Queries from the bidders	Response from IIIT Pune Amendment/ Clarification/ Addendum/Corrigendum
Dear Sir, This is with reference to Bid no. GEM/2025/B/6540494, for the procurement of 22 qty. Computer Mono Printers, dated 07th AUG. 2025, we would humbly like to submit the request for your kind consideration. 1. Govt. of India is promoting manufacturing in India like Make in India and Start-up India through their policy initiatives. We are an OEM for Laser Printers & MFM who are offering more than 50% MII content i.e. Class 1 Local Supplier respectively as per GEM GTC. We have a World class technology partner from U.S.A who has the presence across the globe. 2. There are Manufacturer of Computer Printers and Multi-Function Machine have come up in India and started manufacturing these devices, Currently there are 2 to 4 Make in India (MII) companies registered with GEM, Manufacturing Printers and Multi-Functions Machines and who are regularly participating in GEM Bids, and all the OEM's who have started manufacturing these devices in India cannot be having experience of 15 years, these are reiterated by GEM in their letter dated 1st March 2024 and DPIIT has also has sent the communication in this effect to all the Ministries and Department multiple times. 3. Hence, we request you to consider Make in India (MII) Product for promoting local players and remove the clause of 15 years of OEM Incorporation.	The OEM of the product offered should have experience of more than 10 years in manufacturing/ assembly of PC/ Laptop/ Printers. Further, as per the GeM GTC OEMs/ Bidders with MSE Udyam certificate in the relevant category shall be eligible for relaxation to the same.
COMPOSITE ONLY SPECIFIC. a. From the very beginning GEM has recognized both the technologies i.e. Composite cartridge and Separate Drum and Toners, request you to consider both Composite and Separate Drum and Toner for enabling more options for your	No Change. The requirements mentioned in the tender shall prevail.

organization and allowing other Vendors to participate. b. The benefit of Separate drum and toner is per page costing is lower than Composite technology. c. The steadiness of the device is better with separate drum and toner technology. Hence, for large print volume and heavy duty printing the Separate drum and toner technology is advisable. BENEFITES OF SEPARATE DRUM AND TONER TECHNOLOGY: a) In Composite cartridge technology both Drum and Toner is combined in one unit, hence whenever user has to replace the Toner, the Drum unit is to be replaced by default, whether the total yield of Drum has been achieved or not. Hence the total cost of ownership increases with every unit being replaced. b) In Separate Drum and Toner Technology both are different units and are user replaceable, which ever unit has been consumed in full capacity. c) Generally, the Drum Units have longer yield in comparison to Toner, which lasts for years and in some of the cases even till the life of the Device. And commercially the Per Page Printing cost for Drums are negligible. d) By the means of non-replacement of Drum every time the Carbon Footprint can also be reduced therefore Government institutions should appreciate this strong reason instead of ignoring it. e) If you allow both the Technologies to participate, there will be wider participation, offering more choices and competitiveness for a transparent procurement process. f) In view of the above, we believe that competent authority will re-consider amending the bid and giving option for Separate drum and toner technology. We hope, you will consider the request and reciprocate positively. Looking forward to serve you with our Global standard Make in India Products. regards.	
Print Speed per minute as per ISO/IEC 24734 in (A4) Size - Mono	31 or higher

All other terms and conditions shall remain unchanged.

Bid Corrigendum

GEM/2025/B/6540494-C4

Following terms and conditions supersede all existing "Buyer added Bid Specific Terms and conditions" given in the bid document or any previous corrigendum. Prospective bidders are advised to bid as per following Terms and Conditions:

Buyer Added Bid Specific Additional Terms and Conditions

1. **OPTION CLAUSE:** The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.

Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Buyer added ATC Clauses which are in contravention of clauses defined by buyer in system generated bid template as indicated above in the Bid Details section, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by GeM GTC.
16. In a category based bid, adding additional items, through buyer added additional scope of work/ additional

terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogs or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

*This document shall overwrite all previous versions of Bid Specific Additional Terms and Conditions.
