निविदा आमंत्रण सूचना / NOTICE INVITING TENDER (NIT)
22 KV मीटरिंग क्यूबिकल CT प्रतिस्थापन एवं लोड कम करने के कार्य हेतु / FOR SUPPLY AND INSTALLATION OF 22 KV METERING CUBICAL CT REPLACEMENT AND LOAD REDUCTION WORK

Indian Institute of Information Technology Pune invites **online bids through the Central Public Procurement Portal (CPPP)** from reputed, experienced and eligible firms/agencies for **Supply and Installation of 22 KV Metering Cubical CT Replacement and Load Reduction Work** at the Institute premises.

The complete work shall be carried out in accordance with the scope, technical specifications, terms and conditions contained in this NIT and other tender documents uploaded on CPPP.

1. निविदा का संक्षिप्त विवरण / BRIEF DETAILS OF TENDER

Sl. No.	Particulars	Details
1.	Name of Work	Supply and Installation of 22 KV Metering Cubical CT Replacement and Load Reduction Work
2.	Tendering Authority	Indian Institute of Information Technology Pune
3.	Mode of Tender	Online through CPPP
4.	Tender Type	Open Tender
5.	Nature of Work	Supply, Replacement, Installation, Testing, Commissioning and Load Reduction Work
6.	Quantity	01 Complete Job
7.	Estimated Tender Value	<i>Not Disclosed</i>
8.	EMD	As specified in CPPP
9.	Tender Fee	Nil
10.	Period of Completion	60 days from the date of issue of Purchase/Work Order
11.	Bid Validity	90 days from the last date of submission of bids
12.	Pre-Bid Meeting	As specified in CPPP

13.	Last Date & Time for Submission of Bids	As specified on CPPP
14.	Date & Time of Opening of Technical Bids	As specified on CPPP
15.	Date & Time of Opening of Financial Bids	To be notified through CPPP
16.	Place of Work	IIIT Pune, Gat No. 5 & 6, Village Nanoli Tarf Chakan, PO Talegaon, Taluka Maval, Pune – 410507

2. निविदा आमंत्रण / INVITATION FOR BIDS

Indian Institute of Information Technology Pune invites online bids from eligible and qualified bidders for execution of the work titled “**Supply and Installation of 22 KV Metering Cubical CT Replacement and Load Reduction Work.**”

The tender shall be processed through the **Central Public Procurement Portal (CPPP)**.

Interested bidders are required to submit their bids online through CPPP within the prescribed date and time.

Bidders are advised to carefully examine all tender documents, specifications, scope of work, eligibility requirements and terms and conditions before submitting their bids.

3. कार्य का दायरा / SCOPE OF WORK

The successful bidder shall be responsible for the complete execution of the work, including supply, replacement, installation, testing and commissioning of the 22 KV metering cubical CT and associated load reduction work.

The scope shall include, but shall not be limited to, the following:

3.1 मीटरिंग क्यूबिकल CT प्रतिस्थापन / METERING CUBICAL CT REPLACEMENT

1. Inspection of the existing 22 KV metering cubical and assessment of the existing CT arrangement.
2. Supply of suitable replacement CT(s) compatible with the existing 22 KV metering cubical and electrical system.
3. Dismantling and removal of the existing CT(s), wherever required.
4. Supply and installation of new CT(s) of the required ratio, accuracy class, burden and other technical parameters.
5. Necessary modification/adaptation of the existing metering cubical, wherever required.
6. Replacement/relocation of associated wiring, terminals, lugs, connectors, clamps, supports and other accessories wherever required.
7. Proper termination and connection of CT secondary wiring with the existing metering/protection system.
8. Proper identification, ferruling and dressing of all wiring.
9. Testing of the CT and associated circuits using suitable testing equipment.
10. Verification of polarity, ratio, insulation and other applicable parameters.
11. Commissioning of the replaced CT and associated metering arrangement.
12. Submission of relevant test reports/certificates after completion of the work.

3.2 लोड कम करने का कार्य / LOAD REDUCTION WORK

The successful bidder shall undertake all necessary activities required for reduction of the sanctioned/contract demand/load of the Institute, as applicable.

The scope shall include:

1. Assessment of the existing sanctioned/contract demand and proposed revised load/demand.
2. Preparation and submission of necessary documents/application to the concerned electricity distribution utility, wherever applicable.
3. Necessary coordination with the concerned electricity distribution utility for processing the load reduction request.
4. Carrying out electrical modifications required at the Institute's installation for the revised load/demand.
5. Necessary modification in the metering arrangement arising out of the load reduction.
6. Coordination for inspection, testing and approval by the concerned electricity distribution utility.
7. Assistance in completion of all formalities required for successful implementation of the revised load/demand.
8. Completion of all activities necessary for successful load reduction.

The bidder shall coordinate with the Institute and the concerned electricity distribution utility until completion of the work.

4. तकनीकी विनिर्देश / TECHNICAL SPECIFICATIONS

The replacement CT and associated materials shall be suitable for the existing 22 KV electrical system and shall conform to applicable BIS/IEC standards and requirements of the concerned electricity distribution utility.

The bidder shall inspect/verify the existing installation and ensure compatibility before supply and installation.

Sl. No.	Parameter	Requirement
1.	System Voltage	22 KV
2.	Equipment	22 KV Metering Cubical Current Transformer
3.	Quantity	As required for complete replacement
4.	CT Ratio	As per existing system/requirement of concerned utility
5.	Accuracy Class	As per applicable metering requirement
6.	Burden	Suitable for existing metering system
7.	Frequency	50 Hz
8.	Insulation Level	Suitable for 22 KV system
9.	Applicable Standards	Relevant BIS/IEC standards and utility requirements
10.	Condition	New and unused
11.	Scope	Supply, replacement, installation, testing and commissioning

The bidder shall upload the detailed technical datasheet/specification of the offered CT with the Technical Bid.

The exact CT ratio, accuracy class, burden and other technical parameters shall be verified from the existing installation and/or confirmed with the concerned electricity distribution utility before procurement and installation.

5. बोली प्रस्तुत करने की प्रणाली / BID SUBMISSION SYSTEM

The tender shall follow the **online two-bid system**, comprising:

5.1 तकनीकी बोली / TECHNICAL BID

The Technical Bid shall contain all technical and eligibility-related documents required under the tender.

The bidder shall upload the following documents, as applicable:

1. Firm/Company Registration Certificate.
2. GST Registration Certificate.
3. PAN Card.
4. Valid electrical contractor licence/authorisation, wherever applicable.
5. Technical datasheet/catalogue of the offered CT.
6. Details of similar works executed, along with supporting documents.
7. Documentary evidence of eligibility criteria.
8. Warranty details.
9. Signed technical compliance statement.
10. Signed undertaking/declaration regarding acceptance of tender terms and conditions.
11. Details of authorised signatory.

5.2 वित्तीय बोली / FINANCIAL BID

The Financial Bid shall be submitted **ONLY through the Price Bid Module of CPPP**.

Bidders shall not quote or disclose their rates/prices in the Technical Bid, uploaded documents, covering letter, undertaking, technical compliance statement or any other document forming part of the Technical Bid.

The price quoted through the CPPP Price Bid Module shall be treated as the bidder's final financial offer for evaluation, subject to the terms and conditions of the tender.

6. मूल्य उद्धरण / PRICE QUOTATION

The bidder shall quote the rates **only in the CPPP Price Bid Module** in the format provided therein.

The bidder shall not upload a separate financial/price quotation containing rates in the Technical Bid.

The price quoted in the CPPP Price Bid Module shall be **inclusive of all applicable taxes, GST, duties, cess, transportation, freight, loading/unloading, insurance, dismantling, installation, testing, commissioning, labour charges, tools and tackles, consumables, accessories, statutory/utility charges and all other incidental expenses required for complete execution of the work**, unless specifically provided otherwise in the CPPP Price Schedule.

कर एवं सभी शुल्क / TAXES AND ALL CHARGES

The rates quoted by the bidder in the CPPP Price Bid Module shall be **all-inclusive**.

The bidder shall ensure that the quoted amount includes all applicable taxes and charges, including GST and all other statutory levies, transportation, installation, testing, commissioning and other expenses necessary for successful completion of the complete work.

No additional payment shall ordinarily be admissible for any item, material, service, tax, duty or charge required for satisfactory completion of the work and covered within the scope of this NIT.

7. पात्रता मानदंड / ELIGIBILITY CRITERIA

The bidder shall fulfil the following minimum eligibility requirements:

1. The bidder shall be a legally registered firm/company/agency.
2. The bidder shall possess a valid GST Registration and PAN.
3. The bidder shall possess a valid electrical contractor licence/authorisation, wherever required for execution of the work.

4. The bidder should have experience in 11 KV/22 KV/33 KV electrical works, metering cubical works, CT replacement, substation works or similar electrical works.
5. The bidder shall have adequate technical manpower, tools, testing equipment and resources for execution of the work.
6. The bidder shall comply with all applicable statutory requirements and electrical safety regulations.
7. The bidder shall submit documentary evidence in support of the above requirements.

The detailed eligibility criteria and supporting documents, wherever prescribed, shall be as specified in the tender document uploaded on CPPP.

8. स्थल निरीक्षण / SITE INSPECTION

Bidders are advised to inspect the existing 22 KV metering cubical, electrical installation and site conditions before submission of bids.

The bidder shall assess all requirements relating to dismantling, replacement, installation, wiring, testing, commissioning and load reduction before submitting its bid.

The bidder shall be deemed to have considered the site conditions and all associated requirements while quoting its rates.

9. आपूर्ति एवं कार्य पूर्णता अवधि / DELIVERY AND COMPLETION PERIOD

The complete work shall be completed within **60 days** from the date of issue of the Purchase Order/Work Order.

The successful bidder shall coordinate with the Institute and the concerned electricity distribution utility for shutdown, inspection, testing and commissioning activities.

Any shutdown of the 22 KV electrical supply shall be undertaken only with prior approval of the Institute and in coordination with the concerned utility authority.

10. परीक्षण एवं कमीशनिंग / TESTING AND COMMISSIONING

The successful bidder shall carry out all tests necessary for the CT and associated metering installation before commissioning.

The bidder shall arrange suitable and calibrated testing instruments and qualified personnel for carrying out the required tests.

The bidder shall submit the relevant test reports/certificates to the Institute after completion of testing.

The equipment shall be commissioned only after satisfactory completion of the required tests and necessary approval/clearance, wherever applicable.

11. भुगतान की शर्तें / PAYMENT TERMS

Complete Payment shall be released after successful completion of the complete work, including CT replacement, testing, commissioning and applicable load reduction activities, subject to satisfactory certification by the authorised representative of the Institute. **No advance payment shall be made in any circumstances.**

The successful bidder shall submit a proper tax invoice along with relevant supporting documents, test reports and completion/commissioning certificate, as applicable.

No advance payment shall ordinarily be made unless specifically approved by the competent authority and incorporated in the Purchase/Work Order.

12. सुरक्षा आवश्यकताएँ / SAFETY REQUIREMENTS

The successful bidder shall ensure strict compliance with all applicable electrical safety procedures during execution of the work.

All work shall be carried out by suitably qualified and experienced personnel.

The bidder shall provide necessary safety equipment and Personal Protective Equipment to its personnel.

The bidder shall be responsible for any accident, damage or loss arising due to negligence or non-compliance with applicable safety requirements during execution of the work.

13. सामान्य नियम एवं शर्तें / GENERAL TERMS AND CONDITIONS

1. The bidder shall submit its bid only through CPPP within the prescribed date and time.
2. The bidder shall be responsible for ensuring timely submission of its online bid and documents on CPPP.
3. Bids submitted through any mode other than the prescribed CPPP submission process shall not be considered.
4. The Technical Bid shall not contain any price/rate information.
5. The Financial Bid shall be submitted **only through the CPPP Price Bid Module**.
6. The CT and all other materials supplied shall be new, unused and of suitable quality.
7. All materials shall conform to applicable standards and the requirements of the concerned electricity distribution utility.
8. The bidder shall be responsible for dismantling and safe removal of the existing CT, wherever required.
9. The bidder shall be responsible for transportation, handling, installation, testing and commissioning of all supplied materials.
10. Any damage caused during transportation, dismantling, installation or testing shall be rectified by the successful bidder at its own cost.
11. The successful bidder shall coordinate with the concerned electricity distribution utility for inspection, testing, approval and load reduction activities.
12. The bidder shall provide all necessary assistance and documentation required for processing the load reduction request.
13. No work on the 22 KV installation shall be undertaken without prior permission and coordination with the authorised representative of the Institute.
14. The bidder shall comply with all applicable labour, tax, electrical safety and statutory requirements.
15. The Institute reserves the right to verify the credentials, technical specifications and experience submitted by the bidder.
16. The Institute reserves the right to accept or reject any or all bids, wholly or partly, in accordance with applicable rules, without assigning any reason.
17. The Institute may seek clarification from bidders regarding their submitted documents/bids.
18. The successful bidder shall be responsible for obtaining/assisting in obtaining all permissions, inspections and approvals required for completion of the work, wherever applicable.
19. The work shall be considered complete only after successful testing, commissioning and acceptance by the Institute and completion of the applicable load reduction process.
20. No additional payment shall be admissible for any work, material or service required for satisfactory completion of the complete scope and covered under the quoted all-inclusive price.
21. The successful bidder shall comply with the provisions of the Purchase/Work Order issued by the Institute and all applicable Government rules and regulations.
22. In case of any discrepancy between the provisions of this NIT and the CPPP tender schedule, the provisions specified in the final tender document/CPPP tender schedule shall prevail, subject to applicable rules.

14. निविदा वैधता / BID VALIDITY

The bid shall remain valid for **90 days** from the last date prescribed for submission of bids, unless otherwise specified in the CPPP tender schedule.

15. निविदा शुल्क एवं EMD / TENDER FEE AND EMD

The applicable Tender Fee and Earnest Money Deposit (EMD), if any, shall be as specified in the CPPP tender schedule.

Where exemption from EMD/Tender Fee is permitted under applicable Government rules, eligible bidders shall submit valid documentary evidence in support of such exemption.

16. CPPP पर महत्वपूर्ण निर्देश / IMPORTANT INSTRUCTIONS FOR CPPP

1. Bidders shall register themselves on the CPPP portal and ensure that their digital signature/e-sign facility is valid and functional before submission of the bid.
2. Bidders shall upload all required documents in the prescribed format within the stipulated time.
3. Bidders are advised to submit their bids sufficiently in advance of the closing date and time.
4. The Institute shall not be responsible for any delay in submission of bids due to technical issues attributable to the bidder, internet connectivity, hardware/software issues or any other reason.
5. The bidder shall ensure that all uploaded documents are legible and complete.
6. The financial offer shall be entered **only in the CPPP Price Bid Module**.
7. Any price information inadvertently disclosed in the Technical Bid may render the bid liable for rejection, subject to the applicable tender provisions.
8. Bidders shall regularly check the CPPP portal for corrigenda, amendments, clarifications and other updates relating to the tender.

17. निविदा निरस्तीकरण / CANCELLATION OF TENDER

The Institute reserves the right to cancel, withdraw, modify or extend the tender process, wholly or partly, at any stage in accordance with applicable rules, without assigning any reason.
