

शुद्धिपत्र/ Corrigendum		
Bid No. : GEM/2026/B/8042303		
S. NO.	Query/ Representation	Response from IIIT Pune/ Corrigendum/ Addendum
1	Subject: Representation on Bid No. GEM/2026/B/8042303 – Request for Inclusion of MII Clause & Separate Drum and Toner Technology Dear Sir, This is with reference to Bid No. GEM/2026/B/8042303, dated 16 September 2026, for the procurement of 11 units of A4 and Legal Size Multifunction / Computer Printer (V2). We respectfully submit the following points for your kind consideration: 1. Promotion of Make in India & Start-up India The Government of India is actively promoting indigenous manufacturing under initiatives such as Make in India and Start-up India. In this regard, we wish to submit that as an OEM manufacturer of Laser Printers and Multifunction Machines (MFM) with local content, qualifying as a Local Supplier as per GeM GTC. We are also supported by a globally reputed technology partner from the USA, ensuring world-class quality, reliability, and compliance with international standards.	Noted.
2	2. Request for Inclusion of MII (Make in India) Purchase Preference We observe that the present bid mentions Non-Applicability of the MII clause. However, several Make in India-compliant OEMs are already listed and active on the GeM portal. We therefore respectfully request the Hon'ble Authority to enable MII Purchase Preference in this tender, in line with Government of India procurement policies, so as to encourage domestic manufacturing and reduce dependence on imports.	It is mention here that Make in India Purchase Preference is mandatory only for the bids having the estimated cost above 05 lakhs. The estimated cost of the subject bid is less than 05 lakhs.
3	3. Request for Allowing Both Technologies (Composite Cartridge & Separate Drum-Toner Technology) From the inception of GeM, both technologies—Composite Cartridge and Separate Drum & Toner—have been recognized and accepted. Allowing both technologies in the present bid will ensure wider participation, enhanced competition, and optimal value for the procuring entity. Advantages of Separate Drum & Toner Technology include: a) Lower per-page printing cost as compared to composite cartridge technology b) Higher durability and reliability, especially suitable for high-volume and mission-critical printing environments c) Replacement of only the consumed component (Drum or Toner), thereby significantly reducing Total Cost of Ownership (TCO) d) Drum units generally have a much longer life cycle—often lasting the life of the device—making the drum cost perS page negligible e) Environmentally sustainable, as unnecessary replacement of drum units is avoided, thereby reducing electronic waste and carbon footprint	No Change. The requirements mentioned in the tender shall prevail.
4	Permitting both technologies will promote wider OEM participation, ensure fair and transparent procurement, and provide the procuring authority with better technical and commercial choices. Request In view of the above, we humbly request you to kindly consider: • Re-publishing the tender with MII Purchase Preference – YES, and • Enabling MSE Purchase Preference – YES, so that eligible Indian OEMs, MSMEs, and Start-ups are not excluded from the bidding process. We trust that our representation will be considered positively in alignment with the Government of India's procurement objectives, and we look forward to contributing with our globally competitive Make in India products.	Further, as per the GeM GTC OEMs/ Bidders with MSE Udyam certificate in the relevant category shall be eligible for relaxation to the same.
5	Non-Blacklisting Affidavit executed on a ₹500/- non-judicial stamp paper and duly notarized. Can we submit on our letterhead.	No Change. The requirements mentioned in the tender shall prevail.
All other terms and conditions shall remain the same		

Bid Corrigendum

GEM/2026/B/8042303-C3

Following terms and conditions supersede all existing "Buyer added Bid Specific Terms and conditions" given in the bid document or any previous corrigendum. Prospective bidders are advised to bid as per following Terms and Conditions:

Buyer Added Bid Specific Additional Terms and Conditions

1. **OPTION CLAUSE:** The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.
2. **Availability of Service Centres:** Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.
3. **Actual delivery (and Installation & Commissioning (if covered in scope of supply))** is to be done at following address
Indian Institute of Information Technology Pune
Gat No: 5 & 6,
Vill: Nanoli Tarf Chakan,
PO: Talegaon,
Tah: Maval Dist: Pune, Maharashtra - 410507
.
4. **Bidder Turn Over Criteria:** The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
5. **Bidder financial standing:** The bidder should not be under liquidation, court receivership or similar proceedings, should not be bankrupt. Bidder to upload undertaking to this effect with bid.
6. Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.
7. **Buyer Added text based ATC clauses**
 1. The bidders are required to submit a Manufacturer's Authorization Form (MAF) issued by the Original Equipment Manufacturer (OEM) in favour of the Indian Institute of Information Technology Pune. The MAF shall be issued after the date of publication of the bid.
 2. The bidders are also required to submit, along with the technical bid, a Non-Blacklisting Affidavit executed on a ₹500/- non-judicial stamp paper and duly notarized, with the affidavit being executed after the date of publication of the bid.

3. The bidders are required to submit a Declaration of Acceptance of the Technical Specifications specified in the bid, on their official letterhead, duly addressed to the Indian Institute of Information Technology Pune, confirming their unconditional acceptance of all the prescribed specifications.

4. Bidders are advised to carefully read and understand the Buyer-Uploaded Technical Specifications and submit their bids accordingly. Bidders are required to upload the duly filled, sealed and signed copy of the Uploaded Technical Specifications document with the technical bid.

5. Bidders are required to upload a Warranty Declaration, addressed to IIIT Pune and issued on their official letterhead, confirming the warranty coverage for the product offered. The bidders shall provide a minimum one-year on-site warranty for the offered product.

6. In case of any ambiguity or discrepancy between the GeM Bid Document and the Buyer-Uploaded Scope of Work, the Buyer-Uploaded Scope of Work shall prevail.

7. Refer to the corrigendum attached below as ATC.

8. **OEM Turn Over Criteria:** The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria. In case of bunch bids, the OEM of CATEGORY RELATED TO primary product having highest bid value should meet this criterion.
9. **Bidder Turn Over Criteria:** The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
10. **Proof for Past Experience and Project Experience clause:** For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria: a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed. b. Execution certificate by client with contract value. c. Any other document in support of contract execution like Third Party Inspection release note, etc. **Proof for Past Experience and Project Experience clause:** For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria: a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed. b. Execution certificate by client with contract value. c. Any other document in support of contract execution like Third Party Inspection release note, etc.
11. **Manufacturer Authorization:** Wherever Authorised Distributors/service providers are submitting the bid, Authorisation Form / Certificate with OEM/Original Service Provider details such as name, designation, address, e-mail Id and Phone No. required to be furnished along with the bid
12. IT equipment shall be IPv6 ready from day one.
13. Installation, Commissioning, Testing, Configuration, Training (if any - which ever is applicable as per scope of supply) is to be carried out by OEM / OEM Certified resource or OEM authorised Reseller.
14. ISO 9001: The bidder or the OEM of the offered products must have ISO 9001 certification.
15. Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.
16. Experience Criteria: The Bidder or its OEM {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for 3 years before the bid opening date. Copies of relevant contracts to be submitted along with bid in support of having supplied some quantity during each of the year. In case of bunch bids, the primary product having highest value should meet this criterion.
17. Warranty period of the supplied products shall be 1 years from the date of final acceptance of goods or after completion of installation, commissioning & testing of goods (if included in the scope of supply), at consignee location. OEM Warranty certificates must be submitted by Successful Bidder at the time of delivery of Goods. The seller should guarantee the rectification of goods in case of any break down during

the guarantee period. Seller should have well established Installation, Commissioning, Training, Troubleshooting and Maintenance Service group in INDIA for attending the after sales service. Details of Service Centres near consignee destinations are to be uploaded along with the bid.

18. Buyer uploaded ATC document [Click here to view the file.](#)

Disclaimer

The Additional Terms and Conditions (ATC) have been incorporated by the Buyer after approval of their Competent Authority. The Buyer, is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any restriction arising in the bidding process due to these ATCs and including the modification of technical specifications and / or terms and conditions governing the bid. All representations / grievances pertaining to the ATC clauses shall be raised with the buyer organization directly and not with GeM. If any of the clause(s) is/are incorporated by the Buyer regarding the following, the bid & resultant contract shall be treated as null & void. Further, GeM reserves the right, at its sole discretion, to cancel the bid forthwith, without issuance of any prior notice or intimation :-

1. Publishing Custom / BOQ bids for items for which regular GeM categories are available (unless such Custom / BOQ item is bunched with the major regular product Category Item).
2. Mandating procurement of / from specific Brand / Make / Model / Manufacturer / Dealer except in case of Single Bid / Proprietary Article Certificate (PAC) Buying.
3. Inclusion of disqualification criteria related to suspension of seller / service provider, where such suspension period has already expired.
4. Mandating submission of documents (other than EMD and signed Integrity Pact - which can be submitted within 5 days of bid opening) in physical form as a pre-requisite to qualify bidders.
5. Publishing bids on GeM for procurement of works.
6. Procurement of Goods by creating a Service bid on GeM & vice-versa.
7. Seeking sample with bid or approval of samples during bid evaluation process. However, trial / sample, as the case may be, shall be permitted in cases where trial / sample are allowed as per approved and published procurement policy of the Buyers' controlling Ministry / Department / State / Public Sector Enterprises Headquarters. If there is any violation of trial / sample clause with regard to approved policy of the Buyers' Ministry / Department / State / Public Sector Enterprises Headquarters, then this is to be determined and redressed by the concerned Buyer Organisation only.
8. Seeking experience from specific organization / department / institute only or from foreign / export experience.
9. Creating bid for items from incorrect categories.
10. Reference of conditions published on any external site or reference to external documents/clauses.
11. Asking for any Tender fee / Bid Participation fee, as the case may be.
12. Buyer added ATC Clauses which are in contravention of clauses defined in bid detail section, including specifications, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by the applicable GeM GTC.
13. Any ATC clause in contravention with GeM GTC Clause 4 (xiii) (h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
14. In a category based bid, adding additional items, through buyer added, additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogues or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

*This document shall overwrite all previous versions of Bid Specific Additional Terms and Conditions.

[This Bid is also governed by the General Terms and Conditions.](#)
