Experience

- Assistant professor Department of Computer Science and Engineering, IIT Pune, Pune, January 2026 - Present
- Assistant Professor, Department of Computer Engineering and Technology, CBIT, Hyderabad, October 2024–December 2025.
- Teaching core undergraduate subjects: Operating Systems, Computer Networks, Cloud Computing.
- Guiding student research and final-year projects in Machine Learning, deep learning, and IoT.
- Contributing to academic curriculum design, departmental coordination, and student mentorship.

Education

- 2019 – 2025  **Ph.D.* (Thesis Submitted), Computer Science and Engineering, Pondicherry University,** (A central university).
Thesis title: *A Novel Traffic Sign Forecasting Framework for Autonomous Vehicles Using Deep Neural Networks.*
- 2017 – 2019  **MTech., Computer Science and Engineering, Pondicherry University.**
Thesis title: *Multi-Object Tracking using Kalman Filter.*
- 2010 – 2014  **B.Tech. Computer Science and Engineering,**
Aryabhatta Knowledge University, Patna (State University).

National level exams

- GATE CS  **Qualified 2015, 2017, 2018, 2019.**
- UGC-NET JRF  **Qualified for UGC-NET in 2019, 2020, and 2022.**

Skills

Languages	Strong reading, writing, and speaking competencies for English and Hindi.
Research Area	Machine learning, Deep Learning, Computer vision.
Frameworks	TensorFlow, Scikit-learn, PyTorch, Numpy, Pandas.
Programming languages	C, C++, Python,
Databases	MySQL,
Web Dev	HTML, css, JavaScript, Apache Web Server.
Misc.	Academic research, teaching, training, consultation, typesetting, and publishing.

Extra Activities

- 2020-22
- M.Tech., Computer Science and Engineering, Pondicherry University.**
Placements Training: *During this Training program, I taught them Python programming, Data Structures, and Algorithms.*
 - YouTube channel for Gate CS and Gate DA, link to the channel
