## **WALK-IN-INTERVIEW FOR THE POST OF ADVISOR (CIVIL) ON CONTRACT BASIS – THROUGH OUTSOURCING AGENCY**

**Indian Institute of Information Technology (IIIT) Pune**, an Institute of National Importance established by an Act of Parliament in 2016, is committed to fostering a vibrant academic and professional ecosystem. To support the expanding requirements of the Institute's Civil Works Department, IIIT Pune invites applications from eligible Indian nationals for the post of **Advisor (Civil)** on a contractual basis through an outsourced agency.

### **Job Profile: Advisor (Civil)**

#### **1. Designation / पदनाम:**

**Advisor (Civil) / सलाहकार (सिविल)**

#### **2. Nature of Engagement / नियुक्ति का प्रकार:**

**Contractual – On Outsourced Basis** generally for one year.  
(The incumbent shall be on the rolls of an outsourced manpower agency engaged by the Institute.)

#### **3. Reporting To / रिपोर्टिंग अधिकारी:**

**Registrar, IIIT Pune**

#### **4. Objective / उद्देश्य:**

To provide expert technical, administrative, and advisory support in the planning, execution, supervision, and maintenance of civil and infrastructure development works at IIIT Pune, ensuring adherence to quality standards, timelines, and statutory regulations.

## **5. Key Responsibilities / प्रमुख उत्तरदायित्वः**

### **I. Planning & Project Management:**

Advise on planning, design, estimation, and execution of civil and infrastructure projects (academic buildings, hostels, residences, roads, etc.). Assist in preparing Detailed Project Reports (DPRs), cost estimates, BOQs, and tender documents in coordination with the Purchase Section. Provide inputs for prioritizing civil and maintenance works based on institutional needs.

### **II. Technical Supervision:**

Oversee construction, repair, and maintenance works to ensure quality, safety, and adherence to approved specifications. Conduct periodic site inspections and submit progress reports with recommendations. Guide the Institute's engineering/works team in resolving technical and on-site issues.

### **III. Tendering & Procurement Support:**

Provide technical advice in preparing and evaluating tenders, including pre-bid clarifications, technical scrutiny, and vendor selection as per Public Procurement and CPWD norms. Review and certify bills, measurements, and payment recommendations for civil works contractors.

### **IV. Compliance & Quality Assurance:**

Ensure compliance with statutory regulations, safety norms, and sustainable construction practices. Recommend quality control procedures and material testing mechanisms.

### **V. Coordination & Liaison:**

Coordinate with architects, consultants, contractors, and government departments for approvals and project execution. Provide professional advice to the Director and Registrar on infrastructure planning and budgeting.

### **VI. Monitoring & Advisory Role:**

Advise on preventive maintenance, energy efficiency, and long-term campus development. Support in preparing infrastructure policies and maintenance schedules.

## 6. Qualification & Experience / योग्यता एवं अनुभवः

- **Essential:** Bachelor's Degree in Civil Engineering from a recognized university/institution.
- **Desirable:** Master's Degree (minimum two-year program) in Civil/Structural Engineering.
- **Experience:** Minimum 06 years of experience in civil and works-related matters.

Preference will be given to retired Superintending Engineers / Chief Engineers / Equivalent / Professors from CPWD, PWD, IITs, NITs, other centrally funded institutions, or PSUs.  
(The duration of a Master's Degree shall be counted as relevant experience.)

## 7. Skills & Competencies / कौशल एवं दक्षताएँ:

- Strong knowledge of CPWD manuals and government procedures.
- Ability to interpret architectural and structural drawings.
- Proficiency in project scheduling, estimation, and contract management.
- Excellent communication, negotiation, and leadership abilities.

## 8. Tenure & Remuneration / कार्यकाल एवं पारिश्रमिकः

- Appointment will be purely on a contractual and outsourced basis, initially for **one (01) year**, extendable based on performance and Institute requirements.
- Consolidated remuneration shall be as per Institute norms and approval of the Competent Authority, in the range of **₹55,000/- to ₹60,000/- per month**.

## 9. Place of Work / कार्यस्थलः

**Indian Institute of Information Technology Pune (IIIT Pune)**

Gat No. 5 & 6, Village Nanoli Tarf Chakan,  
Tal. Maval, Dist. Pune – 410507

## 10. Mode of Selection

The selection will be based on Personal Interview.

Shortlisted candidates will be contacted via email. No TA/DA shall be paid for attending the selection process.

## 11. Application Fee

Rs. 300 + GST 18 % = Rs. 354/- only.
