No. IIITP/Facility_Mangement/2025/2/4971

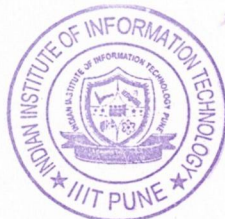

Date: 02-07-2025

विषय /Sub: GeM bid for Facility Management Services

बोली संख्या एवं दिनांक / Bid No. & Dated: GEM/2025/B/6334948 dated 17.06.2025

Reference is made to a bid published on the Institute website <https://www.iiitp.ac.in/e-tender> and on the GeM Portal on 17.06.2025 for Facility Management Services. In this regard following corrigendum is being issued:

Query	Response from IIIT Pune
This is in reference to the corrigendum dated 26.06.2025, specifically on Page 2, Query No. 4, wherein it has been mentioned that the cost of consumables will be borne by the IIIT Pune. However, on the GeM portal under the Price Bid section, the provision to quote for consumables still exists. Requesting you to kindly clarify what is to be done in this regard.	This is to once again reiterate that all consumables required for housekeeping services will be provided by IIIT Pune. Accordingly, bidders are advised to enter '0' (zero) in the relevant section of the price bid designated for quoting the cost of consumables, as there is no requirement to include this component in their financial proposal.
Additionally, the tender mentions quoting a lump sum price for machinery and equipment on GeM. We would also appreciate it if you could confirm whether this lump sum is to be quoted on a monthly or yearly basis.	The list of equipment to be permanently stationed at the IIIT Pune campus during the contract period is clearly specified in the tender document. It is also explicitly mentioned that no separate payment shall be made for these items. The bidders are required to include the rental or usage cost of such equipment within the quoted service charges. Accordingly, all bidders are advised to factor this into their financial bid while quoting. (Ref. Annexure 4A of the buyer uploaded scope of work)

S. NO	Query	Response from IIIT Pune/ Corrigendum/ Addendum/ Corrections
1	Is 56 manpower already working in the institute?	No, the actual number of manpower currently deployed is less than the indicated figures. However, it is important to note that the Institute has recently commenced operations from its new permanent campus. Accordingly, the manpower requirement has been assessed in line with the current operational needs of the new campus. As clearly stated in the tender document, the indicated requirement—45 Housekeeping Workers, 1 Housekeeping Supervisor, and 10 Multi-Tasking Staff (MTS)—is tentative in nature. IIIT Pune expressly reserves the right to increase or decrease the number of personnel to be engaged, based on the evolving needs of the Institute. The final deployment, engagement, or hiring of manpower at IIIT Pune shall be entirely at the discretion of the Director, whose decision in this regard shall be final and binding.
2	Is the salary included with PF ESIC Bonus & any other statutory compliance like insurance or we have to consider group or individual insurance?	As stipulated in the tender document, the contractor shall bear full and exclusive responsibility for ensuring the timely disbursement of monthly wages to the manpower engaged at the Institute. Such payment shall be made in strict accordance with the minimum wages prescribed by the Central Government, as applicable and revised from time to time. The wages, along with any other dues or entitlements of the deployed personnel, must be credited to their respective accounts on or before the 7th of every month, without fail. The contractor shall also be solely responsible for complying with all applicable provisions under relevant labour laws, industrial regulations, and other statutory enactments. This includes, but is not limited to, compliance with statutory obligations related to wages, allowances, compensations, Employees' Provident Fund (EPF), Bonus, Gratuity, Employees' State Insurance (ESI), and any other applicable employee welfare legislation. Upon submission of the monthly invoice, accompanied by proof of disbursement of wages and challans/receipts for all applicable statutory payments, the Institute shall process the payment due to the agency after thorough scrutiny and necessary statutory deductions, as applicable.
3	What is the current rental price of equipment for monthly or yearly?	No such provision in the current contract
4	Will IIT Pune provide consumables as mentioned in the tender document?	Yes, IIIT Pune shall provide all necessary consumables required for carrying out the housekeeping services as per the scope of work. Therefore, bidders are not required to include the cost of consumables in their financial quotations. All prospective bidders are advised to take note of this provision and quote their prices accordingly, ensuring that only the service-related components are accounted for in the financial bid.
5	Working days 26 or 30?	Working days shall be 26 days in a month.
6	Is the supervisor included in 56 or we have to provide an extra 1 person for the supervisor?	Supervisor (Semi-Skilled) is included.
7	Revised QCBS evaluation Marking Sheet	Please refer to Annexure II for the revised QCBS evaluation sheet

8	High End Machinery and Equipments to be provided by Service Provider	Yes, the machinery required for the execution of the services is to be arranged and provided by the service provider. The detailed list of required equipment is enclosed as Annexure 4A of the buyer-uploaded Scope of Work. However, in lieu of the Ride-on Floor Cleaning Machine (01 No.), the bidders are permitted to offer three (03) units of Auto Scrubber (Walk-behind Scrubber) as an alternative, subject to the condition that operational efficiency and area coverage are maintained. The requirement for all other machinery and equipment shall remain unchanged, as specified in the tender document. It is further clarified that all expenses related to the repair, replacement, and routine maintenance of the tools and equipment shall be borne entirely by the contractor during the contract period. Accordingly, all bidders are advised to take this into consideration and quote their financial bids accordingly.
9	Turnover Eligibility	Agency / firm / company should have an annual turnover of at least Rupees 08 Crores in the Manpower Outsourcing business alone for each of the last 3 financial years (2023–24, 2022–23, 2021–22). Copy of Turnover certificate duly authorized by a CA on its letter head along with the UDIN is to be submitted.
10	Compliance to Payment of Bonus Act, 1965	The agency shall ensure that bonus, wherever applicable, is paid to the deployed manpower strictly in accordance with the provisions of the Payment of Bonus Act, 1965. The agency shall first disburse the bonus to the eligible personnel and subsequently submit documentary evidence of such payment—including details such as employee-wise payment records and corresponding bank transaction references—to the Institute. Thereafter, the agency may claim reimbursement of the bonus amount by including it in the monthly invoice submitted to the Institute
11	Payment of wages and Submission of the bills	The contractor shall pay wages to all the deployed staff by the 7th of every month out of its own resources and submit the claim along with the current payment proof (bank statement) and the proof of deposits such as EPF, ESI, GST etc. of the previous month to the Institute.
