At the outset, Chairperson, Senate extended hearty welcome to all the members specifically the external members of the Senate. With the permission of the Chairperson, Dean, IIIT Pune presented the agenda items sequentially in the meeting, which were individually deliberated and following resolution were taken.

DETAILS OF AGENDA ITEMS AND RESOLUTION OF THE SENATE

Item No.	Agenda Item & Resolution of the Senate
9.1	To confirm minutes of the 8th meeting of Senate held on 10th April 2022. Minutes of the 8 th meeting of the Senate of IIIT Pune, held on 10 th April 2022 was presented Resolution: The minutes of the 8 th Senate, held on 10 th April 2022 as given at Annexure-9.1 are confirmed.
9.2	To consider Action Taken Report on the minutes of the 8th Meeting held on 10th April 2022. The Action Taken Report on the minutes of 8 th Meeting held on 10 th April 2022 was presented Resolution: Senate noted the Action Taken Report on the minutes of the 8 th Senate Meeting, held on 10 th April 2022.

9.3	To Approve increase in intake of B.Tech. Programme IIIT, Pune being a PPP mode Institute, the fee collected from the UG students is the main source of revenue. Taking into account the fact that the Institute has already entered into the 7th year, 3 batches are already passed out, placement record is impressive, it is proposed to increase the intake of B. Tech programmes by 150: 120 in CSE discipline and 30 in ECE discipline from the academic year 2023-24. It is possible to accommodate the increased intake in the existing building space, only the laboratory facility is required to be updated by adding 80 desktop computers. <u>Resolution:</u> Senate recommended the proposal to the BoG.
9.4	To approve the leave rules for M. Tech. Students The existing M. Tech. Ordinance provides for leaves to the M. Tech. Students' receiving scholarships as per Govt. of India norms but the break-up is not given. It is therefore proposed to provide the following break-up of the leaves the M. Tech. Students receiving scholarships are entitled to. a) 8 days of leaves towards casual (5 days maximum at a time) b) 22 days of vacation leaves; c) 8 days of medical leaves for odd semesters and 7 days of medical leaves for even semesters subject to a maximum of 15 days in a semester. The medical leaves are over and above the 30 days of leaves mentioned above. d) Maternity and paternity leave as per Govt of India norms over and above the 30 days of leaves mentioned above. <u>Resolution:</u> Senate resolved that total 30 days of leave in an academic year may be granted to M. Tech Student but leave during the semester period (i.e. active teaching period) may be discouraged. The Senate authorized the Director to relax this condition in genuine cases and he/she may sanction leave beyond 30 days in an Academic year, accordingly.
9.5	To approve the course work credit requirement for PhD students of AMDS, HSS and Management department The Department of Applied Mathematics and Data Science (AMDS), the Department of Humanities and Social Sciences (HSS), and the Department of Management are permitted to admit PhD students from the 2022 session, and accordingly, the students are admitted in these departments from the 2022 session. The following coursework credit requirement is proposed for the PhD students admitted to AMDS, HSS, and Management departments: <i>"12 credits for those who have completed 6-year UG+PG Programme and 15 credits for others."</i> <u>Resolution:</u> Senate approved the above proposal.
9.6	To approve the revised format of Semester Grade Report. In order to bring more clarity, the following changes are proposed in the Semester Grade Report for UG and PG programmes. a) On the front page of the grade report, it is proposed to change the name of the program to Bachelor of Technology/ Master of Technology instead of simply B.Tech./M.Tech." b) On the second page of the semester grade report, it is proposed to mention NP and NF for "Non-credit pass and fail respectively" c) In the SCPA/CGPA calculation formulae "Multiplication factor 'x' is proposed to be replaced by X"

	d) At Para 2 and 3 under the 'SYSTEM OF EVALUATION' on the second page, it is proposed to replace the descriptive sentences with 'CALCULATION OF SGPA/CGPA' and 'CONVERSION FORMULA' respectively. e) It is proposed to update the header as per the letter head of the Institute. Resolution: Senate approved the revised format of the Semester Grade Report
9.7	To approve the Course Registration form for Registration/Re-registration to B.Tech./ M.Tech. Programme. The Course Registration form for Registration/Re-registration to B. Tech/ M.Tech. Programme was presented Resolution: Senate resolved to approve the revised registration form
9.8	To approve amendment in Ph.D. Ordinance regarding Semester progress. The following amendment is proposed in the PhD ordinance regarding semester progress. The details were presented. The changes are proposed to include the present terminologies used and evaluation pattern of various phases of the degree as summarized below: a) 'DRC' is to be changed to 'SRC' since the students are working in inter-departmental research areas. b) Semester progress seminars in addition to the submission of reports are required at the end of each semester to monitor the progress of each student. c) The research work shall be supported with substantial work with preferably two (2) accepted/ published papers in a refereed journal (non-paid SCI/SCIE/SSCI/Scopus), of which one of them should be in a non-paid- SCI/SCIE/SSCI journal. Resolution: Senate approved the above proposal as per enclosed Annexure- 9.8, with one modification in Para c as under. The research work shall be supported by preferably two (2) publications in quality journals (SCI/SCIE/SSCI/Scopus).
9.9	To approve admission to M.Tech. programmed through DASA It is proposed to admit students to the M.Tech. program through DASA. The business rule of DASA may be adopted in this regard. The addition in the seat strength is as follows (15% of the existing strength as per DASA guidelines): a. CSE (Artificial Intelligence): 6 (current strength: 36, proposed strength: 42) b. ECE (Internet of Things): 3 (current strength: 22, proposed strength: 25) Resolution: Senate recommended the proposal to the BoG.

9.12	Any other point(s) with the permission of Chairperson The Dean proposed to amend R.5 of the ORDINANCES AND REGULATIONS: Ph.D. Programme, as per description below. Existing R.5- (4): Appointment of Supervisors for PhD students: A faculty member appointed as a PhD supervisor from Institute is normally expected to be available to a research student/candidate in the Institute till the thesis is submitted. However, under unavoidable circumstances, such as: long leave of more than twelve (12) months; resignation; retirement; or death; a supervisor may not be available to the student/scholar. In such special cases, appointment of supervisor(s) will be regulated and recommended by SRC. Proposed R.5- (4) Change of Ph. D. Supervisor: - i If the supervisor of a Ph.D. scholar proceeds on leave for a period of more than 12 months and if there is no co-supervisor then, a co-supervisor will be appointed on the recommendations of the DRC/SRC, who will look after the interests of the Ph.D. scholar in absence of the Supervisor. - ii If the supervisor of a Ph.D. scholar expires or is terminated from the Institute service, he/she shall cease to be the supervisor. - iii If the supervisor of a Ph.D. scholar is under suspension, he/she shall cease to be the supervisor during the entire period of his/her suspension, - iv If a Faculty resigns from the Institute service, he/she shall cease to be the supervisor. - v In all the above cases, where the existing supervisor of a PhD scholar ceases to be the supervisor, the SRC shall appoint the co-supervisor, if any, as the supervisor of the candidate, provided the co-supervisor is from the same discipline and is otherwise eligible. If there is no co-supervisor for the concerned Ph.D. scholar or the co-supervisor is from a different discipline or if the co-supervisor is not eligible, then the Director shall appoint a new supervisor, on recommendations of the SRC. - vi If a Ph.D. scholar applies for a change of Ph. D. supervisor, along with the No Objection Certificate from the present Supervisor and consent from the proposed Supervisor then his/her request will be considered by the SRC and if found to have merit, a new supervisor shall be appointed in place of the existing one, with the concurrence of Dean and approval of the Director. - vii If a supervisor expresses inability to supervise the research work of a Ph.D. scholar who is registered with him/her, application from the supervisor stating his inability shall be considered by the SRC and if found to have merit, a new supervisor will be appointed for the Ph.D. scholar in place of the existing one, after due concurrence of the Dean and approval of the Director. <u>Resolution:</u> Senate resolved to approve the above proposal.			

In the absence of any other points for discussion, the meeting concluded with vote of thanks to the chair. The chairperson thanked to all the members for their active participation.
