IC-HERVM 2026

INTERNATIONAL CONFERENCE on

"Higher Education Reforms for Viksit Maharashtra through Quality Education, Research & Capacity Building for Better Employability" (IC-HERVM 2026)

11th - 12th December, 2026

Venue: G H Raisoni College of Engineering, Nagpur

Website: https://ghrce.raisoni.net/hervm-2026/ Mail ID: ichervm@ghru.edu.in

Organized under

Anusandhan National Research Foundation (ANRF) Partnerships for Accelerated Innovation & Research (PAIR) program

Indian Institute of Technology, Bombay - Mentor Hub | Indian Institute of Information Technology, Nagpur - ANRF Pair Institute | Indian Institute of Information Technology, Pune - ANRF Pair Institute

In Association with:

Directorate of Technical Education, Maharashtra

Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded & G H Raisoni College of Engineering, Nagpur

Patron
- Dr. Vikram Gadre, IIT Bombay
- Dr. Pramod Naik, DTE
- Dr. Prem Lal Patel, IIIT Nagpur
- Dr. Vineet Kansal, IIIT Pune
- Shri. Sunil Raisoni
- Smt. Shobha Raisoni
- Shri. Shreyas Raisoni

Honorary Chair
- Dr. Manesh Kokare
- Dr. Sachin Untawale

Advisory Committee
- Dr. Anil Nandgaonkar, DTE
- Dr. Tausif Diwan, IIITN
- Dr. Bhupendra Singh, IIITP

Convener
- Dr. Aatish Daryapurkar, IIITN
- Dr. Dheeraj Dubey, IIITP
- Dr. Pramod Walke, GHRCEN

General Chair
- Dr. Mayur Parate, IIITN
- Dr. Sushant Kumar, IIITP
- Dr. Santosh Jaju, GHRCEN

General Co-Chair
- Dr. Nikhil Agrawal, IIITN
- Dr. Shivangi Shukla, IIITP
- Dr. Sonali Joshi, GHRCEN

Program Chair
- Dr. Habila Basumatary, IIITP
- Dr. Rahul Agrawal, GHRCEN
- Dr. Nilesh Nirwan, GHRCEN

Finance Chair
- Dr. Habila Basumatary, IIITP
- Dr. Kapil Jajulwar, GHRCEN
- Dr. Shraddha Umathe, GHRCEN

Publication Chair
- Dr. Chandrashekhar Sakode, IIITN
- Dr. Dipen Bepari, IIITP
- Dr. Swapnil Khubalkar, GHRCEN
- Dr. Yogesh Nandanwar, GHRCEN

Registration Chair
- Dr. Dipen Bepari, IIITP
- Dr. Swapna Choudhari, GHRCEN
- Dr. Payal Ghutke, GHRCEN
- Dr. Pravin Jaronde, GHRCEN

Technical Session Chair
- Dr. Nileshchandra Pikle, IIITN
- Dr. Dheeraj Dubey, IIITP
- Dr. Akshay Gulghane, GHRCEN
- Dr. Laukik Raut, GHRCEN
- Dr. Vijaya Choudhary, GHRCEN
- Mrs. Rucha Jichkar, GHRCEN

Two Days International Conference on Higher Education Reforms for Viksit Maharashtra through Quality Education, Research & Capacity Building for Better Employability, aims to strengthen research ecosystems, foster collaboration, and upgrade laboratory infrastructure, aligning with National Education Policy (NEP) 2020. The conference aligns with the vision of the Anusandhan National Research Foundation (ANRF), particularly its Partnerships for Accelerated Innovation and Research (PAIR) program, which emphasizes collaborative, interdisciplinary, and industry-linked research ecosystems in higher education. The PAIR initiative aims to bridge the gap between academia and real-world applications.

Background & Rationale:

The implementation of India's National Education Policy (NEP 2020) demands systemic transformation in higher education institutions across four critical clusters: Quality & Accreditation, Research & Innovation, Faculty Capacity Building, and Skill Development & Employability. This conference aims to create a national platform bringing together policymakers, institutional leaders, researchers, industry experts, accreditation bodies, and faculty members to deliberate on actionable strategies for NEP-driven institutional excellence. By integrating the principles of ANRF–PAIR, this conference seeks to promote a culture of high-quality research, encourage multi-institutional collaboration, innovation & actionable policy frameworks to enhance institutional excellence & global competitiveness. This is especially crucial for achieving the goals of Viksit Maharashtra, where quality education, impactful research, and enhanced employability are key drivers of sustainable development.

Objectives:

1. To deliberate on improving NAAC/NBA rankings and accreditation frameworks.
2. To strengthen research ecosystems, interdisciplinary innovation, and entrepreneurship culture.
3. To design scalable models for faculty capacity building and pedagogical transformation.
4. To align higher education with industry needs, skill development, and employability enhancement.
5. To foster collaborations among HEIs, research institutions, and industry partners.

Conference Sub-Themes (Aligned with NEP Clusters):

Cluster 1: Quality Ranking & Accreditation
- NAAC/NBA reforms and ranking strategies
- Outcome-Based Education (OBE) frameworks
- Institutional data management & quality benchmarking
- Internationalization and global rankings

Cluster 2: Research, Innovation & Entrepreneurship
- Building research-driven institutions
- Translational research & industry partnerships
- Start-up incubation ecosystems, Intellectual Property Rights (IPR) & technology transfer
- Funding opportunities under national schemes

Cluster 3: Capacity Building of Teachers for Quality Education
- Faculty leadership development models under NEP
- Digital pedagogy & blended learning
- AI-enabled teaching-learning strategies

Cluster 4: Skill Development & Employability
- Industry 4.0 and curriculum redesign
- Apprenticeship-integrated degree programs
- Emerging technologies: AI, IoT, Cybersecurity
- Soft skills, entrepreneurship & career readiness, Industry certification integration

Note: The conference will publish proceedings with an ISBN, and selected papers will be considered for publication in Scopus-indexed or peer-reviewed journals.

Submission of Papers:

The conference welcomes paper submissions from researchers, practitioners, academicians & students through https://cmt3.research.microsoft.com/

Important Dates :

- Full Paper Submission : 15th October, 2026
- Acceptance / Rejection Notification : 30th October, 2026
- Registration : Upto 15th November, 2026
