Biography:

Dr. Chandrakant Guled is an Assistant Professor in the Department of Applied Mathematics and Data Science at Indian Institute of Information Technology Pune, India. His research interests lie in Applied Mathematics especially in finding solutions for Boundary Layer Equations and highly non-linear PDEs. He has published several research articles in peer-reviewed journals and National/International conferences. He is a lifetime member of **Indian Science Congress Association** (ISCA) and **The Mathematical Society**- Banaras Hindu University.

International Conference:

1. Presented a research paper entitled- "Homotopy Analysis of the MHD Flow With Heat and Mass Transfer Due to a Point Sink" at the International Conference on *Advances in Scientific Computing* organized by *IIT Madras, Chennai* during November 28-30, 2016.
2. Presented a research paper entitled- "Homotopy analysis of MHD slip-flow with heat and mass transfer due to a point sink" at *International Conference on Current Trends in Engineering, Science & Technology (ICCTEST 2017)* organized by *Don Bosco Institute of Technology, Bengaluru* for Day-1 and *KU Home Kasetsart University, Bangkok, Thailand* for Day-2 & 3, during January 5-7, 2017."

Workshops Attended:

1. Attended a five days Short Term Training Programme (STTP) on Advanced Computational Mechanics organized by *Defence Institute of Advanced Technology, Pune* during July 14-18, 2014
2. Successfully completed an AICTE approved a two week Faculty Development Programme (FDP101X) on **Foundation Program in ICT for Education** conducted by *Indian Institute of Technology Bombay* from March 8, 2018 to April 12, 2018. Received Certificate of Excellence.
3. Successfully completed an AICTE approved a two week Faculty Development Programme (FDP201X) on **Pedagogy for Online and Blended Teaching-Learning Process** conducted by *Indian Institute of Technology Bombay* from May 03, 2018 to May 30, 2018. Received Certificate of Excellence.

4. Participated in the online Quality Improvement Programme on “E-Content Development for 21st Century Learners” conducted by National Institute of Technical Teachers Training & Research, Chennai, GoI, MHRD from June 15-19, 2020.

Books Published:

1. **“Research Methodology and Quantitative Methods of Computer Applications”**- with Dr. B. B. Singh at *Lambert Academy Publishing, Germany, 2016 (ISBN: 978-3-659-87791-9)*
