Bid No.: GEM/2025/B/6088157

Date: 15.04.2025

Revised Specifications for the Bunk Bed

Supplying and fixing of Bunk Bed of overall Size 1900mm long ,900mm wide and 1800mm high. Bed is to be manufactured in 2 separate parts for convenience of transportation.

Part-1) Mattress Platform: Framework 25 x 50mm rectangular MS CRCA tubes, 1.2mm thick. Cross-supports 25X25 mm pipe made from 1.00mm thick CRCA sheet and placed at 250mm centre-to-centre for laying of plywood over it.

Part-2) Vertical members made from 50 x 50mm Square tubes made from MS CRCA sheet 1.6mm thick. Guard rails made from 25X25mm tube@100mmC/C made from MS CRCA 1.00mm thick plate. Extra MS plates will have to be welded where both parts are to be attached.

Part 1 and 2 to be attached together by nut and bolts of minimum size M10 x 100mm, with washers and extra MS plates on both parts.

A three-step ladder made from 25X25mm pipe made from MS CRCA sheet 1.00mm thick at Centre along length of bed. Ladder to be attached to bed by minimum 6mm thick clamp Patti fixed using nut and bolt M10 x 100mm, with washers on both sides.

Two pieces of 10mm thick BWP-grade marine plywood are to be provided as a removable mattress base, each measuring 1800 x 850mm (Corners to be rounded smooth) . Size should be such that the plywood is easily laid on bed and removed from bed.

The bunk bed vertical members near wall are to be securely fixed to the wall using heavy-duty MS CRCA clamps 2mm thick and 50mm wide fixed to the wall by 2nos anchor nuts and bolts of minimum 12mm Diameter.

6mm thick, 50mm wide and 150mm long MS flat with 2nos holes is to be welded at bottom of vertical members for grouting with M12 anchor bolts in the floor.

Rubber/PVC end caps to be provided on ends of pipes wherever needed.

Arrangement to be made in upper bed for Water bottle holder made of 2 nos. circular rings of 6mm dia rod. Bottom ring fitted with 10mmwide MS flat welded at center to hold the bottle.

Metal components shall be welded using CO2 welding in conformity with regulations. All metal surfaces shall be treated with at least a three-stage cleaning process to remove oil, grease, dust, and other contaminants. A base coating of iron phosphate (0.4–0.8 gm/m²) shall be applied. The metal shall be coated using an automatic spray process, followed by drying in a thermal furnace at suitable temperature and time. Final coating thickness: 40 – 60 microns. Finished with Black Colour.

All the edges, ends corners etc. should be finished smooth.

The product should bear IGBC Green Pro certificate for product category.

Each Bed should be strong enough to bear a live load of 250Kg. The supplied product should bear the company/ manufacture's name.

Any minor work the detail which is not specifically described here but needed for completion of item is supposed to be taken care by the agency and cost of it is also supposed to be included in the rates. No extra payment on account of minor works will be made.

Product should be similar to the reference image

CROSS - SECTION OF BUNK-BED

Corrigendum

Date: 11.04.2025

GeM Bid No. GEM/2025/B/6088157

S.No	Parameter	Name of the Item/ Condition	Query	Response/ Clarifications/ Amendment from IIIT Pune
1	Pre-Qualification Criteria	Certifications	Revision of certificate requirements.	1. Certifying agencies of ISO should be listed with" NABCB" or any other agency recognised by International Accreditation Forum (IAF). 2. Thickness Of Coating (40 – 50) Micron. Any other work not specified here but needed for the completion of the unit is supposed to be included in this specification and no extra to be charged on that account. One sample will have to be got approved from Institute authority. Minor extra works, if found necessary at the time of Inspection are supposed to be included in the rates. The supplied product should bear the company name. **Attached Image is for the reference purpose only.**

Bid Corrigendum

GEM/2025/B/6088157-C7

Following terms and conditions supersede all existing "Buyer added Bid Specific Terms and conditions" given in the bid document or any previous corrigendum. Prospective bidders are advised to bid as per following Terms and Conditions:

Buyer Added Bid Specific Additional Terms and Conditions

1. **OPTION CLAUSE:** The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.
2. **Availability of Service Centres:** Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.
3. **After award of contract – Successful Bidder shall have to get advance sample approved from buyer before bulk manufacturing / starting bulk supplies. Successful Bidder shall submit**
1
samples for Buyer's approval, within 10 days of award of contract. Buyer shall, as per contract specifications framework, either approve the advance sample or will provide complete list of modification required in the sample within 5 days of receipt of advance sample. Seller shall be required to ensure supply as per approved sample with modifications as communicated by Buyer. If there is delay from buyer side in approval of advance sample – the delivery period shall be refixed without LD for the period of delay in sample approval. In case, the sample is found to have major deviations / not conforming to the Contract specifications, the buyer at its discretion may call for fresh samples for approval before allowing bulk supplies or may terminate the contract after notifying the deviations to the seller. Unless otherwise provided in the contract, all samples required for test shall be supplied by the contractor free of cost. Where under the contract, the contractor is required to submit an advance sample, any expenses incurred by the contractor on or in connection with the production of stores in bulk, before the sample has been approved unconditionally shall be borne by the Seller and he shall not claim any compensation in the event of such sample being found unacceptable by the Buyer / Consignee.
4. **After award of contract – Successful Bidder shall have to get Detailed Design Drawings approved from buyer before starting fabrication. Successful Bidder shall submit Detailed Design Drawings for Buyer's approval, within 7 days of award of contract. Buyer shall, either approve the drawings or will provide complete list of modification required in the drawings within 5 days. Seller shall be required to ensure supply as per approved Drawings with modifications as communicated by Buyer. If there is delay from buyer side in approval of drawing– the delivery period shall be refixed without LD for the period of delay in approval of Drawing.**
5. **Actual delivery (and Installation & Commissioning (if covered in scope of supply)) is to be done at following address**
Indian Institute of Information Technology (IIIT) Pune,
Gat No: 5 & 6,
Po: Nanoli Tarf Chakan,

Tah: Maval
Dist: Pune, Maharashtra - 410507

- .
6. Bidder Turn Over Criteria: The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
 7. Bidders can also submit the EMD with Account Payee Demand Draft in favour of Indian Institute of Information Technology (IIIT) Pune payable at Pune
 - .
 - Bidder has to upload scanned copy / proof of the DD along with bid and has to ensure delivery of hardcopy to the Buyer within 5 days of Bid End date / Bid Opening date.
 8. **Bidder financial standing:** The bidder should not be under liquidation, court receivership or similar proceedings, should not be bankrupt. Bidder to upload undertaking to this effect with bid.
 9. Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

 - 2. ISO 14001: 2015 - Environment Management System
 - 3. ISO 45001: 2018 - Occupational health & Safety Management System
 - 4. ISO 5001 : 2018 - Energy Management System
 - 5. BIFMA Membership
 - 6. IGBC Membership
 - 7. GRIHA CERTIFICATE
 - 8. GREEN PRO CERTIFICATE
 - 9. Green Guard UL Certification
 - 10. AIOTA (All India Occupational Therapists Association) for EDUCATIONAL FURNITURE range for ergonomic design.
 - 11. Green Co Certification (Optional)

Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

- 1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
- 2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
- 3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
- 4. Creating BoQ bid for single item.
- 5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
- 6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
- 7. Floating / creation of work contracts as Custom Bids in Services.
- 8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
- 9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
- 10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
- 11. Creating bid for items from irrelevant categories.
- 12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
- 13. Reference of conditions published on any external site or reference to external documents/clauses.
- 14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

*This document shall overwrite all previous versions of Bid Specific Additional Terms and Conditions.

[This Bid is also governed by the General Terms and Conditions](#)

Bid Corrigendum

GEM/2025/B/6088157-C7

Following terms and conditions supersede all existing "Buyer added Bid Specific Terms and conditions" given in the bid document or any previous corrigendum. Prospective bidders are advised to bid as per following Terms and Conditions:

Buyer Added Bid Specific Additional Terms and Conditions

1. **OPTION CLAUSE:** The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.
2. **Availability of Service Centres:** Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.
3. **After award of contract – Successful Bidder shall have to get advance sample approved from buyer before bulk manufacturing / starting bulk supplies. Successful Bidder shall submit**
1
samples for Buyer's approval, within 10 days of award of contract. Buyer shall, as per contract specifications framework, either approve the advance sample or will provide complete list of modification required in the sample within 5 days of receipt of advance sample. Seller shall be required to ensure supply as per approved sample with modifications as communicated by Buyer. If there is delay from buyer side in approval of advance sample – the delivery period shall be refixed without LD for the period of delay in sample approval. In case, the sample is found to have major deviations / not conforming to the Contract specifications, the buyer at its discretion may call for fresh samples for approval before allowing bulk supplies or may terminate the contract after notifying the deviations to the seller. Unless otherwise provided in the contract, all samples required for test shall be supplied by the contractor free of cost. Where under the contract, the contractor is required to submit an advance sample, any expenses incurred by the contractor on or in connection with the production of stores in bulk, before the sample has been approved unconditionally shall be borne by the Seller and he shall not claim any compensation in the event of such sample being found unacceptable by the Buyer / Consignee.
4. **After award of contract – Successful Bidder shall have to get Detailed Design Drawings approved from buyer before starting fabrication. Successful Bidder shall submit Detailed Design Drawings for Buyer's approval, within 7 days of award of contract. Buyer shall, either approve the drawings or will provide complete list of modification required in the drawings within 5 days. Seller shall be required to ensure supply as per approved Drawings with modifications as communicated by Buyer. If there is delay from buyer side in approval of drawing– the delivery period shall be refixed without LD for the period of delay in approval of Drawing.**
5. **Actual delivery (and Installation & Commissioning (if covered in scope of supply)) is to be done at following address**
Indian Institute of Information Technology (IIIT) Pune,
