EXTRACTS FROM THE IIT ACT, 2017

The following are the extracts from THE INDIAN INSTITUTES OF INFORMATION TECHNOLOGY (PUBLIC-PRIVATE PARTNERSHIP) ACT, 2017

SECTION 33:

Subject to the provisions of this Act and the Statutes, the Ordinances of every Institute may provide for all or any of the following matters, namely: –

1. the admission of the students to the Institute; Ordinances
2. the courses of study to be laid down for all degrees and diplomas of the Institute;
3. the conditions under which students shall be admitted to the degree or diploma courses and the examinations of the Institute, and shall be eligible for degrees and diplomas;
4. the conditions of award of the fellowships, scholarships, exhibitions, medals and prizes;
5. the conditions and mode of appointment and duties of examining bodies, examiners and
6. the conduct of examinations;
7. the maintenance of discipline among the students of the Institute; and
8. any other matter which by this Act or the Statutes is to be or may be provided for by the Ordinances.

SECTION 34:

1. Save as otherwise provided in this section, Ordinances shall be made by the Senate.
2. All Ordinances made by the Senate shall have effect from such date as it may direct, but every Ordinance so made shall be submitted, as soon as may be, to the Board and shall be considered by the Board at its next meeting.
3. The Board shall have power by resolution to modify or cancel any such Ordinance and such Ordinance shall from the date of such resolution stand modified accordingly or cancelled, as the case may be.

INTRODUCTORY

1. The constituents of the Senate and its functions are as defined in the Act and Statutes of the Institute. The Senate shall primarily be concerned with the academic affairs of the Institute encompassing academic staff, students and instructional matters.
2. The Senate shall ensure that every Academic programme, leading to the award of a Degree/Diploma as appropriate to the Programme, conforms to the Ordinances of the Institute.
3. The Senate shall discharge its duties and responsibilities generally through its Standing and Special Committees; and, Academic Departments. The Senate may delegate any of its powers to the Chairman, Senate or its Committees at any relevant or appropriate time.
4. The Senate is the apex body recommending all academic matters of the institute to the Board of Governance for approval/ratification. The Senate may empower the Dean for smooth functioning of the academic matters.
5. The Senate, after examining each proposal for the introduction of a new Programme from the point of view of its viability and desirability in the light of broad goals as set forth in the Act & Statutes of the Institute, shall make suitable recommendations to the Board of Governors of the Institute.
6. The recommendations of the Senate on each proposal for the introduction of a new Programme shall be considered by the Board of Governors. In case no new Degree is being mooted in the said proposal, the Board may approve the proposed Programme recommended by the Senate for implementation. However, in case the proposal involves the award of a new Degree and the Board concurs with the recommendations of the Senate, the Board shall seek the advice of the IIIT Council for the introduction of such a Degree.
7. The minimum admission standards and the duration of each Programme, whether existing or new, shall be advised by the IIIT Council.
8. The curriculum of each Programme, required for its successful completion, shall require prior approval of the Senate. Any change in the approved curriculum of any existing Programme shall also require prior approval of the Senate.

9. The Senate shall approve the format of each Degree to be awarded to a student after successful completion of the Programme. Any revision in the format of a Degree shall also require approval of the Senate.

ORDINANCE NO. 1: ADMISSIONS & CURRICULUM

1. Admissions to all the M.Tech programmes are made once in a year through CCMT (with a valid GATE score) / Institute advertisement (with/without a valid GATE score).
2. Reservation shall be as per the Government of India, guidelines framed from time to time. Students shall pursue the respective programmes allocated to them at the time of admission.
3. The number of admissions that can be made to any approved Programme of the Institute shall be as decided by the Senate from time to time.
4. The currently approved distribution of seats for admission is as follows:

Computer Science and Engineering:

- a. Admission through CCMT with valid GATE score: 12 seats
- b. Admission through Institute advertisement: 24 seats

Electronics and Communication Engineering:

- c. Admission through CCMT with valid GATE score: 12 seats
- d. Admission through Institute advertisement: 10 seats

5. The eligibility requirements and frequency of admission to the M.Tech programmes shall be decided by the Senate, taking into consideration any requirements that may be specified by the IIIT Council. The eligibility requirement for sponsored postgraduate candidates shall be decided by the Senate.
6. The minimum entry qualification for admission to the M.Tech programme shall be:

B. Tech / B.E./M.Sc/ MCA with a CGPA of at least 6.0 on a scale of 10 (or equivalent) or 60%.for GEN/GEN-EWS/OBC OR a CGPA of at least 5.5 on a scale of 10 (or equivalent) or 55% for SC/ST/PwD.

Admission through CCMT shall have a valid GATE score.

7. Candidates studying in the final year of their qualifying degree may be considered for provisional admission to the M.Tech programmes provided they satisfy all other

essential eligibility and qualify for the admission process requirements for admissions to such programmes prescribed by the Senate.

8. The admission procedure for Postgraduate Programmes shall be as laid down by the Senate from time to time.
9. The admission requirements and procedures for all categories of students shall be as laid down by the Senate.
10. Every student admitted provisionally to any Programme of the Institute, shall submit copies of the qualifying degree/provisional certificate and such other documents as prescribed by the Senate. These documents must be submitted by the prescribed date.
11. The admission, provisional, of any student who either does not submit the required documents by the stipulated date or fails to meet any other stipulated requirement for admission can be cancelled by the Senate.
12. The admission of any student may also be cancelled by the Senate, at any later date, if it is found that the student had supplied some false information or suppressed some relevant information while seeking admission.
13. The Institute shall be open to persons of either gender and of whatever race, caste or class, and no test or condition shall be imposed as to religious belief or profession while admitting the students.
14. The details of the curricula for various academic programmes are published in a brochure in an up-to-date curriculum for each admitted batch of students for every program. The syllabi of various subjects shall be published separately on the website.

ORDINANCE NO. 2: REGISTRATION

1. The Senate shall lay down norms for registration for all categories of students.
2. The semester registration in the Institute involves:
 - (a) filling out the registration form/registering the academic courses online mentioning the courses to be credited in the semester/summer semester from among the courses offered by the Institute and the programme requirements specified in the curriculum, and
 - (b) payment of fees and clearance of outstanding dues, if any.

The entire responsibility for the semester registration rests with the student concerned.

3. Before the commencement of each semester, every student, unless otherwise exempted by the Senate, shall register for the prescribed courses to be pursued during that semester on the registration date as specified in the Academic Calendar till the Degree requirements are completed in terms of credits completion. The registration for the Summer Semester shall be subject to the conditions that may be laid down by the Senate.
4. Payment of prescribed semester/summer semester fees, and all other dues outstanding against the name of the student to the Institute, the Hostels or any other recognized unit of the Institute shall ordinarily be a pre-condition for registration.
5. For bonafide reasons, students may be permitted to register late in a semester on the date so prescribed in the Academic Calendar on payment of prescribed late registration fee. The Senate shall lay down the conditions and procedure for such late registration. Any other exceptional case of registration shall require the approval of the Senate.
6. The registration of any student may be cancelled or changed during the semester/summer semester, partly or wholly, according to the norms laid down by the Senate.
7. A letter grade shall be awarded in a course to a student only if the student is duly registered in the course at the time of the award of the letter grade.
8. A list of courses to be offered during the semester shall be put up on the notice boards/website and will be made available to the Course Instructor. A student is normally permitted to register for five/six courses per semester as per the M.Tech curriculum of the Institute. Each course carries a weightage in terms of credits depending upon the number of contact hours including lectures and tutorials and/or laboratory hours attached to the course. The normal academic load consists of 12-18 credits per semester. The minimum credit requirement for each academic programme shall be determined by the Senate.
9. A student is required to ensure that she/he has completed the pre-requisite(s), if any, for each course to be registered for. At any stage, if it is found that she/he is not meeting the pre-requisites of a course then the registration of the student in that course may be cancelled.
10. A student may, be permitted to take an overload based on the criteria set down by the Senate. Similarly, a student, for valid reasons may also be allowed to take a reduced load.

11. An academically deficient student may be required to take a reduced load as per the provisions/ recommendations of Competent Authorities. An academically deficient student is one who has accumulated a backlog of courses by either not registering for or by failing in the course in spite of registering for it in the previous semester(s). The deficiency may be due to several reasons such as poor grades, not registering for course(s) due to health and /or other reason(s). Registration of deficient students is done as per the recommendations of the Student Advisory Committee. The programme for deficient students shall be framed on the advice of the concerned faculty adviser.
12. Cancellation of registration: Absence for a period of four or more weeks at a stretch or in total during a semester shall result in an automatic cancellation of the registration of a student from all the courses in that semester. In case the absence is in a particular course then the student is required to drop that course in the given semester.

ORDINANCE NO. 3: LEAVE OF ABSENCE

1. Absence during the semester shall be discouraged for all registered students. However, for bonafide reasons, a student may be granted leave of absence as per the provision made for such absence in the Ordinances.
2. Postgraduate students receiving scholarships shall be entitled to the following leave of absence without loss of Financial assistance:

Short Leave, Maternity leave/Paternity Leave (as per GOI norms) Temporary Withdrawal / Semester Leave (Partial withdrawal from the semester shall not be allowed)

Applications for leave of absence should be addressed to the programme coordinator and submitted to the academic section with a medical certificate. Leave usually must not be availed without prior approval of the Dean. In addition, if a student is going out of campus on leave, she/he must inform the Hostel authorities in writing. Failing this the hostel/Institute authorities may initiate an action as deemed appropriate by them.

3. Leave of absence beyond that provided in Ordinances 3.1 to 3.2 may also be granted with the recommendation of the Dean and approval from the Director. However, such leave of absence shall entail loss of financial assistance.

4. Without prejudice to the provision made for leave of absence in the Ordinances, absence for a period of four or more weeks at a stretch, during a semester, shall result in automatic cancellation of the registration of students from the course(s) in that semester. However, the award of partial credit for research units, if applicable, may be considered for such students.
5. Unauthorized absence (i.e., absence without due permission) may result in termination of the student's programme by the Senate in addition to loss of financial assistance for the entire period of such unauthorized absence(s) or part thereof.
6. Students are expected to complete their Programme without any break. However, for bonafide reasons, students may be granted leave of absence from the Programme. But such absence(s) shall ordinarily not exceed two semesters with or without break, and this break will be counted towards the maximum course duration permitted for the said Programme.
7. M. Tech. Students receiving scholarships are entitled for a total of 30 days of leave in an academic year but leave during the semester period (i.e. active teaching period) may be discouraged.

ORDINANCE NO. 4: TEACHING & EVALUATION

1. The medium of instruction shall be the English Language.
2. Each course, along with its weightage in terms of units, shall require approval of the appropriate Standing Committee of the Senate according to the course approval procedures laid down by the Senate. Only approved courses can be offered during any semester.
3. Each approved course, whenever offered in any given semester, shall be conducted by the assigned Course-instructors. The Instructor-in-Charge shall be responsible for conducting the course, holding the examinations, evaluating the performance of the students and awarding the grades at the end of the semester. The grades submitted by the Course Instructor may be put before the moderation committee appointed by the Senate. The final grades for a course shall be declared after the approval from the Chairman, Senate.

4. The list of all courses to be offered by a department, during any semester shall be finalized, before the beginning of the semester by the Dean, taking into consideration all the requirements and the recommendations of the Senate.
5. The Course Instructors, and Tutors (if any with course instructor) for all the courses to be offered by a department, during any semester, shall be assigned by the concerned Head of Department/ Dean.
6. In each semester, there shall normally be two Mid-Semester Examinations (called “Minor examinations”) and one End-Semester Examination (called “Major Examination”). As far as possible, all the examinations shall be conducted during the announced examination periods.
7. Students who fail to appear in any examination, due to bona fide reasons, may be permitted to appear in the Make-up Examination (called “Re-minor examination/Re-major examination”) as per the procedures laid down by the Senate.
8. Every admitted student shall be assigned with a Supervisor(s) subject to the approval of the Director. On the recommendations of the Dean, the Director, may appoint more than one supervisor(s) not exceeding a total of two to supervise the student/candidate. These may be from inside or outside the Institute/ Research Organization/ Industry.
9. The minimum credit requirements for various programmes shall be decided by the Senate. Normally, for the M.Tech programme, the credit requirement is in order of 48-60.
10. *Award of Grades:* The grade awarded to a student in a course, other than the laboratory course, for which he/she is registered, will be based on his/her performance in quizzes, tutorials, laboratory work, workshops and industry and home assignments, as applicable; in addition to a minimum of two minor tests and one major test. The distribution of weightage is to be decided and announced by the course instructor. For laboratory courses, the course coordinator will evolve a method of evaluation and announce it in the first laboratory class.

At the end of the semester, a student is awarded a grade based on his/her performance in mid-semester, tests, assignments, quizzes, and end-semester examination, in every course registered by him/her. These grades are described by the letters A, A-, B, B-, C, C-, D, and F have an equivalent numerical value called the grade points as shown below:-

Letter Grade	Remarks	Grade Point
A	Outstanding	10
A-	Excellent	9
B	Very Good	8
B-	Good	7
C	Above Average	6
C-	Average	5
D	Below Average	4
F	Fail	0
I	Non-appearance in Examination	--
PP	Passed (Noncredit/Audit course)	--
NP	Not Passed (Noncredit/Audit course)	--

- Calculation of Credits of a Course/Subject: Credit for each course/subject will be calculated on the basis of Lecture-Tutorial-Practical (L-T-P) of a course giving half weightage to practicals unless otherwise decided by the senate (for example, if a course/subject has L-T-P of 3-0-2 credit for the course/subject will be $3+0+(2*1/2)=4$ or if a course/subject has L-T-P of 0-0-6 credit for the course/subject will be $0+0+(6*1/2)=3$).
- Besides the above grades, there are other non-numeric grades like I, PP, and NP which are not taken into consideration for calculation of SGPA/CGPA. I grade specifies that the subject/grade has not been completed in all respects.
- The following formula shall be used for calculating the Semester Grade Point Average (SGPA) of a semester

$$SGPA = \frac{\sum_{i=1}^n \text{Credit for registered Course (C)} \times \text{Grade Point earned (G)}}{\sum_{i=1}^n \text{Credit for the registered Course (C)}}$$

Where n is the number of courses registered in the given semester.

- The Cumulative Grade Point Average (CGPA) at the end of the semester shall be calculated as under

$$CGPA = \frac{\sum_{i=1}^m \text{Credit for registered Course (C)} \times \text{Grade Point earned (G)}}{\sum_{i=1}^m \text{Credit for the registered Course (C)}}$$

Where m is the number of courses registered up to the given semester.

- “*” indicates the grade earned in Re-examination.
- There is no equivalence of CGPA/SGPA into marks under the grading system. However, if required, the equivalence of SGPA/CGPA into the percentage of marks shall be obtained by multiplying it by 10.

ORDINANCE NO. 5: FINANCIAL ASSISTANCE

1. The Institute may provide financial assistance to the GATE qualified M. Tech students, who took admission through CCMT, in the form of teaching or research assistantships (referred to as Institute Assistantship).
2. A student is expected to devote up to eight hours per week towards job(s) in the form of teaching and/or departmental assistance assigned to him/her. The renewal of the assistantship is contingent on the student's satisfactory performance in the academic programme and the discharge of assistantship duties.
3. Scholarships and freeships are liable to be withdrawn, partially or wholly, in case of misconduct, deliberate concealment of material facts and/or supply of false information.
4. Students leaving the Institute on their own accord without completing the programme of study may be required to refund the amount of scholarship as per the rules of the Institute.
5. No student can receive two scholarships simultaneously.
6. Scholarships will not be paid after the date by which a student completes all the prescribed requirements of an academic programme.
7. During the 3rd and/or 4th semester, if the student gets paid Internship, no scholarship shall be given by the Institution to students joined through CCMT.
8. The institute does not provide scholarships to non-Gate students in any circumstances.
9. During, the 3rd and 4th semesters, the scholarship of the student is provided based on performance in the continuous evaluation carried out by Supervisor.

ORDINANCE NO. 6: GRADUATION REQUIREMENTS AND GRANT OF DEGREES

1. An M.Tech student with a CGPA below 6.0 is not eligible for graduation.
2. A student shall be deemed to have completed the graduation requirements if the student has:
 - a) passed all the prescribed courses;
 - b) attained the minimum required CGPA;
 - c) satisfied the minimum academic and other requirements for the academic programme prescribed by the Senate;
 - d) satisfied all the requirements specified by the concerned department, if any;
 - e) Substantial project work with preferably one (1) presented/ published international conference publication.
 - f) satisfied all the requirements specified by the Senate and the Ordinances.

In addition, the student should have paid all the dues to the Institute, and should have obtained 'No Dues' clearance from various units as specified by the Senate, and, should have no pending case of indiscipline.

3. A student who has completed all the graduation requirements shall be recommended by the Senate to the BOG for the award of an appropriate Degree in the ensuing Convocation. A Degree can be awarded only after the Board has approved the award of the Degree.
4. Under exceptional circumstances, where gross violation of the graduation requirements is detected at any later stage, the Senate may recommend to the Board of Governors to withdraw the Degree, already awarded.

Disclaimer: These Ordinances may be reviewed from time to time.
