve the same. <u>Approval of the Senate</u> Senate approved the proposal of conducting backlog minor and major examinations.
6.10	To approve organizing "AI for Resilient Happy Society" Conference. An international conference "AI for Resilient Happy Society endeavours to bring together the researchers and scientists working in the field of Artificial Intelligence and allied areas across the world. The conference will witness multiple eminent keynote speakers from academia and industry from all over the world. The conference will be organized on 8th-9th January 2023. The organization of the conference will benefit IIIT Pune in every aspect. The Senate is requested to consider and approve the same <u>Approval of the Senate</u> Senate approved organizing "AI for Resilient Happy Society" Conference.

The meeting ended with a vote of thanks to the Chair.

Secretary, Senate
